LIONS URGE CITY COVER UP UNUSED STREETCAR RAILS

At their noon meeting at Valentine's today, the Medford Lions club drafted a recommendation to the city council that the old street car tracks still in evidence on much of the length of Main street be taken up or covered. The move, long contemplated by various members of the club, gained impetus Saturday with the serious injury of Katherine Gentner, 16 year old school girl whose bicycle caught in the tracks and hurled her beneath a moving wood truck.

The Lions club will ask other service clubs and civic organizations to draft similar resolutions to be presented to the council. Larry Schade, council member and long associated with civic welfare, today endorsed the suggestion, pointing out the rapid increase in the number of bicycles in the city. He said the council was already working on a petition to be presented to the state highway commission suggesting that the tracks be covered with asphalt or other road material.

The Lions meeting was presided over by Charles Pritchett, in the absence of President Verne Shangle. A. W. Wilson was toastmaster and outlined the altruistic program of the Lions club, particularly among the blind, gaining scholarships for boys and girls, and sending students through college.

MINNESOTA GOVERNOR URGES LIBERALS BACK FRANKLIN ROOSEVELT

ROCHESTER, Minn., Aug. 19.—(AP)—From his sick bed in a Mayo clinic hospital Gov. Floyd B. Olson of Minnesota today urged "liberals" to unite "to re-elect Franklin Roosevelt and prevent the election of reactionary Alfred Landau."

The farmer-labor governor set forth his sentiments in a telegram to Senator Robert La Follette (progressive, Wisconsin) which he dictated last night in the infirmary where he is being treated for a critical stomach ailment.

From the president the governor received a telegram stating he hoped to visit the Minnesota executive here August 31, and urging him to "keep up the good fight."

Governor Olson's telegram to Senator La Follette was in answer to a message from Governor Philip F. La Follette at Madison yesterday to join in calling a conference of progressive leaders in Chicago early in September to decide where their support will be placed in the coming presidential campaign.
