Citel for Fire—E. A. Dorf, trail ranger, was under citation today to appear before Justice of the Peace W. R. Coleman Friday to answer a charge of burning slash without a permit on land under protection of the Rogue River national forest. He is accused of burning the slash without a permit on September 2, when he was cutting wood. K. P. McReynolds, assistant forester in charge of fire control, complained today that brush and rubbish fires created such great hazards that the law regarding permits must be rigidly enforced. Penalty upon conviction, he pointed out, ranges from \$25 to \$200 fine or ten days to 60 days imprisonment.

Returns from Leave—Eugene C. Golden, educational coordinator of the Medford CCC district, resumed his duties at headquarters here today following a week's leave of absence spent at his home in Oakland and in San Francisco. He spent yesterday at Camp Lava, Beds, where he witnessed a CCC field day.

Colivis Leave—Frederick and Bob Colivis, former residents of Medford now living in Eugene, who visited their aunt, Mrs. Myrtle Haskley, over the holiday weekend, returned home yesterday by motor. They were greeted by a large number of friends during their short stay here. Both attend the University of Oregon. They are sons of Mrs. Nina Colivis.

Ray who resigned recently to devote all his time to farming. Appointment to the position is made in Washington, D. C., on the basis of competitive bidding. Mr. Yoakum will begin his postal duties Friday.

Completes Vacation—Mrs. Vera Pymala returned to her duties at Medford postoffice today after spending a two weeks' vacation in California. FUGITIVE BRITES SEEK FOOD NEAR FT. BRAGG, CLAIM

The office of Sheriff E. L. Williams at Ukiah received a report today that the fugitive Brites brothers had been seen and Deputy Sheriff Earl Bishop was sent to investigate.

Ukiah, Calif., Sept. 8.—(AP) The sheriff's office received a report today that the fugitive Brites brothers, sought for the slaying of three men, had been seen at Rockport, about 90 miles south.

Supervisor William Thomas of Rockport telephoned to Sheriff E. L. Williams here that he had identified two men as the brothers.

Deputy Sheriff Earl Bishop left to investigate the report. John Brites and Coke Brites have been sought since two officers and a vacationer were shot and beaten to death near Yreka eight days ago.

MANY STUDENTS DELAY RETURNING TO CLASS ROOMS

will come to Medford this year. Hedrick stated.

Because of the record increase in new residents noted in Oregon so far this year, principally as a result of middle-western drought conditions, an increase in local school registrations was expected.

Students were to report for all classes today, although many classes had shortened periods and most were for the purpose of giving assignments and checking registration.

The majority of county schools opened today, although a few preceded the general opening by a week and some will not begin the term until next Monday.

Estimates of registration in schools outside towns of the county cannot be made until next week. County Superintendent C. R. Bowman announced, as results are always much slower coming in than are those in the city, and the various opening dates make the task of completing tabulations more difficult.
