Only nominal damage was done. The blaze was put out by the fire department's chemical crew. Cause of the grass fire was not determined.

Looses Ball Glove—Hugh Hartman, insurance salesman in Grants Pass who came to the rescue of the Medford baseball school team Tuesday and acted as catcher in the game against the traveling Convicts outfit, lost his first baseman's glove in the stands after the game. New York Guests—Mr. and Mrs. Lloyd E. Seaman were today en route to their home in Utica, New York, after visiting here for the past two weeks as the guests of Mr. and Mrs. Roy Seaman. The visitors drove out from New York and stopped at numerous points of interest on the way. While here they made trips to Crater Lake national park and Diamond Lake in company with Mr. and Mrs. Roy Seaman and son Lloyd. They planned to return east via the Redwood highway, their itinerary including stops at Yosemite national park, Salt Lake City and Omaha.

Medford's Uncle Here—Sidney Gordon of New York City, former CCC enrollee at Camp Prescott, has returned to Medford from his eastern home whither he went last winter after being discharged from the civilian conservation corps. He is an uncle of Medford Dale Feldman, the Chicago baby who was named after this city when some years from the Rogue valley were presented to the mother just before the child's birth last December. Medford is the son of Mr. and Mrs. S. Feldman, Mrs. Feldman being a sister of Mr. Gordon. Mr. Gordon spent some time at his sister's home on his trip to the west and said the baby, now nine months old, is getting along splendidly and that the parents are still proud of his name. The fact that the baby was named after a Medford pear was made the subject of feature stories in many of the country's daily newspapers, Mr. Gordon recalled.
