304 LOSE LIVES IN HOLIDAY MISHAPS

News Behind The News

By Paul Mallon
(Copyright, 1936, by Paul Mallon.)
WASHINGTON, Sept. 8.—The army generals, who look on the Spanish civil war solely as another technical military problem are figuring the rebels will win. They have thought for some days now it would be only a question of time until the government forces collapse.

Their theory has been that victory would be won by the side able to mass the largest force of regular, trained troops not those raw recruits you have seen floundering with guns for the movie news reels.

In the early days of the revolution, there was some doubt about the allegiance of the enlisted personnel of the Spanish army. The officers were mostly rebel sympathizers, but there was a grave question how long they could continue to rely on their men. Recent rebel victories in the north settled that question.

No reason now is seen why the rebels cannot roll up and defeat the government forces, one by one, in the north and pinch off Madrid in a "nutcracker" movement.

Note—State department diplomatic reports confirm the impression of instability at Madrid. For a few weeks authorities have been studying the possibilities of governmental collapse.

President Roosevelt has been working hard lately than since those early New Deal days of the banking crisis. For two days before he left on his trip he was in almost continuous conferences in preparation of his semi-annual budget statement.

The train ride afforded no opportunity for rest, and involved longer and harder hours than the usual campaign trips. In which the candid dates are generally protected as much as possible from the strain. Then, the night he returned he chose to make a radio speech.

Those who have followed the president's method closely have noted that he has developed a personal system which has enabled him to protect himself increasingly from the wear and tear of office. For one thing, he has an ability to concentrate on

EMBEZZLING DEPUTY GETS \$30,000 FINE

OREGON CITY, Sept. 8.—(AP)—Dave Palmblad, former Clackamas county deputy tax collector, was fined \$30,000 and sentenced to five years in the state penitentiary today by Circuit Judge E. C. Latourrette.

Palmblad had pleaded guilty to embezzling \$15,000 in tax money. His fine was in accordance with the requirement that the fine be twice the amount taken. He was to be taken to Salem this afternoon.

RECORD TRAFFIC BOOSTS TOLL IN AUTO ACCIDENTS

257 Deaths Attributed To Highway Smashups—20 Drown—12 Die In Airplanes—4 On Railroads.

(By the Associated Press.)
Accidents over the Labor day weekend took a toll of at least 304 lives over the nation, of which 257 were attributed to mishaps on the highways, a survey disclosed today.

New high travel records were set in many sections of the nation as holiday celebrants taxed transportation facilities in most states.

From coast to coast there were reports of greater travel than in any year since 1929, and one eastern railroad announced its business "35 percent greater than in any other year."

Coast Travel Boosted.
Railroad and highway traffic officers on the west coast estimated the travel increase at 25 percent over last year.

Highway accidents resulted in at least 257 deaths, while 20 persons drowned, 12 died in airplanes, four were killed by trains, four by falls, and seven by other accidental causes.

California led the nation in accidental deaths with 29 killed on highways, four drownings and a boy who was caught in a wrecker.

Pennsylvania was a close second with 28, including 11 dead in traffic accidents, 10 in the burning of an airplane after it crashed near Pittsburgh Saturday night, two by drowning and two by other causes.

Wins Second Tourney Title

Eddie Simmons, 19-year-old Medford golfing star who blazed his way to the top in the southern Oregon-northern California championship classic at the Rogue Valley Golf course yesterday, carding a sub-par 68 in the morning round on the par 71 course. Bill Ross, 17-year-old Eugene bomber, faltered before the almost superhuman competition and went down to defeat before Simmons on the 11th hole of the afternoon round, 8 and 7 to go. The victory was the second for the blond young Medford swinger, he having walked off with the same crown by brilliant golf in 1933.

Experienced players watching Simmons' long, true drives and his delicately timed putting predicted freely yesterday that he will go far in golfing circles. His victory came in a field of stars of a magnitude never before assembled in Medford, with outstanding golfers coming from all points in the state and from northern California.

A story-book touch was added to the victory when it was learned from friends that he had not been well during the entire tourney, and had been advised by many to seek the advice of a physician.

Another summer vacation over, between 2000 and 3000 Medford school children took up their books and presented themselves in classrooms this morning as the opening day of the fall term got under way. Incomplete reports on registration show 2181 enrolled at noon today, with distribution as follows: Senior high school, 450; junior high, 611; Jackson, 275; Lincoln, 226; Roosevelt, 276; and Washington, 343.

E. H. Hedrick, superintendent of city schools, emphasized the fact that no conclusions as to final enrollment can be made from these reports, as a great many students are working in orchards and fruit packing houses, and that many others are delaying registration for various reasons.

Only a 30-mile race for the \$3,000 Shell cup trophy remained to be raced today. The event was postponed because of threatening fog over municipal airport yesterday.

SIMMONS SHOTS SUB-PAR GOLF TO RECAPTURE TITLE

Medford Shot Maker Downs Eugene Star 8 And 7 In Final Of Southern Oregon-No. California Classic

Eddie Simmons, 19-year-old sensation of the Rogue Valley Golf club, yesterday slammed through the final match of the annual southern Oregon-northern California championship against Bill Ross of Eugene, carding a 68, three under par, in the morning 18 holes, and finishing strong to down his 17-year-old opponent, 8 and 7-to-go in the afternoon test.

Rosson, who the day before had reached his stride and downed Bob Hammond, former champion of the event, 4 and 3, outdrove Simmons consistently, but his short work was no match for the blonde Medfordite. On the outgoing nine in the morning Simmons carded a 33, three under par, while Ross turned in a 37. On the second nine Simmons continued his flaming performance, carding a 35 on the par 34 stretch.

Rosson, finishing the second nine in the morning round, began to falter badly after sticking close to par for the first four holes. He took straight fives on the last five for a 40, to go seven down to Simmons at the turn.

In the afternoon rounds Simmons parred on the way out with a 36, while Ross made a gallant try at a comeback, making the nine in 35, under par. On the 10th Simmons drove long and was on the green in two for a short putt and a par while Ross took a four. On the 11th Simmons birdied the par.

Matchmakers Active
Juliana, who is 27 years old, two years older than the nobleman who is to become her prince consort, frequently has been the object of solicitude for Dutch matchmakers.

They linked her name romantically for a time—with that of King Edward VIII of England as one of the five princesses "eligible" to wed the British monarch.

But Princess Bernhard and Princess Juliana met and fell in love during the war.

PRINCESS JULIANA OF NETHERLANDS WILL WED GERMAN

Plump And Jolly Heir To Throne Plights Troth With Smart Dressing Nobleman—Date Not Announced.

(Copyright, 1936, by the Associated Press.)
THE HAGUE, The Netherlands, Sept. 8.—A holiday romance in Switzerland was climaxed today by the royal announcement that plump and jolly Juliana, heir to The Netherlands throne, will wed a German prince.

He is Bernhard Du Lippe-Biesterfeld, a smart dresser, and expert linguist and an ardent devotee of sports. Juliana, too, loves the athletic life. Tennis her forte.

The date for the wedding was not announced.

When Juliana and the prince arrived at the royal palace here from the summer residence near Scheveningen, they were cheered by large crowds as they drove through the streets.

Flags were flown from public buildings and residences throughout the city.

Portland Fireman Gallops 28 Miles To Win \$20 Wager

PORTLAND, Sept. 8.—(AP)—It probably will be quite some time before attaches at a Portland fire station put up hard cash against Al G. Duan's chance of performing a specified physical feat—such as trotting 28 miles.

The 37-year-old Irishman, who opted in a casual conversation that he could run from Portland to Woodland, Wash., without stopping, went the equivalent distance around Portland's Swan island airport and pocketed an even \$20.

The unheralded run had but few witnesses at the start but he finished five hours and 45 minutes later, was seen by several hundred spectators. An airline ambulance and nurse stood by.

ASSESSORS OPEN 3-DAY CONCLAVE TO TALK DUTIES

The Oregon County Assessors' association opened a three-day session here this morning with 17 of the expected 32 county assessors in attendance. Four assessors not seeking re-election are not expected to attend.

The meeting was opened by an address of welcome by County Judge Earl B. Day of Jackson county, and a response by E. L. Pope, assessor of Clackamas county.

Today's sessions called for a report of the committee on assessment of city real estate. H. U. Welch of Portland, Multnomah county assessor, chairman, and a report of the committee on farm, grazing and timber land assessments. Mrs. Margaret Peets, assessor of Sherman county, chairman.

This evening the visiting assessors will be taken on a tour of the Medford packing plants, with a visit to

WATERWORKS FOR EAGLE PT. GIVEN APPROVAL OF WPA

Project To Cost Total Of \$16,364—Government To Grant \$7,364—Must Submit Complete Plans.

A telegram to the Mail Tribune today from C. C. Hockley, state director for the PWA, announced approval of allotment for the waterworks project at Eagle Point. The telegram follows:

"We have today received from Washington approval of allotment for waterworks project number Oregon 1008 located at Eagle Point. This approval is for a total of \$7365 and anticipates a grant cost for the project of \$16,364. It will be necessary to present as soon as possible completed plans, specifications and estimates after which this project will be advertised for bids which will be opened publicly. Contract will then be let to lowest responsible bidder whose bid was properly received at the opening.

"C. C. Hockley, state director."

WASHINGTON, Sept. 8.—(AP)—Allotments by the public works administration today included the following projects, covered by grants unless otherwise specified:

Oregon—Eagle Point, waterworks, \$7,364; Oakridge, bridge, \$11,564; Bend, auditorium and gymnasium, \$11,430; Brookings, school, \$16,757; Iton, \$5,100; North Powder, auditorium and gymnasium, \$9,000.

WINNING FRENCH SHIP SETS NEW TOP SPEED; SUBSIDY CHARGE MADE

LOS ANGELES, Sept. 8.—(AP)—The coveted Charles E. Thompson trophy, America's emblem of air speed supremacy, rested today in the possession of Lieut. Michel Detroyat of France.

Detroyat, flying a special-built Caudron-Ranault racer, which Col. Roscoe Turner of America charged was developed and paid for by the French government, finished over the 150-mile course of 15 ten-mile laps in record time of 264.281 miles an hour.

His speed, which reached 301 miles an hour in one lap, broke the record of 252.686 miles an hour hung up in 1932 by America's Major James H. Doolittle.

Detroyat's smashing victory, which he stoutly denied was the fruit of governmental subsidy, was the high spot of the official close of the 1936 national air show, acclaimed by promoters the greatest in its history.

Only a 30-mile race for the \$3,000 Shell cup trophy remained to be raced today. The event was postponed because of threatening fog over municipal airport yesterday.

PEARL ST. RESIDENCE DAMAGED BY FLAMES

A one-story frame house occupied by Mr. and Mrs. Donald See, at 549 Pearl street, was badly damaged by fire this afternoon. The roof was destroyed, the walls were charred and the interior of the kitchen was damaged. Loss was estimated by Fire Chief Roy Elliott at several hundred dollars.

The house was set on fire by a grass blaze, origin of which was not determined. The fire was discovered and reported by Mrs. James S. Leeper of 847 Pearl street. Mrs. See was reading in bed at the time. It took about an hour to control the fire, the recall alarm sounding at 2:40.

SAINT JEAN DE LUZ, France, Sept. 8.—Hope of saving beleaguered San Sebastian from anarchist-set flames all but vanished tonight with the refusal of advancing rebels to grant amnesty for the defenders in return for quick surrender of the city.

San Sebastian was reported in seething disension among various elements of government forces. Fighting in the streets between Basque nationalists, socialists and anarchists caused many residents to flee.

Four columns of rebels, meanwhile, advanced slowly without opposition through the territory adjacent to San Sebastian.

Three Medford boys, aged 8, 9 and 11 years, yesterday afternoon broke their way into the Groceria No. 1 at the corner of Sixth and Central streets and took soda pop, ice cream, candy, cigarettes, lunch meats and other articles, it was revealed by city police today. The boys will appear before Judge Earl B. Day in juvenile court tomorrow.

The trio gained entrance into the store by kicking in the wooden panel of a rear door, while returning home from a moving picture show at 5:30 in the afternoon, in broad daylight. They were arrested by city police at their homes this morning. One of the youths confessed that he had also stolen a flashlight and a wrist watch, the latter being taken from a local drugstore.

CCC CREW IS CALLED TO AID STATE PATROL BATTLE PROVOLT FIRE

Forty men from the Wimer CCC camp and a state patrol were this afternoon battling a fire across the Big Applegate river north of Provolt. The fire was discovered at 11 o'clock this morning and shortly afterward the district fire warden's office here received an emergency call for CCC help. The blaze, the office told, was spreading fast. While details were not immediately procurable, the warden's office said there was some timber on the burning tract.

State patrols were called to put out two fires yesterday. One cov-

Fair Visitor Shot In Leg By Own Gun

Bradshaw Up For Assault Hearing

Milton Bradshaw of the Trall district held in the county jail the past six weeks, on a charge of attempted assault with a dangerous weapon, and threatening the life of Sheriff Syd I. Brown, when arrested, was scheduled to enter a plea of guilty today before Circuit Judge H. D. Norton.

Sentence will be deferred. District Attorney George A. ... Bradshaw, a giant of a man, is alleged to have run amuck, during a neighborhood gathering, struck a neighbor with a stick of wood, and then fled to his home after a rifle. When Sheriff Brown and a member of the state police responded to an emergency call, Bradshaw is said to have stood behind a tree, threatening to shoot, and afterwards surrendered, first throwing his rifle away, and coming out into the moonlight with his hands up. He is also alleged to have become abusive and threatening, after arrest.

A petition asking for leniency for Bradshaw has been filed, the district attorney said. It was signed by forty residents of the Trall district, including some of those threatened by Bradshaw.

The district attorney's office said one condition of the plea for clemency was that he depart from Oregon.

Pleas For World Peace Mark Labor Day Talks

By the Associated Press
Pleas for world peace and unity among American labor unions lay before the nation today, as it pondered the speech-making that marked Labor day.

Some excerpts from addresses by well-known persons follow:
War and peace:
Secretary of State Cordell Hull: "We find today a lamentable absence of appreciation by many responsible and influential statesmen that these present warlike tendencies can only lead to world holocaust."

Governor Alf M. Landon: "We must have the strong will for peace. We must be ready to sacrifice short-run profits."

The schism in the A. F. of L.:
Governor Landon: "It is to be hoped that organized labor may continue its part in the struggle for higher living standards, and to be really effective it must be united."

William Green, president of the American Federation of Labor: "The enemies of labor will be the only beneficiaries of division, discord and
