INDIAN INVALIDS PROVE RECOVERY BY HEAVY HITTING

(By Associated Press.)
The plague of injuries which was one big reason why the Cleveland Indians did not figure in last year's American league pennant race, seems to have been left behind with the close of the 1935 campaign.

Grave doubts as to the condition of Bruce Campbell, the outfielder who was laid low in mid-season by spinal meningitis, and little Frankie Frylak, the Tribe's only reliable catcher, who suffered a breakdown in 1935, followed Cleveland into training camp this spring. Two regular season games, however, indicate there is little cause for worry from those sources.

Between them Campbell and Frylak made seven of the Tribe's 17 hits yesterday as they plastered the world champion Tigers, 14 to 7. Campbell clouted four, including a home-run.

The heavy hitting which marked the opening games Tuesday continued right down the line with only 22 year-old Harry Gumbert of the Giants turning in an outstanding mound performance. Gumbert limited the Dodgers to four hits to win a furious contest 5 to 3.

The Boston Bees, abandoning the humble role for which they had been cast, did the day's second best job of hitting when they pounded Philadelphia pitching for 15 blows and evened the series with a 12-4 triumph.

The Yankees belted three Washington pitchers for an even dozen safeties but went down for the second time, 6 to 5.

The White Sox outslugged the Browns to win the other American league game 6 to 3.

The Red Sox and Athletics put the season's first postponement on the records when it rained at Boston.

The combination of two ex-Giants, Manager Frank Frisch and Roy Parmelee, proved too much for the Cubs and the Cardinals turned back the National League champions 3 to 2.

The Pirates downed the Reds, 7 to 6.

OFFICE BOYS WIN SECOND STRAIGHT

The Office Boys took their second straight win in the city softball league last night when they took the measure of The Toggery, 4-1, behind the pitching of Colton to Campbell. Stewart to Bayliss was The Toggery battery. Dick Lewis, Office Boy shortstop, bagged the only homer of the game.

The Jennings Tire nine stepped up a notch in the race at the expense of the Shakerly Sherritt service team (General Petroleum), 6-2. Singler twirled to Spears for the victors, with Lindley toosing to Franks for the losers.

Tonight the Headquarters Detachment and Lampport's play, while Hubbard Bros. tangles with Camp Prescott.

Friday's schedule:
Office Boys vs. Sherritt's Service.
The Toggery vs. Jennings Tire.

GOLF HANDICAPS SET—WAILS ARISE

COMMITTEE FIRM AGAINST CHANGES PLAYERS WARNED

Clark, Hammond, Pringle and Simmons Listed for Four—Wailing Bench to Be Provided in City Park

The loud wail you will undoubtedly hear about the time you are reading this will be coming from the outraged golfers whose handicaps have been changed by a ruthless committee composed of Harry McMahon, A. P. Mansfield and Bob Hammond, Jr. It will be noted that McMahon put himself down for a 12. Mansfield was a little more leery and marked down a nine, but Hammond's game was too well known and he had to give himself a four, the lowest handicap number listed.

The committee expected concerted howling from many of the players, but issued the statement that they would remain adamant, and no handicaps would be changed. They did, however, charter a special bench in a secluded corner of the city park for wailers, where their cries will disturb no one but themselves. Since misery loves company, there is some talk of putting in a peanut stand to accommodate the expected throng.

The committee may consider bids on this occasion in the near future.

The handicaps, listed by numbers instead of alphabetically, follow:

FIVE-WAY MEET TO BE LARGEST EVER HELD HERE

Saturday's five-way track meet here, with teams from Grants Pass, Kerby, Roseburg, Ashland and Medford participating, will be the largest event of its kind ever held in this city. Coach Bill Bowerman said today. Most of the teams will enter at least 20 men in the various events, and despite the throng of athletes, all events will be run off on time, Bowerman said.

Temporary bleachers have been installed for the meet, and spectators, who will be admitted to the track meet and the baseball game for a lone dime, are asked to remain in the bleachers.

The program is to start at 2 o'clock although the shot event will be run at 1:45. At 2 the 100 yard dash will be run, the pole vault to follow five minutes later. At 2:10 the mile run is scheduled, and the broadjump will start promptly at 2:15. The high hurdles five minutes later.

The 880 run and the high jump will be run at the same time, 2:30. The 220 dash will follow these events, getting under way at 2:45. At 2:45 the javelin throw will be held, with the 440 run to start at 2:50. The low hurdle race will be run at 3 o'clock sharp, with the five man relay, the last event on the program, to start at 3:10.

Medford is given the inside edge on the meet by virtue of their surprise win in a four way meet at Grants Pass last week, although all the teams represented are said to be strong.

The meeting will be the first regularly scheduled in this city in several years, and the first ever to be run on the new high school athletic field.

GIRLS OF ACTION GET PREFERENCE

ST. LOUIS, Mo., April 16.—(AP)—Whether they're brunettes or blondes, gentlemen prefer sportswomen.

This is the belief of Miss Violet B. Marshall, physical director for women at the University of California, who is in St. Louis for a national physical culture convention.

"If you watch the girls on the magazine covers you get an idea of the recent trend," Miss Marshall said today. "The girl of action—diving, riding horseback, playing tennis—is being featured."

Miss Marshall said fashion was helping promote physical education because women realized they must keep fit to have good figures.

"At California university, where physical education for women is optional, we have found tennis and golf are the favorite sports," she said.

PHOENIX WINS, 8 TO 7, WHEN TIGER SECONDS TAKE FIELD IN SIXTH

In a practice baseball game with the Phoenix high school yesterday afternoon here, the Tigers led at the end of the sixth inning, 6-2. With that substantial margin Coach Achison ran in his second team and the Phoenix nine started a bombardment of hits that put them in the lead to take the game 8-7.

Erickson did the hurling for the first string, with Bayliss working behind the plate. Pitts pitched to Law for the second string. On Saturday the nine meets the Weed high school team here, and on Sunday afternoon the Tigers clash with a group of old-timers made up of such old hickory artists as John Miljus, former big leaguer, Charley Pritchett, formerly with Oakland, and Sharkey Sheritt, former Portland city league star.

Others who will play for the old-timers are J. Verne Shangle, former Portland city leaguer, Tully Williams, Bill Holloway, Jack Hughes, Virgil Swanson, Ivan Harrington, and others to be selected.

Considerable interest has been manifested in the battle, according to Shangle, with the game to supply the impetus to a movement for a baseball school for boys. Since the program is for boys, all those under 16 years of age will be admitted free, with only a small admission charge for adults.

Several business men are behind a proposition whereby a baseball school headed by John Miljus will be opened to train kids between the ages of 14 and 21 in the fundamentals and finer points of "the national pastime." The committee expects to develop some good players, and eventually have a city team made up of graduates of this school.

"Baseball," said one of the business men, "is not necessarily dead here. It's under the effects of the ether that has controlled it for so many years, but we expect to clean up the situation and have a team of good, clean boys in a short time. Baseball will keep them off the streets and out of the pool halls. As it is now, they have nothing to do during the summer."

BEAVERS BATTER L. A. FOR 9-5 WIN

By the Associated Press
Portland's Beavers landed on three Los Angeles hurlers for 14 hits and a 9-5 win, "Hobo" Carson was none too steady for Portland but he hammered out a home run and a double, a mighty good day at bat for any pitcher. Wes Schulmerich, Angel right fielder, also homed. The victory moved Portland up into fifth place, over San Diego.

Sidney Stringfellow, the Coast league's No. 1 batter, of baseball sat on the bench yesterday and many strange things happened.

Sacramento won a ball game, 5-1, from the San Francisco Missions. An unfamiliar 0 was marked down in the Senator error column, Frank Morehouse, who moved into Stringfellow's berth at short, played sparkling ball, figuring in the game's two double plays.

Not so strange was the resulting Seattle-Mission exchange of second and third places in the standings. A brilliant triple play helped boost

SAMS VALLEY NINE TRIMS TALENT, 2-0

SAMS VALLEY, April 16.—(Epl)—Sams Valley high school baseball team won a tight ball game from Talent on the local diamond Tuesday, 2-0. Dusenberry, local pitcher, and Combat, Talent chucker, hooked up in a real pitching duel, Dusenberry allowing but three hits, and striking out 14 batsmen, while Combat allowed five and struck out 10 batters.

Dusenberry won his own game in the third, when Houston, catcher, was walked and he clouted a home run to score the two runs. Both teams played errorless ball. The locals will go to Jacksonville for their fourth league game Friday.

No Ladies will be ARRESTED for buying Chintz!

HERE'S a funny little item about sales-tax troubles 160 years ago in London.

To protect the English weavers of linen and wool, cotton chintz was stiffly taxed, and the Lord Mayor was "shocked and grieved" to see three gentlewomen walking in St. James Park on Sunday dressed in chintz gowns. On Monday morning, the three ladies were haled into court but all promptly paid their fines . . . because chintz was so pretty and so cool!

It still is. Crisp little dot and flower chintz for warm weather frocks. Red-rambler-rose chintz for summer bedrooms. Chintz slip-covers for dining-room chairs. Chintz blinds when you take the winter draperies down.

Right now is the time to do your chintz-choosing. Or gay cretonnes and bold blocked linens . . . clothes at special after-Easter savings . . . porch and lawn furniture . . . garden tools . . . ALL the things you'll need and enjoy this summer.

Study the advertisements to see who's selling them and what the price tags are. Pre-shopping in the pages of this paper will save you hours of aimless wandering and indecision—will make every dollar do extra duty. In April, and all year round, read the advertisements FIRST.
