

MIDWIFE INJURED IN BATTLE FOR BASKET WHICH HELD QUINTS

CALLANDER, Ont., Aug. 21.—(UP)—Mrs. Alex Legros, a midwife who attended Mrs. Olga Dionne at birth of the quintuplets, was painfully bruised in a battle for possession of the meat basket in which the famous babies were first placed after they were born, she reported to provincial police at North Bay today.

The basket had been on display at a refreshment booth near the Dafoe hospital where Mrs. Legros was employed. Last night Mrs. Legros, who owned the basket, wanted to take it home with her, Miss Mildred Adams, daughter of the proprietor of the booth, and Harry Simard, an employee, reportedly attempted to stop her, but Mrs. Legros eluded them and carried the basket to her home across the road from the stand. Miss Adams and Simard were said to have followed Mrs. Legros to her home where, during a quarrel, Mrs. Legros was knocked to the floor.

Miss Adams and Simard were said to have taken the basket, but Mrs. Legros caught up with them and in another "fight" was knocked down again. However, she managed to regain possession of the disputed basket and took it home.

Mrs. Legros told the police she would file charges of assault against Miss Adams and Simard tomorrow. Police said Mrs. Legros was suffering from bruises about the arms and legs.

AERIAL TRANSPORT SETS JULY RECORD

By completing 100 per cent of 1-571,532 miles of scheduled flying, planes of United Air Lines operating between Medford, Vancouver, California and the east set an international air transport record in July, according to advices received today by L. G. Devaney, field manager of the company here. Devaney reported that this marked the first time any company had completed 100 per cent of more than a million and a half miles of scheduled flying in a single month. The mileage was flown on both the company's Vancouver-Medford-San Diego and Pacific Coast-Chicago-New York routes.

THREE FATALITIES IN INDUSTRY DURING WEEK

SALEM, Aug. 21.—(AP) There were three fatalities due to industrial accidents in the state during the past week, the industrial accident commission reported.

The victims were Lewis Tillson, Oceanlake, logger; Thomas E. Moody, Portland, log hauler, and C. J. Freeman, Deer Island, pile driver operator.

Accidents during the week totaled 993.

"I MUST ORDER more Shredded Wheat and peaches. The family certainly goes for that delicious flavor combination. It's packed with the vital nourishment they need, too."

301 CARS PEARS ROLLED TO DATE

Pear shipments from the Rogue river valley up to last night totaled 301 cars—159 packed, for eastern markets, and 142 cars to canneries, principally Willamette valley and Portland canneries.

A considerable portion of the canneries Bartlett are being held in pre-cooling plants for later shipments, and the same applies to the packed Bartlett. The picking of the Bartlett crop will be finished this week in most of the orchards.

The Howell variety comes next for harvesting. It is a light crop, due to the spring cold, and many of the growers grafting the Howells with other varieties.

The Southern Pacific freight department reports four switch-engines are used in the local yards to handle the fruit crop, and that cars are being moved at an average of between 20 and 25 cars daily.

PERFECT JELLY FROM ANY FRUIT WITH SURE-JELL

ONLY 1/2 MINUTE BOIL—2/3 MORE JELLY, TOO!

With Sure-Jell, you boil jelly only 1/2 minute—jam, only one minute! No fruit juice boils away—so you get 2/3 more jam or jelly from exactly the same amount of juice!

ALL FRUITS JELL PERFECTLY! New powdered pectin product makes all fruits jell perfectly. No more uncertainty about jelly making... when you use Sure-Jell!

REAL FRUIT FLAVOR! Because no flavor goes off in steam, jams and jellies made with Sure-Jell retain all the delicious, natural flavor of the ripe, fresh fruit.

MONEY BACK OFFER Buy two packages of Sure-Jell. Use one. If it does not do all we claim for it, just take the empty container and the unopened package back to your grocer. He will refund the full price of both packages.
