

Movie Star Beats Summer Heat

Hot days of Indian summer, made a hundredfold more trying by Hollywood klieg lights, hold no terror for gracious Karen Morley, a recent guest star on movie land's radio program, "Hollywood Talent Parade." Finding

14,000 CONVICTS HAVE VISITED PEN

SALEM, Ore.—(UP)—An even 14,000 persons have served time in Oregon's penitentiary in 85 years. The legislative act establishing a penitentiary for the territory of Oregon was passed in 1851. The prison was built in Portland, and was not moved to Salem until 1866. First inmate in the penitentiary was a redskin known as Indian Charley. He was sentenced to three years for larceny in Marion county. An old book containing the prison's first records doesn't show when Indian Charley started his term. But he escaped on December 3, 1853, and wasn't recaptured until May 3, 1859, the book reveals. Then convict No. 1 escaped again June 16, 1862, and never was heard of again. Whether his term was lengthened for his first escape is not known. By a strange coincidence, convict No. 14,000 is also from Marion county, and also serving a term for larceny. He is Joseph Gigger, who started a six months' sentence August 12.

HE MADE A TEN-YEAR TEST WITH ALL-BRAN

Say good-bye to the headaches, the low spirits, the sleeplessness that often follow common constipation. Just read this letter: "In 1926, I started using ALL-BRAN. And now, after ten years, during which I have put Kellogg's ALL-BRAN to a long, hard test, I am writing you this letter. It is better to eat this food and be in condition, than to resort to laxatives." —Bernard Altman, 63 Goodale Road, Mattapan, Mass. Kellogg's ALL-BRAN will help you too. Its "bulk" absorbs moisture within the body, forms a soft mass, gently cleanses the system. Tests prove it is safe and effective. ALL-BRAN is guaranteed. Try it a week. If not satisfactory, your money will be refunded by the Kellogg Company. Just eat two tablespoonfuls daily. Either as a cereal, or in recipes. How much better to use this food than to take patent medicines. Buy ALL-BRAN at your grocer's. Made by Kellogg in Battle Creek.

VICTIM OF NIGHTMARE SHOT MAY RECOVER

COQUILLE, Aug. 28.—(AP)—Frank Ware, 35, Springfield, Ore., showed improvement today after an operation for a bullet wound in the back. Ware was shot as he slept in a cabin near Port Orford last Tuesday night. State police were told that E. Roberts, 78, also of Springfield, who was with Ware, had a revolver with him as protection against a holdup and had a nightmare in which he thought he was being held up. Roberts was detained at Gold Beach, although no charges were filed.

LEAP FROM RUNAWAY TRUCK KILLS DRIVER

BAKER, Aug. 28.—(AP)—Floyd Pollard, 48, was instantly killed Wednesday in a truck accident on the Baker Mill road near Cornucopia after six men riding with him had jumped to safety. Pollard was hauling a nine ton ball mill from the Baker Mill site to the Cornucopia Gold Mines company on a truck. The truck collided with another on the hill and apparently the clutch slipped as the heavily loaded machine went out of control. Realizing he could not avoid a crash, Pollard jumped but apparently struck an obstacle as the roadside and fell back under the machine.

JAIL MORE GERMANS ON IMMORAL CHARGES

BERLIN, Aug. 28.—(AP)—A new series of immorality trials, similar to those which began last May at Koblenz in which 215 Franciscans were accused of improper relations with youths, are producing many prison and jail sentences throughout the Rhineland; it was learned here today. This time, however, persons from all walks of life are involved—merchants, government employees, industrialists, physicians, workers and clergymen.

SPEEDERS ALIBI GOOD BUT JUDGE UNMOVED

MILWAUKEE, Aug. 28.—(AP)—Taken to court on a speeding charge, Sam Strawitz offered this explanation: "I have hay fever, judge, and every time I sneezed my foot would go down on the accelerator. I couldn't help myself." "The most novel excuse I have ever heard," applauded Judge A. J. Hedding. "The fine," he added, "is \$10."
