

Hubka Hopes To Lift Cowboy's Crown In Armory Grapple Tonight

EX-FOOTBALL ACE CLAIMS SOLUTION FOR DEADLY SPIN

Supporting Card Pits Clever Arab and Les Wolfe — Pat O'Brien and Blacksmith Craig in Opener

Attendance at the weekly grunt fest at the Armory, boosted steadily through the past four weeks, is expected to zoom again tonight with Joe Hubka making a desperate bid to lift the crown from the head of Dude Chick as southern Oregon's ace grappler, and with a powerful supporting cast.

Hubka trekked half way across the continent for the chance at the big ex-cowhand, and does not intend to

let the opportunity slip if he can help himself. He has watched on four successive week-ends while Chick spiraled enemies into a coma with his airplane spin, and believes he has the solution of the perplexing problem of thwarting centrifugal force.

Prince Sikki Mihalakis, absent for several months, returns to face the task of putting the sting on Les Wolfe's limber legs in the middle event. If the Arabian succumbs to Wolfe's figure-4 hook scissors it will be his own fault, for he asked for the assignment himself.

The opener sees Pat O'Brien, Irish hot-head, pitted against Geo. Craig, the Tulsa Blacksmith, who last week gave Chick a terrific struggle in the main event. Chick said after the battle that Craig was one of the strongest men he ever met in the ring.

The opening tussle goes on at 8:30, with that match and the middle main event under the Australian rules. The main go will be under American law.

Lelivelt Through As Angels Manager

LOS ANGELES, Sept. 14.—(UP)—Jack Lelivelt, manager of the Los Angeles Pacific Coast league baseball club for eight years, will not be at the helm of the Angels next season, Robert A. Cronin, sports editor of the Illustrated Daily News, will say today.

According to Cronin, the Angels' manager's contract, which expired at the close of the 1936 season this afternoon, will not be renewed and Harry "Truck" Hannab, veteran catcher, will succeed him as manager.

Lelivelt is expected to head east for the world series and try to get a job as a scout for one of the major league clubs.

OWENS HOPES HEARING WILL RESTORE STATUS

NEW YORK, Sept. 14.—(AP)—Jesse Owens planned to return to Cleveland today for a "hearing" which he hoped would pave the way for the restoration of his unimpaired amateur status and permit him to run in the Caledonian games at the Yankee stadium next Thursday.

Indications were, however, that the Buckeye Bullet would have to remain on the sidelines unless a lot of other performers who are scheduled to compete are willing to risk suspension.

TITLE CLINCHED FOR BEAVERS BY 4 TO 3 THRILLER

Portland Outfit Divides \$2500 Pot — Chance for \$7500 Share in Play-Off Starting Tomorrow

(By the Associated Press)

Portland's hustling ball club was \$2500 richer today and its players will battle for the lion's share of an additional \$7500 as first-division clubs tangle in the Shaughnessy play-off starting tomorrow.

The Beavers meet Seattle, which finished fourth in the race, in Portland tomorrow night, while Oakland and San Diego, tied for second and third, clash in Emeryville.

Portland clinched first place in the season's standings Sunday by grabbing a 10-inning 4-3 thriller from Seattle, while the aroused San Francisco Seals dropped the Padres, 5-3.

San Diego's bid for first money was lost when the Seals hammered Howard Craghead opportunely, while the Beavers were taking their fourth win of the week from the Indians.

Oakland, with a chance to tie for first if Portland lost, was deprived of this opportunity when the Beavers won, but the Oaks topped Sacramento in a double header just the same. The scores were 6-2, 12-4.

The second game in Portland was called in the fourth because of rain, but its outcome means nothing in the standings and will not be played.

The San Francisco Missions and Los Angeles split their double header and ended the season in a tie for fifth and sixth places. The Scraps won the first, 7-4, and the Reds the nightcap, 4-2.

Winners of four games in the first round of the play-off will meet next week to determine the official winner of the Coast league pennant.

THREE GOLF TOURNEYS ON PORTLAND PROGRAM

PORTLAND, Sept. 14.—(AP)—Golf is filling an important role in Portland's sport calendar this week with three major tournaments on tap.

This morning 56 women divot-diggers teed off at Lake Oswego country club in the Oregon Women's Golf association closed championship. Simultaneously, play started at Tualatin Country club in the Oregon senior men's tournament. The latter event will last through the week.

Tuesday, more than 20 northwest professionals will battle for the northwest's three places in the Professional Golfers' association national championship.

GIANTS, CARDS DIVIDE TWIN PROGRAM BEFORE RECORD FAN TURNOUT

By Associated Press. The Giants are breathing easier today. The worst is over and they're still 8½ games in front of the National league pack.

In the "record breaking-est" day of the season, if not of several years, they met the challenge of their closest rivals for the National league flag, the St. Louis Cardinals, yesterday and came through with an even split in a doubleheader to maintain their pace-setting margin.

The biggest crowd in National league history, an overflow throng of 64,417, jammed the Polo Grounds to the rafters to see the Giants and the Cardinals.

The American league champion New York Yankees walked eight homers in taking a doubleheader from the Browns to bring their total for the season to 175, setting a new major league record for four-base blows and for extra bases on long hits in one season.

Young Bob Feller, the Cleveland Indians' schoolboy sensation, fanned 17 Philadelphia athletic battlers to better Rube Waddell's American league record for strikeouts in a game.

Portland Strike Crisis Seen Near

PORTLAND, Ore., Sept. 14.—(AP)—Several hundred foundry workers, teamsters and mill workers remained idle today on three strike fronts in Portland, but there were indications at least one of the controversies would reach a crisis soon.

Foundry workers advertised for men to work. A. E. Bird, iron workers' business agent, said picket lines would be tightened. Adolph Fahnauer, secretary of the union, said he doubted that sufficient skilled men to reopen many of the 13 closed plants would be obtained.

No new development came in the strike of teamsters and warehousemen at the Blumauer-Frank wholesale drug company.

POPE PIUS CALLS WORLD TO OPPOSE COMMUNISM EVIL

(Continued on Page Ten.)

words themselves did not stumble. The devout heard the plea for a militant defense which, the pope acknowledged, would be "both difficult and dangerous, for it is only too easy for the very ardor and difficulty of defense to go to an excess which is not wholly warranted."

Lesson in Spain. Nevertheless, he said, the crisis in Spain is a "school in which the most serious lesson is being taught to Europe and to the whole world—to a world now at last wholly stepped, ensharped and threatened by subversive propaganda, and more especially to a Europe battered and shaken to its very foundations."

"The tragic happenings in Spain speak to Europe and the whole world and proclaim once more to what extent the very foundations of all order, all culture and all civilization are being menaced."

A curious feature of the speech, which was delivered in Italian and translated in English, German, French and Spanish, was the fact that the holy father not once used the word "communism," although Vatican sources said the major portion of it was directed against it.

He spoke of "forces"—"forces of subversion"—and the like. Once, it was believed the pontiff had in mind his own gradually weakening physical forces when he said: "We, ourselves, are now so near our day of final reckoning."

The holy father said the Catholic religion is the "one real obstacle in the way of those forces which have already given a sample and measure of themselves in subversive attacks of every kind and order from Russia to China, from Mexico to South America."

74 DIE AS SLIDE SENDS WAVE OVER NORWEGIAN TOWNS

(Continued from Page One.)

disaster in 1905 in which 60 were killed, was swept another 300 feet higher by the immense wave.

The water pushed a mile inland at some points, destroying an electricity plant, sawmills, roads and bridges.

Most of the survivors in Bodal and Nesdal—only about 20 were saved, and 13 of them were in serious condition—lost all their possessions.

"The avalanche made a noise like thunder," said one of those rescued. "Nothing is left of my family or my home—everything is gone."

Ickes' Foster Son Again In Smashup

BOSTON, Sept. 14.—(UP)—Police said tonight that Robert H. Ickes, 21, foster son of Secretary of Interior Harold L. Ickes, was involved in his second automobile mishap within a month Saturday night and that five persons claimed to have been injured.

On August 25 young Ickes was acquitted in Winchester on a drunken driving charge.

Last night's accident was said to have occurred at a street intersection in Boston's south end, John F. Kerins, 21, of Roxbury, driver of the other car, filed a report of the accident, according to police.
