Students Leave for Early Openings of California Schools

The early openings of many schools, particularly in California, find a number of Medford sons and daughters leaving to resume studies after a summer of vacation.

Mr. and Mrs. David Rosenberg left this week-end for Menlo Park, where their son, David, Jr. will enter preparatory school. The Rosenbergs plan to spend a few days in San Francisco and the bay district, shopping and seeing friends before returning home.

Also recently departing for school in the south was George Gates, grandson of Mr. and Mrs. C. E. Gates, who will enter a California military school.

The Misses Helene and Jeanne Sade will leave Tuesday evening for Ross, Calif., to continue studies at Katherine Branson's school. They are the daughters of Mr. and Mrs. Louis Sade, Jr.

Miss Margaret Mary Mann, daughter of Mr. and Mrs. J. C. Mann, will leave by train this evening for Mills college, where she will study this year.

Dennisons Hosts To Recent Guests

Visitors in the valley are Mr. and Mrs. Melville Stine, Jr., of Oakland, Calif., who are house guests of Mr. and Mrs. Nick Kime. Mrs. Kime is a sister of Mrs. Stine. Other guests at the Kime home are Wally Turner and his daughter, Sally Ann, also of Oakland.

The visitors plan trips to a number of scenic spots in southern Oregon before returning south.

Out-of-town guests here for the ceremony include Miss Vera Davis, of Yreka, Calif.; Mrs. Eugene Jackson, of Klamath Falls; and Mr. and Mrs. Charles Spindler and Miss Ruth Hanscom, of Ashland.

Miss McAllister has spent the greater part of her life in Medford and has been much entertained by numerous friends since announcement of her betrothal August 14.

Mr. Phares has been a resident of the city for some time and has become well acquainted here. Their wedding has been the object of much interest by their many friends in the valley.

Eastern Guests Visiting Here
Visiting Medford relatives and friends are Miss Marion Gates and her brother, John Gates, of Milwaukee, Wis., who arrived in Oregon by plane from the east last week. They are the guests of Mr. and Mrs. John C. Mann and are also visiting Mrs. Horace Gates.

Assisting Miss Poffenbarger will be Marcia Van Dyke, young violinist, and Sebastian Apollo, pianist.

Both Miss Poffenbarger and Miss Van Dyke are familiar to Medford audiences. Miss Poffenbarger is frequently heard as a choir soloist and gained much notice when she appeared in a leading role of the high school opera, "Pirates of Penzance," last spring.

Miss Van Dyke, whose first appearance here two years ago was warmly received, won further commendation in consequent appearances with the junior symphony orchestra, of which she is concertmaster. Phares-McAllister Vows To Be Taken At 1 o'Clock Today

Before a large number of relatives and friends, Miss Marguerite McAllister, daughter of Mr. and Mrs. J. E. McAllister and Wiley Phares, son of Mr. and Mrs. L. W. Phares of Pasadena, Calif., will take their marriage vows at St. Mark's Episcopal church at 1 o'clock this afternoon. Rev. E. S. Bartlam will perform the ceremony.

Miss Helen McAllister will attend her sister as maid of honor and Robert Elson is to be best man. Wedding marches by Mendelssohn and Lohengrin will be played on the organ by Miss Dorothy Burgess. The ceremony will be performed against a colorful background of seasonal blooms in pastel shades, complementing the delicate shade of the bride's gown.

Miss McAllister will wear an ankle-length gown of pale blue taffeta with a matching tulle and taffeta petal cap completing the costume. She will carry a bridal bouquet of valley lilies and rosebuds. The maid of honor will wear a similar gown of peach taffeta and a corsage of gardenias.

The church service is to be followed with a reception at the home of the bride's parents. The young couple will leave immediately after for a two weeks' honeymoon in the south. They will spend a large part of their time in Pasadena and Los Angeles, where much entertaining is being planned for them by members of the groom's family and friends.

Upon their return, they will be at home to friends at 505 Park avenue in this city.

Out-of-town guests here for the ceremony include Miss Vera Davis, of Yreka, Calif.; Mrs. Eugene Jackson, of Klamath Falls; and Mr. and Mrs. Charles Spindler and Miss Ruth Hanscom, of Ashland.

Miss McAllister has spent the greater part of her life in Medford and has been much entertained by numerous friends since announcement of her betrothal August 14.

Carpenters Leave For Eastern Stay

Spending the fall months away from Medford will be Mr. and Mrs. Alfred S. V. Carpenter, who left this week-end. Mr. Carpenter left by train last evening for the east.

Mrs. Carpenter will see their children safely in school before joining her husband in the east. She left this morning with Julie and Harlow Carpenter for California, where Miss Julie will continue her studies at Katherine Branson's school at Rose and Harlow will enter Norton school at Claremont, Calif.

Mrs. Carpenter expects to leave for Boston from California the latter part of this week, where she will meet Mr. Carpenter. They will spend the next few months traveling and seeing friends in various eastern cities, expecting to return here after the Thanksgiving holidays.

Clubs and Society Making Plans for Seasonal Activity

As late summer fades into early fall, increased activity can be noted on all sides but is particularly emphasized as the many clubs and other organizations schedule first meetings after a summer of suspended or modified programs.

The Travel Study club has announced its first fall meeting for tomorrow afternoon at 2 o'clock. Mrs. Walter Fraser Brown will be hostess to the group at her home. The special program which has been arranged will include current events by members, and those in charge state that all members are requested to be present.

Also announcing the first session of the fall season is the Business and Professional Women's club, which will be entertained tomorrow evening at the home of Mrs. Maude Snider, at 16 North Orange street. Mrs. Mabel C. Mack, new president of the group, requests all members to be present as important business for the coming year is to be discussed. She also issues a cordial invitation to any women interested in becoming associated with the Medford group of the organization.

Practically all club groups of the area and valley declare a vacation period starting in June or July, although some hold to skeleton schedules throughout the summer months. Even purely social groups find summer entertaining much more practical if informal and gatherings at summer homes and an occasional luncheon in town take the place of more elaborate functions. Now, however, one hears on all sides plans for larger dinner parties, more formal dances and innumerable afternoon affairs to enliven winter days.

Mary and Martha
The Mary and Martha circle of the First M. E. church will meet for luncheon Tuesday afternoon at 1 o'clock at the church. Members are requested to bring a covered dish and service.

Many Preparing For Fall Terms

From upstate comes news of plans for the opening of schools and colleges, with sorority and fraternity committees already holding sessions to outline rushing and social activities for the fall term.

The majority of young Medfordites will trek to the University of Oregon at Eugene and Oregon state college at Corvallis, and at present are in a great flurry of packing, shopping and gathering up things in general for a year away from home.

It is only to be expected that studies will suffer a little for the first few weeks what with the students meeting new friends and greeting old ones and social gatherings in general, to say nothing of patriotic interest in the first football game.

Many members of last year's graduating class of the Medford high school will enter school this fall, while a number of others will return to continue college careers. The greater number will depart next week-end, although some who travel to out of state schools will leave earlier or later.

P. E. O.
Chapter BE, P. E. O. will meet Tuesday evening at 7:30 o'clock at the home of Mrs. Louis Brown, 737 West Jackson street.

Residents Return During September At Vacation End

The annual trek of homeward bound vacationists reaches its peak during the month of September, the opening of schools and renewal of activity in business and social centers necessitating the return of residents with a sigh for vacation-end but with renewed interest in home and duty.

Among those recently returning are Mr. and Mrs. A. E. Reames, who arrived home Thursday evening by motor from Washington. Mr. and Mrs. Reames have been vacationing in the northern state for the past five weeks. They spent most of their time as the guests of Mrs. Reames' mother, Mrs. Edward J. Lanning, of Tacoma. Mrs. Lanning entertained her daughter and son-in-law at her summer home at Sunrise Beach in Oig Harbor, where they spent the greater part of their stay.

Numerous short excursions to scenic spots in the vicinity provided variety and Mr. and Mrs. Reames have returned with a memorable vacation behind them.

Mr. and Mrs. Reames were joined in the north by their son, Edward, following the close of the University of Oregon summer session. He remained in the north and will return to Eugene next week-end to continue studies at the university law school.

Exercises Planned For D.A.R. Session

Mrs. R. H. Wilcox will be hostess to the members of Crater Lake chapter, Daughters of the American Revolution, at her country home next Saturday afternoon. She will be assisted by Mrs. H. E. Armstrong.

A special program is being planned in observance of Constitution Day, which falls on that day, and those in charge have announced that outstanding features have been planned. As this is the first meeting of the new year, all members are particularly urged to be present to aid in outlining work for the ensuing season.
