WOMAN BEDRIDDEN FOR 15 MONTHS Arthritis Victim Now Active Again

Many sufferers, crippled and in agony for years by Arthritis, Sciatica, Neuritis, and similar troubles caused by over-cold conditions in the system, are finding RO-MARI their first relief from these painful ailments. The experience of Mrs. Arthur Wade, 125 Hawthorne Way, San Jose, Calif., is just one of the many who write grateful letters after taking this new British formula. She says: "I am sending for two more bottles of RO-MARI. It has certainly done wonders for me. I will take one more bottle and have another on hand for use in case I should feel it useful at any time. I have been in bed for 15 months, just lifted to a wheel chair for 2 or 3 hours a day. Now I am able to get about a little. I certainly give the credit for my improvement to RO-MARI. Why endure stiffness, pain, sleepless nights, lessened activity? This remarkable scientific prescription, developed by a physician in Ireland and used by eminent British doctors, may help you as it has helped others.
