AMERICA DRIFTS TOWARD PAGANISM VIEW OF BISHOP

PORTLAND, Aug. 15.—(AP)—America is building toward a pagan nation in the opinion of Bishop Frederick B. Bartlett, head of the department of domestic missions of the Episcopal church.
Visiting here, the bishop said in an interview that 12,000,000 children of the nation receive no religious training "at all" and more than 50 percent of the people belong to no church.
Churches need to center more attention on rural work and among the negroes. Ministers would have more success in building up their denominations if they served the people "the other six days of the week" besides Sunday.
"When you are invisible six days in the week, you are incomprehensible on the seventh," he remarked.
People do not want the "hell-fire and fear type of religion" and an "educational approach" too often lacks any evangelistic fervor, he said. The solution is the invasion of the home by the minister, he added.

RUSSIAN FLYERS LAND WHELAN BAY

TELLER, Alaska, Aug. 15.—(UP)—Sigmund Leavanev and Victor Levchenko, famed soviet flyers, set their big Vultee seaplane down at Whelan Bay, Siberia, at 9:35 a. m. (12:35 p. m., P.S.T.) today, according to reports received here.
They flew from Teller, Alaska, where they had been fogbound for about 24 hours, in an hour and 15 minutes. They intend to hop from there to North Cape, Siberia, and thence across the continent to Moscow, where their 10,000-mile flight will end.
The flyers declared they were negotiating the most northern route ever attempted by airplane.

TRIO JAILED FOR PHONEY DOLLARS

COQUILLE, Ore., Aug. 15.—(AP)—Police held two men and a woman in jail today pending the arrival of a federal officer to investigate charges of passing counterfeit bills.
Under arrest were O. L. Burbee, 52, Grace P. Fitzpatrick, 46, and Olen Ricks, 26.
Police alleged that 25 lead dollars similar to those passed in Marshfield and Port Orford were thrown from a machine on the approach of a state officer who made the arrests at the complaint of a Port Orford wine merchant.
In the machine with the three were two daughters of Mrs. Fitzpatrick, aged 12 and 13, police said.

The outcome than Farley has conceded to date.
The Landon strategy has likewise been lifted from the Coolidge book, but from a different chapter.
While Mr. Roosevelt's basic problem is to call attention to his accomplishments without seeming to be doing it for political purposes, Governor Landon's is to keep the biggest possible open door and open house for all who want to vote against Mr. Roosevelt.
Political grandfathers know the country has voted negatively more often than affirmatively in presidential elections. In 1920 not so much pro-Harding as anti-Wilson; in 1924, afraid of La Follette as much as for Coolidge; in 1928, anti-Smith; in 1932 against more of Hoover. This year most political seers agree the outcome will be decided by the size of the anti-Roosevelt, not the strictly pro-Landon, vote.

The Landon strategy at and since the convention seems to have been based on the assumption that his main problem is to collect rather than convert. It explains why he has spoken infrequently and kept both his platform and his acceptance speech couched in terms of a general rather than a specific invitation.
While many of his foehardy followers are howling for him to take a particular stand on every issue under the sun, every time he takes a stand on a debatable issue, he runs the risk of alienating a voter on the other side of the issue who would otherwise cast a vote against Roosevelt.
The absence of fire and sword in this type of conflict may lead the unwary to surmise that there is no contest, but the fact seems to be that few past campaigns have been as skillfully handled on both sides at this stage of the game.

PENN COAL BELT CHEERS PRESIDENT

ABOARD ROOSEVELT SPECIAL
En Route Hyde Park, N. Y., Aug. 15.—(UP)—President Roosevelt tonight sped toward the summer White House after a tri-state tour climaxed by the acclaim of unnumbered thousands in the heart of Pennsylvania's industrial region.

OLD FOLKS WILL AID PIERCE FOE

PENDLETON, Aug. 15.—(AP)—A prediction that the eastern Oregon Townsend vote will swing to Roy W. Ritner, Pendleton, Republican candidate for congressman from the second district, was made here last night by Walter Toose, assistant to the chairman of the Republican state central committee. Walter Pierce, Democrat and opponent of Ritner, has been endorsed by the Townsend area board.
Toose, speaking before a well-attended gathering of Umatilla county Republicans, declared that Pierce is "a political opportunist" and has promised "all things to all people at all times."
"Townsenders," Toose said, "will, in the end, choose the honesty and integrity of Ritner."

1,000 MEN BATTLE KLAMATH FLAMES

KLAMATH FALLS, Ore., Aug. 15.—(UP)—Approximately 1000 men were fighting forest fires in Klamath county today.
The blazes swept 40,000 acres in the Modoc section, and 12,000 acres on Stikel mountain. No valuable timber was affected, but desperate efforts were made to save numerous ranch buildings and grain fields.
Many of the fire fighters were from nearby CCC camps. Many farmers were on the fire lines.
