

### TOWNSEND CLAIMS REV. SMITH NOT ON PAYROLL OF OARP

#### Pension Father Admits Share the Wealth Leader Reimbursed for Some Expenditures—Lawyers Tiff

CLEVELAND, Aug. 24.—(AP)—Dr. Francis E. Townsend, founder of the 200-a-month pension plan bearing his name, testified in a deposition hearing today that the Rev. Gerald L. K. Smith, who claims leadership of the "share the wealth" movement started by the late Senator Huey P. Long, is not on the payroll of the Townsend organization.

Mr. Smith has appeared in public frequently with Dr. Townsend and took a leading part in the Townsend national convention here recently. Making a deposition before Common Pleas Judge George Kerr in a receivership suit brought against the Townsend organization by the Rev. Alfred J. Wright, ousted Townsend director, Dr. Townsend said Mr. Smith had been paid nothing "as a salary."

Reimbursed. Asked by Attorney Ben F. Sacharow, counsel for Mr. Wright, if Mr. Smith had received any money from the Townsend organization Dr. Townsend said:

"Yes, he's been reimbursed for some expenditures."

He said traveling expenses would "run \$20 to \$30 a day."

Sacharow called a remark of Charles W. Hubbell, counsel for Dr. Townsend, a "contemptible lie."

"We anticipate," Hubbell said, "that by means of this hearing, counsel for Mr. Wright and former National Secretary H. E. Clements, disgruntled and discharged employees of the OARP (old age revolving pensions) intend to harass and vilify Dr. Townsend. This law suit is political propaganda. After November it will be goodbye lawsuit."

Sacharow jumped to his feet and said "that's a contemptible lie."

Hubbell asked the doctor whether he objected to "the American people seeing the books and records of the Townsend organization."

"I would not," Townsend replied, "if they did not interfere with the employees in their routine."

Townsend Not on Payroll. Dr. Townsend said that he was not on the payroll of the Townsend movement. He said that he was paid on a salary basis until the opening of the congressional hearing last spring.

"I received \$50 a week and expenses," the doctor said, "and for a month or two, \$125 a week and expenses."

Sacharow claimed his investigation of records disclosed the doctor received nine checks of \$125 each, a total of \$1,125, last February.

"That's news to me," the doctor commented. Tucker objected to Sacharow's statements, claiming he "assumed they were salary checks. The judge remarked that Sacharow "has not proved them to be only salary checks."

Wright's attorney then questioned the pension leader concerning a check he said was issued to Walter Townsend, of Hollywood, Calif., brother of the doctor, for \$100 last June 27.

Dr. Townsend said his brother's wife, Ethel, was a club organizer and the check "presumably was salary for her." He later said he authorized OARP to forward his brother, "who was ill," \$100, the amount to be repaid the organization by himself.

### INTOXICATED DRIVER GIVEN FINE AND JAIL, LICENSE SUSPENSION

George Edward Colbert, a carpenter on relief, entered a plea of guilty to driving an auto while intoxicated and was sentenced to 30 days in the county jail, fined \$100 and his driver's license suspended for one year, by Justice of the Peace William R. Coleman this morning.

Commitment to the county jail was deferred by the court and Colbert permitted to go, with instructions to report next Saturday on his ability to pay the fine. Kin in the east have been wired for financial aid. Jail was promised unless payment on the fine was made.

Colbert is engaged in building a forest service lookout station at \$50 per month and has dependents.

Colbert, with a companion, was charged with causing a near-collision of three cars last Saturday on the Pacific highway between Gold Hill and Central Point. A friend told the court Colbert had drunk three beers, but had sipped no hard liquor.

Paul W. Johnson of the Prospect district, charged with speeding an empty lumber truck on the Crater Lake highway, was fined \$5 and costs. Earl Robinson, a truck driver was assessed \$5 and costs for speeding a truck, loaded with machinery, on the Pacific highway.

Raymond H. Beers of Ashland was assessed \$1 and costs for non-possession of a driver's license.

### FIVE OF BLACK LEGION INDICTED FOR PLOTTING CITY OFFICIAL'S DEATH

DETROIT, Aug. 24.—(AP)—Five men were indicted by the state grand jury today on charges of participating in a Black Legion plot to kill Martin H. Zink, city commissioner in suburban Highland Park.

The same five also were charged with a similar plot against Arthur L. Kingsley, Highland Park publisher. Their names were withheld pending their arrest.

Sixteen men previously had been charged with conspiring against the publisher's life, but today's indictment covers a separate plot against Kingsley, grand jury aides said.

Seven other men were named in two other indictments returned today. Two men were charged with perjury and five were charged with having assaulted a reluctant member of the Black Legion. The new indictments were returned following the arraignment of 18 of the 22 men charged last week with criminal syndicalism.

The 15 stood mute, pleas of innocent were entered for them, and they were held for examination next Monday.

PUBLISHERS ASKED TO CONFER ON P-I

SEATTLE, Wash., Aug. 24.—(AP)—Newspaper publishers of the Pacific northwest received a call today to confer here Wednesday on the Seattle Post-Intelligencer's newspaper strike which caused the newspaper to suspend publication August 14.

Robert Mount, Portland, secretary of the Pacific Northwest Newspaper association, whose membership includes publishers of metropolitan dailies, notified the members of the meeting and urged the allied dailies of Washington and the newspaper association to join in the session.

"There are so many conflicting reports on the situation there that we want to review it and get first-hand information about it," Mount said, referring to the strike called by the American Newspaper Guild on the Seattle Post-Intelligencer.

### QUEEN MARY BREAKS CROSSING RECORD BY 4 HOURS, 30 MINUTES

NEW YORK, Aug. 24.—(AP)—The Royal Mail steamer Queen Mary, pride of the British merchant fleet, steamed up New York harbor today with the fastest westward crossing of the Atlantic to her credit, but she wasn't flying the blue pennant symbol of Atlantic speed supremacy.

"We haven't got a blue pennant aboard," said Sir Edgar Britten, commander of the liner.

The liner crossed the Atlantic in four days, seven hours and 12 minutes at an average speed of 30.01 knots, breaking the previous record of 29.84 knots held by the French liner Normandie.

The Queen Mary's time was four hours and 30 minutes better than the Normandie's record crossing, although the British ship traveled a slightly shorter route.

"I have no doubt the French will beat our record and then we'll beat theirs," said Sir Edgar. "A little friendly competition is all right, you know."

The Queen Mary brought 1933 passengers with her on her record trip, among them Jesse Owens, Olympic star, Charles MacArthur and his wife, Helen Hayes, actress, and Edsel Ford, motor maker.

BUSINESS GAINS AT SUB-STATION

Business at postoffice station No. 1 has shown a steady increase since it was opened last Tuesday in the Medford Stationery store at 34 North Central avenue. It was stated today by E. N. Agee, clerk in charge.

The station is situated in the heart of the downtown business section and is therefore convenient for merchants and shoppers. Mr. Agee pointed out. The station transacts all the usual postoffice business with the exception of issuing baby bonds and international mail orders and the handling of postal savings. No personal mail deliveries are made at the station.

The station is situated in the heart Mrs. Nell Carlton. She is assisted as occasion demands by Mr. Agee and A. H. Miller.

### FOREST SERVICE ISSUES WARNING AFTER 4 FIRES

Warnings against carelessness were issued today by the Rogue river national forest service following four week-end fires that were spotted and put out before any damage was done. In one case an allegedly negligent camper was fined \$5 and costs for leaving a campfire unattended.

"This is a particularly bad time of year for fire although the public generally thinks that hazards grow less as the weather becomes cooler," said K. P. McReynolds, assistant forester in charge of fire control.

"Hazards are greater now than at any other time during the year. Everything on the forest floor is dry as tinder and humidity is lower than at any other time this year. If we are to save our forests the public must be especially wary of fire."

Two fires yesterday were caused by smokers who carelessly tossed away lighted cigarette stubs, Mr. McReynolds said. One blaze was in the eastern part of Crater lake national park. It was spotted and put out quickly by the guard at the Seven Mile station. The other was at Hyatt lake and was discovered and extinguished by the guard at the Table Mountain station.

An unattended campfire was spotted and put out by the guard at the Seven Mile station Saturday. Henry Gentry of 314 Mitchell street, Klamath Falls, pleaded guilty to leaving the campfire. He was fined \$5 and costs by Justice of the Peace W. B. Barnes in Klamath Falls.

An unattended campfire was put out Friday by the guard at the Imnaha station. An investigation is being made to ascertain, if possible, who left the campfire burning.
