

MAXWELL REPORTS RICH GOLD STRIKE; LOCATION SECRET

What he described as the greatest gold strike of recent years was proclaimed today by O. L. Maxwell of 31 North Oakdale avenue, miner, lecturer and civic worker.

Potential value of the strike is "vast," the gold-bearing land extending "from Oregon to California," Mr. Maxwell stated. He declined, however, to specify the location, declaring that he wanted to avert a rush to the fields by poachers who would deprive him of the benefits of his discovery.

He has let the public in on former discoveries only to come out of the small end of the horn himself, Mr. Maxwell asserted.

"Would any banker give you the combination to his vaults and their gold?" asked Mr. Maxwell in explaining why he would not tell the location of his asserted discovery. "No," he replied, "because on some occasion you might take the notion to loot the vaults. No, it isn't done."

"If I gave you the locations of this rich gold strike, I'd be giving you the combination to nature's gold vaults and maybe deny me the privilege of my just share as the locator and discoverer. No, I am not giving the location away. It goes only to those who meet my terms."

Mr. Maxwell said his terms are these: He will give the information to the first 25 persons paying him \$250 and to the next ten who pay \$500. When the 35 have paid, and not until then, he will reveal the location and give each one a parcel of land to work. Mr. Maxwell said. When he is properly financed, he himself will develop a part of the assertedly rich strike, he declared.

BRITISH WALKER CUPPERS ARRIVE

All four arrived yesterday with the other six members of the British team, and immediately went to Clamton, N. J., where they will play the American team for the international trophy, September 2-3.

Spokane Girl and William Prentice To Wed Sept. 5

Of great interest to Medford friends is the announcement of the engagement of Miss Barbara Coolidge, daughter of Mr. H. E. Coolidge of Spokane, Wash., to William Harwell Prentice, son of Mr. and Mrs. H. R. Prentice, of this city.

The wedding will be an event of September 25 and will be solemnized at the home of Miss Coolidge's sister and brother-in-law, Mr. and Mrs. Howard P. Miller, at 1609 Visalia avenue in Berkeley, Calif.

Miss Coolidge, who formerly resided with her family at La Grande, is well known in Medford, having visited here several times during the past few years. She also has many friends here among the university set as she attended the University of Oregon, where she was a member of Kappa Alpha Theta sorority.

Mr. Prentice has spent the greater part of his life in Medford and was prominent in school and younger set activities. He also attended the University of Oregon and was a member of Phi Kappa Phi fraternity. He is at present associated with the Klamath Oregon Power company, and the young couple will make their home in Klamath Falls.

Robert Prentice will be his brother's best man and Medford relatives are planning to attend the ceremony. Miss Coolidge is at present vacationing with Mrs. Miller at a dude ranch in Montana.

Crafts Expected To Return Soon

Lieut. and Mrs. Roy Croft, who have attended the Olympic games in Berlin this summer, are expected to arrive home about September 1. Their travels on the continent have included stops at Paris, Munich, Vienna and other well-known cities.

The Crafts returned via Italy, spending some time in visits to a number of Italian cities. They expected to sail for home about August 18 from Naples, Italy, and their arrival here is being awaited by a large number of friends. The Crafts left Medford the latter part of June.

Much-feted Guest Returns to Home

Among the most popular of recent visitors to the city was Mrs. Edwin Stanton of Los Angeles, who boarded a southbound plane last evening to return to her home.

Mrs. Stanton spent the past several days as the guest of Mr. and Mrs. Gain Robinson, having arrived the early part of last week. She was much entertained by Medford friends during her stay here, a number of affairs having been arranged in her honor.

Club Planning Monthly Session

Announcement has been made of the regular monthly meeting of the Carnation club, which has been scheduled for Thursday evening at 7:30 o'clock. Hostess for the affair will be Mrs. May Denman, at her home, 403 Benson street. All members are requested to be present.

Powells Moving To Eugene Soon

Mr. and Mrs. Bruce Powell and family will leave early in September for Eugene, where they plan to make their permanent home. Little Miss Patty Powell is well known in Medford music circles, having shown promise as a pianist.

Patty Powell will appear in a few recitals before her parents leave.

Gold Hill Plans Greater Co. Fair

The annual northwest Jackson county fair will be held at Gold Hill September 12, with the preceding day set aside for registration day. Since the closing of the regular county fair grounds here to permit use by the CCC, the Gold Hill program is the only one of its kind in the county, and the event has become of increasing importance.

Last year a free barbecue feature drew approximately 2000 people, and an even bigger crowd is anticipated for the outdoor meat roast this year. As last year, Charles Kell will be in charge, and Harry Easton and R. Kies will prepare the roast.

A big parade, with prizes to the winning float, will start the program, with sports to form a prominent feature of the program. Several bands will march in the parade.

BIRTHS

Born to Mr. and Mrs. F. J. Schrengel, of 504 North Grape street, a boy weighing eight and three-quarters pounds, at home on August 23. The boy has been named Fred Joseph. Both mother and son are doing well.

SHRINERS PICNIC ENJOYED BY MANY

Between 300 and 400 Shriners and members of their families from southern Oregon were present Sunday afternoon at the annual picnic at the Jackson Hot Springs. The program included activities from 3 p. m. to midnight.

The main attraction of the afternoon was a baseball game between the drum corps and members of the patrol, which resulted in a tie, 9 to 9, after five innings had been played.

Following the basket dinner which was served at 5 o'clock, the group was entertained by the Hillah Temple Shrine band concert. Later races, games and swimming were enjoyed by those present.

A highlight of the evening was the showing of moving pictures of the Imperial Council parade in Seattle during the national convention in July, by Dr. M. E. Cooper of Klamath Falls.

Special lighting, including an emblem of the Shrine, had been arranged by a committee of Ashland and Medford Shriners.

The Grange

Upper Applegate Grange met August 22 with a good attendance. Mr. and Mrs. Ernest Langley of Jacksonville Grange were welcome visitors.

The station of master was occupied by Overseer Fred Dorn, as Master Valoris Haskin is away for a time working in hop yards below Grants Pass.

Plans were laid relative to putting in stoves and chimneys before cool weather makes the hall uncomfortable. Lamps were ordered bought and action was taken in regard to applying a coat of finish to the outside walls. August 30 was chosen as a work day and grangers are asked to donate their work on that day.

The lecture hour was turned over to the social committee and was devoted to a party honoring the first bride from our grange, Leora Culey Griffin Creek.

Griffin Creek

Griffin Creek Grange met in regular meeting the 4th Wednesday. At this time it was voted to change meeting dates from the second and fourth Wednesday to the first and third Tuesday. The next meeting will be September 1.

The master urges that every one attend who possibly can, as there is important business to be taken care of.

The charter was draped in memory of Sister Sarah Hansen.

Refreshments were served by the ladies of the H. E. C. after the business meeting.

In the White House grounds are trees planted by Presidents and their wives.

Closing time for Too Late to Classify Ads is 1:30 p. m.
