

# Giants Drop Collegians 12-2 To Prove Professional Superiority

## DANOWSKI TOSSES OVAL TO BURNETT FOR BOTH SCORES

All-Stars Spend Much Time in Giant Territory, But Fumbles Costly—Blocked Punt Results in Safety

By Paul Mickelson  
Associated Press Sports Writer  
NEW YORK, Sept. 9.—(AP)—Dale Burnett, former prize of the Kansas prairie, and Big Ed Danowski, who used to carry the mail for Fordham, have taken care of the college-professional football argument for 1936.

With their New York Giant mates opening the door for them, the two flashy backfield hands applied the clincher to the pro side of the argument before 30,555 fans at the Polo grounds last night by defeating the College All-Stars 12 to 2, the largest margin of triumph since the College-Pro series started two years ago.

Passes Bring Scores  
As their all-star rivals fumbled away precious chances Danowski threw unerring passes to Burnett for the winning touchdowns.

In the second period, he crossed up the All-Stars by dropping back to the 10-yard stripe in enemy territory and throwing a bullet-like peg to Burnett for the first touchdown of the game. Midway in the fourth period, he tossed another perfect pass to his star receiver that was good for 22 yards and a touchdown.

The All-Stars, favored because of their seven-all time against the Detroit Lions, 1935 National league champions, at Chicago last week, spent most of their time in Giant territory. They easily outplayed the professionals but fumbles, mental lapses and a superior Giant line spelled defeat.

Safety in Second Period  
Instead of the four or five touchdowns they might have scored they had to be content with a second period safety, talked when Wayne Miller, former Notre Dame end, blocked Tony Staszak's punt, the ball crossing through the end zone.

The Stars' big chance came when Miller block and recovered Danowski's punt on the Giant 20 in the third period. With Alfense (Tuffy) Lemans of George Washington doing most of the ground gaining, they ploughed through to the enemy three red stripes. But, with a touchdown in sight, they suddenly changed their tactics for a lateral passing game and were stopped cold.

## WINNING RUN FOR THE GIANTS

Behind the four-hit pitching of Carl Hubbell, the New York Giants, led by Danowski and Burnett, beat the College All-Stars 12 to 2 in the final game of the Giants' last St. Louis Cardinal mates 2 to 1 in the final game of the Giants' last western trip of the season. And here's the winning run. Burgess Whitehead found the plate blocked by "Spud" Davis, but he reached Whitehead found the plate blocked by "Spud" Davis, but he reached around the hefty Cardinal pitcher to score on Hubbell's fly to Pepper Martin. ## BOWERMAN OPENS GRID WORK WITH SMALL TURNOUT

23 Given Initial Workout—Ten Are Veterans—Hard Grind Ahead if Tigers to Maintain Supremacy

Just 23 men reported for football at the Senior high school last night, the smallest initial turnout in many years. Ten of the men were veterans from last year's squad. Coach Bill Bowerman and Ed Kirtley, backfield coach, started work immediately on rough formations, and fundamentals of line and backfield play. A short period was devoted to passing practice, and limbering up exercises before the season was over.

Bowerman told the men that a tough season was ahead, and if the present edition of the Black Tornado was to get through the season without several disastrous setbacks, hard work would have to be the order of the day from now forward.

Veterans reporting were Floyd Baker, watch-fob guard from last season; Truman Bishop, stocky tackle; Bob Ettinger, little signal barker; Rex Gillinsky, back; Ray Lewis, one of Medford's best ground gainers last season; Robert Sauer, tackle; Phil Todd, reserve guard last year; Bob Wilson, center; Don Root, utility back and lineman, and Cecil Reich, end.

Baker Switched  
Indication that there would be a complete revision of team arrangement came when Bowerman lined the men up for signal practice, to work on three plays. Baker, who made All-Southern Oregon rating last year, was started at center and performed creditably at his new post. One of the scrappiest men on the squad last year, Baker will be depended upon greatly as the "spark-plug" of the '36 attack.

Banking Baker were Todd at right guard and Prentice, underslung junior high transfer at left guard. Sauer sat in his old position at right tackle and a new man, Benford, was working at left tackle. Root, who worked at both half back and center last season, was outside man at right end, showing considerable adaptability at the post, and Wilson was holding down the other end, the first opportunity he has had at that important post.

Baker, a rangy and fast transfer from Phoenix turning out for his first football worked at quarterback to do the blocking, with Ettinger at right half and Lewis at left half. Et, another Junior high transfer, worked at fullback. Another backfield saw Gillinsky at left half, Tyler, a new man from Kerby, at fullback, and Jack Bowman, scarlet-topped lumberer from this spring's track crewfight championship, just one minute and 58 seconds to knock out Tommy Ganzon, Filipino, in a scheduled ten-round bout here last night.

Armstrong left-labeled his opponent off balance and crooked him down with a right to the jaw.

Loughran Unwilling to Fight Joe Louis  
SAN FRANCISCO, Sept. 9.—(AP)—Declaring he wouldn't fight a negro unless the world's championship was at stake, Tommy Loughran declined an offer of \$35,000 and 27½ percent of the gate receipts to fight Joe Louis, Detroit negro, in Philadelphia, October 12.

the ever dangerous Chemawa Indians here, and on the following week, October 10, the Black Tornado will blow into Marshfield for one of only two away-from-home struggles of the year. October 17 will see the Roseburg Indians here, with Grants Pass bringing her husky squad here the next week, October 24.

Klamath Falls, considered the team to beat in this sector of the state will invade Medford the last day in October, before what is already being predicted as the largest crowd of the year if not of all time. The Red and Black will then have an 11 day lay-over until Ashland is met here on Armistice Day. Bowerman considers the wait a trifle too long, and may schedule another team for the preceding Saturday, he said.

Windup in Salem  
The last regular game of the season will be November 21, when a Medford team travels to Salem for the first time in the long athletic relationship between the two schools. Salem will return to the Medford gridiron in 1937.

There will be no championship game in Portland this year for any Oregon high school, the metropolis

## LAKE PATH EASY FOR DUDE CHICK

All those who have been to Crater Lake and descended the winding trail to the water's edge, are familiar with the heart breaking climb to the rim. Many have discovered that by leaping and sauntering they can get to the top in about an hour and ten minutes without any particular effort, but that if they hurry they will clip only a few minutes off their time and arrive at the lodge breathless and with their hearts pumping rapidly.

Rangers at the lake believe that the standing record for the mile ascent is 21 minutes. Dude Chick, powerful ex-coopuncher now sweating in this sector, Sunday afternoon made the climb in just 16 minutes flat, it was learned today. The piston-like legs that enable the big grappler to deliver the most devastating air-plane spins ever seen here, carried him at a break run from the bottom to the top without a single stop, it was stated.

Chick will wrestle a main event here Monday against an opponent not yet selected, Promoter Mack Lillard said that he had many requests to rematch Chick and George Craig, after Craig's impressive showing last Monday, but that no arrangements had as yet been made.

and two, and Mrs. Jerome and Miss Pusey were to settle their differences this afternoon. The winner will move into the finals tomorrow.

The winner of the consolation tourney will take third place in the tournament won by Mrs. Belle Thompson, who received the Orr trophy. She defeated Mrs. Dorothy Black of Livermore, California. To Mrs. Black went the Stevenson trophy, offered by Ralph Stevenson of Medford.

## EDDIE JOOST TO CINCINNATI REDS

CINCINNATI, Sept. 9.—(AP)—The Cincinnati Reds announced today the purchase of \$65,000 worth of baseball "ivory" from Nashville of the Southern association, and the acquisition for \$25,000 of Eddie Joost, 19, third baseman of the San Francisco Missions.

President Powell Crosby, Jr., of the Reds said the Joost deal also involved cash and five players, as yet not designated.

SAN FRANCISCO, Sept. 9.—(AP)—Eddie Joost, young San Francisco Missions third baseman and shortstop, leaves by plane tonight to join the Cincinnati Reds of the National league.

Joost, a right-handed hitter, has hit around .280 during the season. He is a clever base runner and a good slider. He joined the Missions as a high school boy in 1933.

McPhail said Joost will play shortstop.

ARMSTRONG FLATTENS GANZON IN JIG-TIME  
STOCKTON, Calif., Sept. 9.—(AP)—It took Henry Armstrong, Los Angeles negro champion to the world's featherweight championship, just one minute and 58 seconds to knock out Tommy Ganzon, Filipino, in a scheduled ten-round bout here last night.

## WHITE SOX PROVIDING GREATEST SURPRISE IN AMERICAN LEAGUE

(By the Associated Press.)  
Although the American league is ready to take the pennant out of its winter wrappings, dust it off and award it to the Yankees, more attention is being paid the White Sox these days.

The Yanks may settle the matter of winning the flag before nightfall, as they need only one more victory to clinch and can accomplish that as they open their final western tour at Cleveland against the Indians, one of their two surviving rivals.

With all due respect to the Yankee power, however, and the astonishing climb of the New York Giants, Jimmy Dyke's Chicagoans probably will go down as the big surprise of the 1936 pennant chase. They have made the experts look sick by climbing into the first division and staying there, and they threaten to top all comers except the Yanks themselves.

The Sox, hampered by injuries and hard luck much of the season, made good their stab at second place by bowling over the Tigers, 7-5, in the

## U. S. C. PROSPECTS BEST IN YEARS

CORVALLIS, Ore., Sept. 9.—(AP)—Coach Lon Stiner of Oregon State college, in commenting that his grid prospects this year were the best since the memorial "iron man" team of 1933 said he believed the University of California's Golden Bears would lead the Pacific Coast conference this fall.

He named the University of Washington in the runner-up position, with the University of Southern California third, and placed Stanford by a shade over Washington State college for fourth.

The mentor rated the University of Oregon and the University of California at Los Angeles on par but declined to rank his own squad.

PIPE LOVERS AGREE THIS TOBACCO IS "THE NATIONAL JOY SMOKE"

ROY HAWKINS liked Prince Albert from the very start. "The first time I opened one of those big red tins, I found P. A. a pleasant surprise," he says. "What a marvel! And I noticed that the flakes are shaped differently. That's why each P. A. pipeful burns slower and cooler and lasts longer. Each of those big red economy tins holds around 50 pipefuls. That's a real saving."

BEING SEALED IN TIN, PRINCE ALBERT STAYS FRESH AND FRAGRANT

THE 'NO-BITE' PROCESS TAKES OUT ALL STING AND HARSHNESS

P.A. HAS PLENTY OF HONEST-TO-GOODNESS FLAVOR AND RICH, RIPE TASTINESS

"EACH PIPEFUL of Prince Albert burns slower and cooler," says Bob Wright (above). "Every time I compare that big red economy tin with ordinary packages, I'm glad I'm a P. A. smoker."

PIPE SMOKERS, HERE'S A NO-RISK OFFER THAT'S TOO GOOD TO MISS  
Smoke 20 fragrant pipefuls of Prince Albert. If you don't find it the mildest, tastiest pipe tobacco you ever smoked, return the pocket tin with the rest of the tobacco in it to us at any time within a month from this date, and we will refund full purchase price, plus postage.
