CAST IRON
Only \$6 down
63⁵⁰

\$6 Monthly Small Carry-ing Charge **18-Inch Complete**

ALL Cast Parts Are Wardco Iron*

We're proud of this furnace... it's the equal of any other cast furnace built—regardless of price! And *no other furnace* has all of Wards features! This complete perfection of construction and design has brought Wards thousands of satisfied customers—customers who enthusiastically claim: "... it's the finest furnace made!" Come in to Wards Plumbing and Heating Department... check every feature of this furnace... compare both quality and price with any other cast furnace... convince yourself that Wards cast furnace is absolutely the best buy in every respect!
*Wardco Iron is a new, tough alloy that gives years of extra efficient service to your Ward furnace!

Inspect these features: 1-piece extra-large radiator; large, fuel-economizing combustion chamber; big 2-piece firepot that holds fire easily overnight; easily operated Wardco Iron* grates; gas-proof and dust-proof slip-on front; galvanized inner lining... no heat seepage.

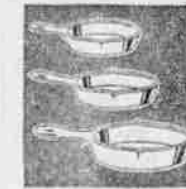

Wards Engineering Service is free! Wards Engineering Department will give you, without charge, accurate estimates on the cost of installing your new furnace!
