

Tigers Will Initiate New Turf Field In Clash With Eureka Saturday

CALIFORNIANS TO PIT HEAVY SQUAD AGAINST LOCALS

Bowerman's Boys Face Hard Assignment in Opener — New Grandstand and Field to Be Open for Throng

With one of the most exciting football games of the season being presented here Saturday, the first game on turf in southern Oregon, and with a brand new grandstand, an attendance of at least 2,500 is expected for the Medford-Eureka football game Saturday.

The Californians resume hostilities with the Tigers after a one year lay-off, and will bring a team averaging almost 195 pounds on the line, considerably heavier than the Medford forward wall. The locals will outweigh the visitors in the ball packing department, however, the coast city squad boasting small but lightning fast backs.

Bowerman Uncertain
Coach Bill Bowerman, who is still shifting his lineup in an effort to hit upon a combination which has scoring punch, was today unwilling to predict the outcome of the game. He seemed better satisfied with scrimmaging work last night on the new grass field, but admitted that several of his starting players are still not at top form.

There was still some doubt as to the prospects of Ray Lewis, several players who were injured in the Eureka fray, Lewis was held out of the Alumni encounter because of an injured tendon which has not reacted properly to treatment and the backfield ace was still limping last night. Bowerman said that if any trace of the injury remained Saturday Lewis would remain on the sidelines.

Tough Assignment
The Black Bears will need all its manpower this week-end, for what is expected to be one of the toughest opening games a Medford team has faced in 10 years. The Californians play football in a fast league, and last Saturday downed a formidable Mendocino, California, squad 40 to 0. They are anxious to dump Medford, after losing in three out of four games that have been played between the two schools. In all of Eureka's schedule since 1930, the Medford Tigers have been the only team to consistently win.

Last year Eureka won the championship of their own district and then played the Sacramento champions for the northern California crown, winning easily. Many of that squad are back. L. L. Deal, Grants Pass official who worked the Sacramento-Eureka game as referee stated Saturday that the coast team looks and plays like a junior college eleven, with a running and passing attack unusual for a high school team.

The Tigers, in bowing to the Alumni Saturday 13-6, showed flashes of power and brilliance at times. Bowerman stated today that if they succeed in the drive that they showed at times in that game, they will have a good chance of defeating their powerful rivals, but he would make no other comment.

The Medford Crater club stunt committee will put on the only ceremony of the field aside from the raising of the flag and playing of the Star Spangled Banner.

The Craters' stunt committee met last night under Chairman Raymond Beter and planned a program. Beter tonight insisted on the stunt plans remaining a secret. The Craters, in their Daniel Boone costumes, will march from Hotel Medford just before the game, and a special section will be reserved for them in the grandstand.

There will be no long dedicatory speeches or program. The Crater stunt is expected to be decidedly on the humorous side, with about 30 men participating. After the game the Craters will rush to Talent for the pear and tomato show, and there hope to meet the Grants Pass Coverters, booster organization from the Grants City, in a donkey baseball game.

The grandstand will open at 1:30 o'clock. The teams will come onto the field at 1:45, and the kickoff will be promptly at 2 p. m.

SPINA DECISIONED BY MIKE BELLOISE

PORTLAND, Sept. 30.—(AP)—Mike Belloise of New York, recognized in his home state as the world's featherweight champion, punched out a decision over Al Spina, Portland, in a 10-round fight here last night.

The New Yorker, weighing 128, took eight rounds. Spina, 126, won one and the other was even. Belloise fought craftily and presented his opponent with a masterful lesson in boxing. Spina was on the defensive most of the struggle, but carefully avoided a knockout blow.

Other results:
Varias Milling, Manila, defeated Eddie Day Spina, 130 pounds, Chalky Wright, Tacoma, won by a technical knockout from Dough Wirth, Seattle, in the first round, 125 pounds.
Eddie Norris, Salem, defeated Jimmy Knight, Los Angeles, 133 pounds.
Harry Kinsey, Portland, defeated Ray Moore, Woodburn, Ore., 140 pounds.

Mrs. Roy Pruitt turned in a 291 practice game last evening to win the Beauty School prize. She started the game with a string of six strikes. Scores last night:

18 SEEKING TRY-OUT IN BASEBALL CAMP CONDUCTED BY REDS

The try-out camp being conducted here by the Cincinnati Reds baseball club now has a registration of 18 prospective players, only one of whom is from Medford, it was announced that sessions would continue until Saturday, and through Sunday if enough players turn out.

ASHLAND GRIDMEN NURSING INJURIES

ASHLAND, Sept. 30.—(Sp.)—With big Steve Fowler and Walt Lee nursing painful injuries, and the rest of the team slowly recovering from a terrific beating in the 4-0 win over Yreka high Friday night, Ashland high's Gridzies are buckling down to a strenuous practice week in preparation for the Southern Oregon conference opener in Grants Pass Friday night.

Fowler, powerhouse fullback in the speedy Ashland backfield, was taken out of the game early with a badly twisted ankle, and saw no more action. He is a doubtful starter Friday. Walt Lee, the sensational broken field runner, was cut down in the first half, suffering painful neck and head injuries, and also was unable to re-enter the game. However, it is almost a certainty that he will be ready to take over his right half-back position against the strong Caveats.

Purman Carter, a rugged-running boy from Bakerfield, Cal., was sent in when Fowler came out, and proved that he will have plenty to say about the fullback post. In fact, he appeared to hit a bit harder and more often than the regular fullback himself.

LOCAL SHOOTERS DO WELL IN YREKA

YREKA, Sept. 30.—(Sp.)—The trap shoot held Sunday as part of the Gold Rush program was well attended, especially by the shooters from southern Oregon.

Harry Eiden of Medford and Archie Legg of Yreka tied for first honors with both breaking 48 out of a possible 50 targets. Dr. Goble of Yreka was second with a score of 47.

SONS POINT FOR SATURDAY CLASH WITH PACIFIC U.

ASHLAND, Sept. 30.—(Sp.)—Coach Jean Eberhart of the Southern Oregon Normal SONS, may have words of fine material, but it appears to be all defensive. In fact that sad lack of scoring punch is just about the lanky coach's only serious worry as he prepares to send his charges through a tough practice week for the invasion of Pacific college next Saturday in Ashland's first college game of the season.

After a grueling scrimmage season Saturday which saw two picked and evenly matched teams hammer each other into near submission and a scoreless deadlock, Eberhart laid plans to devote most of his attention this week to the development of manuevers destined to bring touchdowns. In the practice game, played under regular game conditions, neither team was able to make enough headway to get near the goal line. It was slum, bang at the line, then a punt, with a few ground-gaining passes being tossed by the little southpaw halfback, Arba Ager.

It is on the shoulders of Ager that Eberhart may place the burden of getting points. A sweet thrower who fakes his shots nicely, he may be the generator of the SONS' attack that will probably attempt, through the air, what they find it hard to get on the ground. With good receivers in Williamson, McBride, Kaiser, Bell and Bushnell, all ends, it appears that the SONS will have a dangerous passing attack.

Ken Schilling, former Ashland high star, has fought his way into a first string halfback post, and along with Clyde "Tubby" Dickinson at full and Cornett, a transfer from Willamette, at the signal calling post, the backfield should start clicking when the forward wall begin opening holes.

ELKS WILL START BOWLING MONDAY

The annual Elks' bowling tournament will get under way Monday, October 5, with an eight-team league playing for seven weeks. It has been announced that it is believed that the tournament this year will excite more interest than previous frays because more care has been made in choosing teams of comparable strength, according to Dr. C. H. Pake, chairman of the bowling committee.

SKREET TOURNAY STARTS SUNDAY

The first fall skeet shooting tournament will be held at the Medford Gun club at the north end of the Medford airport Sunday morning at 10:30 o'clock, gun club officials announced today.

In keeping with past practice of the club to give the bird shooters real wing shooting practice before the pheasant and quail season opens, the shoot will be open to the general public, who will benefit by the same low charges for ammunition and targets as the regular members of the club.

All bird shooters of the valley are invited to attend the shoot and practice events as well as tournament events will be held for those who do not want to enter the tournament, but want to get some practice with their shotguns before the bird season opens.

Ron DeVore will be in charge of the shoot and the club will award trophies in the tournament events.

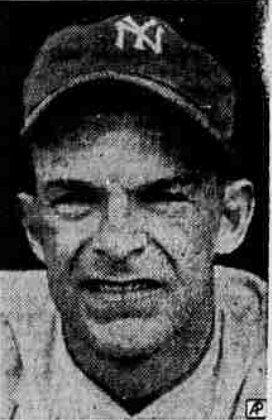

CALLISON CONTINGENT SHARPENS AIR DEFENSE

EUGENE, Sept. 30.—(AP)—Hopful of avoiding the fate falling to Oregon State at Los Angeles last weekend, Frank Callison prepared to move south today with his Oregon Webfoots.

Oregon opens its conference season Saturday against the powerful Southern California Trojans. The team will arrive in the southland Friday in time for a workout.

Because the Beavers were beaten on passes, Callison looks today to improve the Webfoots' aerial defenses. Oregon hasn't won from the Trojans since 1915, and recent losses have been lopsided.

OREGONIAN AMONG FANS SEEKING BLEACHER SPOT

NEW YORK, Sept. 30.—(AP)—Damp cold hung over the Polo grounds today, but world series fever—excitement engendered by baseball's greatest spectacle—ran high among the would-be bleacherites who milled about the gates.

From Texas and Maine they came and from South Carolina, Washington and Oregon, this cosmopolitan crowd of dyed-in-the-wool fans, braving the elements.

Some 1,200 shivered in the shadowy recesses of the stadium at first faint dawn and cared not a whit. There was a fellowship born of perseverance.

Cheers and back-slapping greeted new arrivals. There was a common cause.

Rip Herman, 23, of Olympia, Wash., laid claim to having covered the greatest distance for his spot in line. Ten days ago he left home, hitchhiking east to negotiate 3,000 miles.

"How are you all, pals?" greeted Ed Baker of Bend, Ore., and his salute won him him an ovation.

NEW YORK, Sept. 30.—(AP)—Rain or shine, a million dollar gate is assured. . . . You should see the dough in circulation. . . . Reminds you of the lush days. . . . A flood of Giant money suddenly has appeared from somewhere.

All kinds of freak bets are being made. . . . One is that Mel Ott will win the series for the Giants with homers. . . . Another says the Yankees will murder Hubble on his second time out.

You see almost everyone who rates in baseball in the hotel lobbies. . . . There is Earl Mann, president of the Atlanta Crackers, trying to interest Connie Mack in some of his staff. . . . Roger Peckinpah, once a great shortstop; Sam Breadon, president of the Cards, and Jerry Nugent, owner of the Phillies. So is Warren Giles, new Cincinnati general manager. . . . "We'll be in the first division next year," he predicts.

Mel Ott's youngest daughter, Barbara Ann, will be one year old tomorrow, and Mel has promised the boys, Jack Glyn's bounding single with two out and the bases clogged provided the runs.

Laroca yielded a run in the fourth without the ball being hit out of the infield. Nino Bongiovanni got an infield single, advanced to third on an out and wild pitch, and scored on Bill Sweeney's infield out.

The Oakland hurler, who gave up six hits, was in trouble in the seventh and eighth innings, but pitched himself out of the tight spots.

Portland needs only to win one more game to clinch the title, and 60 percent of a \$5,000 prize.

Tuesday, Coach Lon Stiner drove his team through three hours of vigorous scrimmaging. The players were told to expect some more this afternoon.

Because weaknesses were revealed in pass defense against Southern California last Saturday, Stiner emphasized work in that department.

Although the Beavers were favored to win, a tough non-conference battle was expected.

OAKLAND SCORES 2 TO 1 VICTORY OVER PORTLAND

OAKLAND, Cal., Sept. 30.—(AP)—Heartened by their first triumph, Oakland's Acoras take on Portland tonight in the fifth game of their series to determine the Pacific Coast league champion this year.

The Oaks won last night, 2-1, behind the steady pitching of Jack Laroca, their speedball right-hander. The series now stands three games to one, the Beavers having won all the contests in Portland.

George Caster, Portland strikeout artist, allowed only five hits last night, but four were bunched in the third inning for all of Oakland's runs. Jack Glyn's bounding single with two out and the bases clogged provided the runs.
