Candlelight Rites Join Young Couple In Quiet Ceremony

In a quietly beautiful candlelight ceremony at 8 o'clock Friday evening, Miss Dorothy Hart Slead became the bride of Kelton C. Strader at the home of her parents, Mr. and Mrs. D. H. Slead, on Ross Court.

Bride and groom took their vows before a fireplace completely banked with pale pink and white gladioli against a green background of fern, tall white papers shedding a soft light over the room. The service was read by Dr. Sherman L. Divine in the presence of about 35 intimate friends and members of the families.

The bride wore a long-sleeved princess gown of white crepe and a coronet of orange blossoms, delicate color being given her costume by her arm bouquet of larkspur, bride's roses and gardenias. Bride and groom were unattended.

Mrs. E. N. Butler sang "Oh! Promise Me" preceding the ceremony, playing her own accompaniment on the piano, and also played Lohengrin's Wedding March and incidental music during the ceremony.

Mrs. D. H. Slead, mother of the bride, wore plum-colored crepe and the groom's mother, Mrs. Arthur Strader, was gowned in powder blue lace.

An informal reception followed the ceremony, with the bride cutting the wedding cake which centered the table. Mrs. P. N. Parrett poured and Mrs. H. R. Minto assisted about the rooms. Mr. and Mrs. Arthur Strader, of Eugene, parents of the groom, were the only out of town guests present.

The young couple left later in the evening for a wedding trip to San Francisco. The bride was wearing a rust-colored costume suit with brown accessories and a corsage of gardenias. They will return to make their home here after a week in the south and will reside at Durrell court.

The wedding has been of much interest to the many Medford friends of both bride and groom and a number of affairs are being planned to greet them on their return.

38th Anniversary Observed Tuesday By H. L. Wilsons

Mr. and Mrs. H. L. Wilson of 717 Oak street, celebrated their 38th wedding anniversary last Tuesday. The Wilsons have lived in Medford since 1907, and are receiving congratulations of their many friends. Aiding in the celebration was Mrs. Chatham C. Huling, of Marshfield, Ore., formerly Miss Kathryn Dunham of this city, who is a life-long friend of Mrs. Wilson, both having been residents of Burnetts Creek, Ind., during childhood days.

The Wilsons and the Dunhams came west at about the same time, living in Roseburg for a few years before the Wilsons came to Medford. Mrs. Huling has been a visitor in the valley for the past several weeks, being entertained at the home of Mr. and Mrs. Glenn O. Taylor during her stay.

Mrs. Wilson has been with the Weeks and Orr furniture store for many years and before that was associated with the Medford Furniture and Hardware store. The Wilsons had two children, one of which, Mrs. Orlean Glass, passed away in 1929. Their son, Walter L. Wilson, resides in Medford. They also have one grandchild, Richard LeRoy Wilson.

Mrs. Wilson, who has been a nurse in southern Oregon and northern California since 1908, has been in poor health for some time and is at present taking an extended rest.

VICTIM OF DREAM SHOOTING PASSES

COQUILLE, Aug. 29.—(AP)—Frank Ware, Springfield, Ore., died in a hospital here, apparently a victim, state police said, of a nightmare shooting.

Ware was wounded in the back as he slept in a roadside camp near Port Orford. State police said the bullet apparently was fired from a revolver which Ware's companion, E. Roberts, 78, had brought with him on their trip as a protection against a hold-up.

Roberts, held in the county jail at Gold Beach, remembered nothing of the shooting, state police said he told them, but recalled a nightmare in which he dreamed of being held up. A coroner's inquest has not been called.

FIRE HAZARD GROWS

ABSOLUTE inner-cleansing can not be attained with ORDINARY laxatives. Fishing out the CENTER of the intestines is at best a makeshift. Through habitual constipation, the WALLS of the intestines become heavily coated with age-old feces (waste matter) which ordinary laxatives will not dislodge. These hardened impactions stick like glue to the walls of the intestinal tract, and ORDINARY laxatives will not dislodge them, and they remain as germ and disease producing centers.

WORKED WONDERS
June 6, 1936
Dear Sirs—Have taken 1 1/2 bottles of Old Cherokee Iron Tonic. To my surprise it has worked wonders for me. I had pains in my back and legs and hips. I took this and that but of no avail, and to date I am completely relieved and feel as fit as a fiddle and naturally I feel very grateful and will recommend it gladly to any one suffering as I have for about two years now.

FINDS RELIEF
January 16, 1936
I had suffered from constipation for a long time. I tried everything but got nothing that gave me permanent relief. A friend told me about Old Cherokee Iron Tonic. I have taken three bottles, and feel like a different person. It really does what it says it will. I am writing this in hopes that other people will try Old Cherokee Iron Tonic and find the relief that I did.

CAUSES NO PAIN
April 13, 1936
Dear Sirs—I am on my third bottle of Old Cherokee Iron Tonic. The first bottle I took made me feel so much better. I had been feeling so sluggish and tired; my bowels weren't right. It can't be beat for constipation as it causes no pain or cramping.
