## GRAVELLE, CLARK 21-HOLE BATTLE FEATURE OF DAY

### Portland Star Downs Local Caddy After Stirring Struggle—Championship Round Starts 9:15 Today.

Headed by a brilliant field of out-of-town and local golfers, the eighth annual Southern Oregon-Northern California Championship golf tournament got away to a championship start yesterday, with the championship flight moving into the third frame and the first to seventh flights of regular play moving to the second round.

Probably the best and most exciting game of the day was turned in by Joe Gravelle, Portland ace, in the fifth flight, when he downed C. Clark, Medford caddy, after a terrific 21-hole struggle. The youthful bag teler turned in a sparkling performance but succumbed to the wiles of a veteran performer 1-up on the last hole. In that same frame Gene Thorndike, Medford banker, went to 20 holes before he managed to get 1-up on his opponent, Ed Nichols. Tomorrow Gravelle and Thorndike meet, and no odds are being offered in either's advantage.

In the first round of the championship flight yesterday Eddie Simmons, champ in 1933, downed Harold Burns 7 and 6, while Don Clark eliminated Jean Eberhart, Ashland Normal school coach, 3 and 2. In a second round struggle Simmons, the youngest member, downed Clark, one of the oldest, only 4 and 3.

Championship class, downed south-paw Bill Beers of Arcata, Calif., 2 and 1, but lost to the University of Oregon star, Sid Milligan, 8 and 7, in a second round test after Milligan had emerged from the first round victory 4 and 3 over Ward Beeny.

Pringle Comes Through  
Hank Pringle, former champion of the tourney, turned back Bob Woods of McMinnville 8 and 6, and Tom Emmons acquitted the hopes of A. E. Orr 4 and 2. In a second round encounter Pringle took Emmons 4 and 2, and will move today against Joe Ahern, long swatting Portland player. Ahern yesterday drew a bye in the first round as did Leonard Hasting of Klamath Falls, Ahern winning the second flight test 2-up on the 18th.

Cecil Stevens of Portland drew a bye in the first flight while Harry Ravizza, ranking Medford player, turned back D. T. Wilcox's threat 5 and 2. In the second round play-off, Stevens defeated Ravizza 3 and 2. Earl Tummy stopped V. D. Black of San Francisco, 4 and 3. Bill Rossen of Eugene downed A. F. Mansfield, former Medford player now living in Portland, 5 and 4. Rossen will play Stevens today.

Howard LeClerc defaulted to Bob Hammond in the first round, and Leland Clark drew a bye. In the play-off, Hammond edged out Clark 1-up. In the last championship round of the day H. Johnson turned back a real threat by Dick Sletzer 3 and

2, while H. B. Bentley, defending champion, beat down John Koke. Eugene stationer, 2 and 1 after a hard struggle. In the play-offs, Bentley eliminated Johnson 3 and 3, to move against Hammond today. Twelve out-of-town men were listed in the championship flight. Four former champions of the tourney, Simmons, Pringle, Hammond and Bentley were listed.

Mansfield Beats Orr  
In the second flight, including the 16 eliminated in the championship go, Beers and D. Wilcox drew byes. Mansfield beat Orr 3 and 1, while R. Woods was downing Beeny 3 and 2, and LeClerc drew a bye. Sletzer turned back Black 3 and 1, and Koke managed to stop Eberhart 1-up on the 18th. Bunce drew a bye.

In the third flight, positions drawn by qualifications, Roy Pruitt won by default over Marvin Clark of Grants and E. L. Childers thrashed J. McKinney of Treka 4 and 3. Pruitt Kellom won from Howard Scheffel and Childers will meet today. H. B. Hammond and R. B. Hammond downed Reginald Parsons 6 and 4. Hammond will move against Kellom.

L. Evanson, McCloud pride, won over Leonard Carpenter by default. Glen Jackson defeated William McAllister 7 and 6, Lee Watson won 1-up over Les Arvit, Klamath Falls high school coach, and K. M. Hout defeated Ivan Harrington 2 and 1.

In the fourth flight Charles Clay defeated E. E. Kelly 1-up on the 19th in an over-time struggle, and Dr. Harvey Woods of Ashland beat George Joli, 8 and 6. George Roberts turned in a surprise win over Hobart Price by virtue of outstanding golf winning 2-up on the last hole, while Glen Spencer of Arcata downed George Swartz 4 and 3.

Hatfield Downs Sims  
Dick Hatfield of McCloud, also playing in the fourth flight, battled out a 2-1 victory over Earl Sims, and George Hunt, Medford cinema tycoon, walloped Doc Boomer 6 and 4. Cap Deraney eliminated W. P. Brown of Arcata 1-up on the 18th, and M. L. Hallmark of Portland defeated Alfred S. V. Carpenter 3 and 2.

Prize money started off in the sixth flight by thumping R. H. Williams of San Francisco 4 and 3, and J. V. Watson outdrove and out-putted J. K. Byron of Portland to register a 3 and 3 victory. W. F. Biddle defeated John Cupp 2-up, and Stan Sherwood, playing what many believed to be one of his best games, downed E. C. Kelly of Portland 3 and 1.

George Henselman eliminated Dr. Eddie Durno 2 and 1, while Orin Schenck was turning the tables against Frank Rhoades, 2-up. The sixth flight saw A. R. Puchner, new Medford banker, hit his stride beautifully in dropping E. F. Evanson of McCloud 8 and 6, while George Codding battled to a 3-2 win over H. Bolse, W. H. Catey downed Frank VanDyke, young Ashland attorney, 5 and 4, and Bud Lattrel, Grants Pass ace shotmaker, defeated Harold Carver 4 and 3. R. B. Smith licked Gain Robinson 4 and 2, and Bob Kelly, hawser wriester, former local player, dropped C. C. Lemmon 3 and 1 to 89.

Sprague Riegel dropped M. O. Wilkins from the running 3 and 1, and Jerry Jerome saw his chances go glimmering when R. A. Botts eliminated him 3 and 1. No play was held in the seventh flight, with alternating to get under way this morning. Pairings find Earl Leaver of Ashland meeting George Nielsen, R. R. Harper facing Earl Rook, Sam Houston squaring away against Jack Simpson, and Ralph

## Scores Yesterday

NEW YORK, Sept. 5.—(AP)—The Boston Bees put a severe cramp in the Giants' pennant-bound parade today, knocking the league leaders over in both ends of a double header 6 to 2 and 7 to 3, behind some fine pitching by Danny MacFayden and Tiny Chaplin.

With the second-place St. Louis Cardinals winning their single start, the double defeat clipped the Giants' league lead to 2½ games and ruined their homecoming from their successful western invasion.

The defeat, however, did not out their 17½ game league lead, since the second place Cleveland Indians also lost their start. The nightcap went 12 innings, and then was called because of impending darkness.

## SIDNEY WOOD WINS FAIR PILOTS WIN MAJOR HONORS IN AERIAL CLASSICS

FOREST HILLS, Sept. 5.—(AP)—Sidney Wood of New York fought one of the bravest fights in the long history of Forest Hills famed center court today to win a five-set match from J. Gilbert Hall of South Orange, N. J., in the third round of the national tennis singles championship by 1-6, 2-6, 6-0, 6-3, 6-4.

For fully two hours they battled back and forth before a crowd of approximately 6,000. The rest of the program was routine. Every seeded player with the exception of Jacques Brugnon of France survived. Brugnon was beaten by John Van Ryn of Philadelphia, 6-3, 6-3, 6-2.

Both favorites, Fred Perry of England in the men's and Helen Jacobs of Berkeley, Calif. in the women's advanced, though Perry lost his first set of the tournament to Dave Jones, Brooklyn boy just arrived from Cambridge University.

Mrs. Jacobs defeated Cecilia Riegel, Philadelphia, 6-0, 6-3, and continued to look the class of the field. Betty Browning Captures Earhart Trophy Race—Thaden, Ingalis First Second, Ingalis First Flight.

By LLOYD S. DILBEK Associated Press Staff Writer LOS ANGELES, Sept. 5.—(AP)—Women fliers, who used to be classed as "powder puff" entries in air race events, captured the interest at the national air races here today. They stimulated the greatest response from nearly 75,000 spectators as word came that a feminine colleague, Mrs. Beryl Markham, had reached North American shores in the first woman's solo flight westward across the Atlantic.

At the air races, Betty Browning of Wichita, Kan., won the \$1500 Amelia Earhart trophy race of 25 miles with a speed of 156 miles an hour, more than two and one-half miles a minute, in a field of eight women fliers. Two Shine in Bendix Race Her victory came within 24 hours after two women had placed first and second in the \$15,000 Bendix trophy dash from New York to Los Angeles, always heretofore a man's race. The Bendix winners were Mrs. Louise Thaden, Bentonville, Ark., first, and Miss Laura Ingalls, Los Angeles and New York, second.

Miss Browning's victory was in the chief event of the second day of the four-day air race program of speed and stunts. After the Earhart trophy race came one with a much richer purse, but it was all for men, and interest seemed to lack in comparison. It was the \$2500 Shell trophy race of 10, miles. In the Shell trophy race, Harold Neumann of Kansas City established a new national air race record of 223 miles an hour and won first prize money of \$2400 plus \$1000 for breaking the record in the event.

Warren To Direct Beaver Publicity CAROLLAIS, Ore., Sept. 5.—(AP)—Carl Loddell, Oregon State college athletic director, announced today the appointment of Joe Warren, Portland, as director of publicity for this year's Beaver football team. Warren was graduated from Oregon State in 1932 and while here was active on campus publications. He was sports editor of the Daily Beaverton and the Beaver, senior annual, and in his last year edited the Beaver. He has done considerable publicity work in Portland since graduation.

Coaches Must Win To Keep Position SALT LAKE CITY, Sept. 5.—(AP)—Dr. Clifford Sweet of Oakland, Calif., charged today high school and college coaches are forced to drive young athletes to the breaking point to keep their jobs. The child specialist spoke before the Utah medical association. "The trouble is," he said, "that the coach loses his job if he doesn't win. They force him to make a devil of himself to stay on the payroll. What colleges and high schools should do is hire a man who knows football and is a gentleman. He should be a member of the faculty and shouldn't be dismissed except for cause."

118 Registrants The tournament has the largest of any registrations in its history, with a total of 29 outside visitors registered, bringing the entire registration to 118 entries. Several out-of-town golfers arrived too late to enter, but may be worked into qualifying rounds today. Prizes for the tourney will be presented Monday afternoon, following the 36 hole finals. To date all the survivors of the championship flight are given an even chance at the cup, with no favorites in the field so far. The championship round will start at 9:15 this morning, with the afternoon round for the semi-finals at 18 holes to start at about 1 o'clock. With some of the outstanding golfers on the coast entered, the play today is expected to be sub-par, and a good gallery will probably be on hand. The entertainment committee announced last night that everyone in the city is welcome to join the gallery and watch the play. Teeing-off will start at 8:30 this morning. Use Mail Tribune want ads.

## BASEBALL PUPILS IN WINDUP TODAY

The Medford Baseball school team, after a season of play that saw a brilliant team one week and a so-so squad the next, will wind up the season today with a return encounter against the once defeated Grants Pass Merchants.

In an earlier game the locals hit their stride and had no difficulty in whanging Grants Pass offerings into the outfield for frequent scoring. They are anxious to play a repeat performance today, and the Merchants are just as anxious to avenge the earlier defeat.

The game is called for 2 o'clock at the Josephine county fairgrounds, with a battery of local fans accompanying the team to the Climate City. The Medford team will leave the Senior high school field at noon sharp, and players are asked to be there on time.

# Mr. Reader: Electric Rates are Down 36%

Index numbers when from U. S. Bureau of Labor Statistics. Figures from 51 cities on food and 32 cities on other items. U. S. Department of Labor, 1935-6.

DO NOT BE MISLED. ELECTRICITY is the cheapest necessity you use. It continues to follow the trend started many years ago, with rates dropping while service is improving. The remarkable records that have been made in reducing the cost of current can best be realized through a comparison with past years.

This 36% decline in the cost of domestic electricity was possible because commercial electric companies have promoted the use of many convenient, healthful, labor-saving appliances now so generally used in modern homes. This reduction has been made in spite of steadily increasing taxes paid to National, State and County governments amounting to as much as 14 to 20 per cent of total gross revenue paid for the support of government by commercially owned electric utilities in the West.

It is the commercial power industry which has done and is doing the most to bring to the American home more of the blessings of electricity at a lower unit of cost.
