REQUEST IS MADE FOR CITY TO PAY MISHAP EXPENSE

(Continued from Page One.)

phragm and an injured lung. Her backbone, he added, was still out of alignment.

The council adopted a resolution calling for a regular city election on November 3 from 8 a.m. to 8 p.m. City officers to be elected are mayor, recorder, treasurer and one councilman from each of the four wards.

When no protests were registered, the council adopted an ordinance for the paving of South Holly street between the south end of the present paving and the south line of lot 10 in block 5, South Park addition. Cost of the improvement is to be assessed upon fronting property in proportion to the amount of frontage, the ordinance provided.

Asks Parking Study.

A codified zoning ordinance which had been up for public hearing several times was adopted, passing in second and third readings last night.

Councilman J. F. Fliegel called attention of the public safety committee to the asserted parking of automobiles at theaters. There is an ordinance against parking at theater entrances and it ought to be enforced because parked cars endanger children attending the shows and create a hazard in case of fire, Mr. Fliegel said.

Councilman J. F. Erickson said the parking of bicycles at theater entrances also is a menace. Both parking problems were referred by the mayor to the public safety committee.

ORGANIZED LOBBYING FOR BENEFIT OF FEW RAPPED BY GOVERNOR

PORTLAND, Sept. 16.—(AP)—Governor Martin, speaking before the Rotary club here today, said that at each session of the legislature groups are organized to obtain enactment of laws for the benefit of a select few and usually at the expense of the general public.

"There is a tendency on the part of the counties to shift their burden of cost onto the state," the governor said. "That movement has recently crystallized in the formation of an association of Oregon counties.

"The purpose of this group is to lobby before the legislature, and we have pressure groups which are trying to foist upon us a state bank, and, of course, the old myth of free power without cost to the taxpayer.

"I recommended to you that some effort be made to send substantial and reliable citizens to the legislative session of 1937 who will exert their efforts on behalf of the general taxpayer and counteract the pressure brought by these selfish and self-seeking groups."

Youth Is Held On Extortion Charge

WASHINGTON, Sept. 15.—(AP)—J. Edgar Hoover, director of the federal bureau of investigation, reported today that federal agents had arrested a 16-year-old youth at Atlanta, Ga., for mailing a $25,000 extortion letter to the mother of Shirley Temple.

The youth, Frank E. Stephens, confessed, Hoover said, to mailing the letter which on August 7 demanded that Mrs. Temple in Hollywood send $25,000 to "Curtis Palmer," at an Atlanta address.

Dead Man Is First In Tucson Primary

TUCSON, Ariz., Sept. 16.—(AP)—Two hundred and fifteen unsuccessful candidates hung their heads in defeat today as Tucson's primary election constable race came to an official close with a dead man topping the list.

Ahead with more than 1000 votes was the name of Fred ("Kid") Wilding, who was unopposed in either party when he died several weeks ago.

SOUTH AFRICA BOYCOTT THREAT WORRIES U. S.

WASHINGTON, Sept. 16.—(AP)—A threatened boycott of American products in South Africa—one of this nation's most profitable markets — presented the state problem today with a serious problem.

South African wine and fruit producers are conducting the campaign to boycott American products in favor of purchases from England and other British countries, officials said. The South Africans protest that American import regulations discriminate against their products.

Two Pardoned

SALEM, Sept. 16.—(AP)—Governor Martin issued conditional pardons today to Albert Ford and Henry Balcom, serving terms in the state penitentiary. Ford, serving a 15 year sentence for assault while armed with a dangerous weapon, was committed September 20, 1927, from Multnomah county. Balcom was received from Wasco county June 7, 1934 to serve three years on a grand larceny charge.

Ex-Fire Chief Dies

BAKER, Sept. 16.—(AP)—Frank H. Grabner, former Baker fire chief, who served with the local fire department for 27 years prior to December 4, 1934, died at the home of his sister, Mrs. Jennie Pratt, in Ashland, Calif., this morning following a lingering illness.

MIDWEST DROUGHT PUTS NEW BURDEN ON COAST STATES

BEND, Sept. 16.—(AP)—The droughts hardships of the midwest are imposing new responsibilities upon Pacific coast states, which may find a solution for them in a long-time development of reclamation, Robert W. Sawyer, Bend publisher and one of the west's leading figures in irrigation, said today.

Sawyer, returning this week from a meeting of directors of the national reclamation association at Salt Lake City, said the constant influx of drought fugitives "which is apparent even to the casual traveler watching from a train window," was a problem needing a sounder solution than aid through relief.

"There is a great opportunity in the west for special crops, which may be developed by the people migrating westward, but unless we have a comprehensive reclamation program these people are likely to drift to unproductive land, attempt unsuccessfully to farm it and eventually appear on relief rolls," he said.

The publisher, president of the Oregon reclamation congress as well as the Oregon director in the national association, said the immediate problem was to obtain from the next congress about $50,000,000 or $60,000,000 to carry on work already started in the west.

This question, as well as an expansion of the activities of the national association, will be outstanding in discussions at the annual convention November 21-22 at Spokane, he said.
