

# WOBBLING GIANTS SAVE CHANCE FOR SERIES LAURELS

(Continued from Page One.)

could hear a pin drop, Schumacher pitched the one that had to be in

there and Gehrig hit a grounder to Whitehead, who threw him out to Terry.

"Di Mag" Off Balance

The Giant manager hit two fouls on the first two pitches and then watched three balls drift past. The sixth he caught for a long fly to Di

Maggio and Moore scored after the catch. Di Maggio was off balance when he caught the ball and never had a chance to cut off the winning run.

Ott ended the inning thereafter by popping out to Rolfe.

The Yankees opened their half of the tenth by getting Dickey on base when Terry found his sharp hit too hard to handle and juggled the ball. Selkirk lifted a foul to Mancuso. Giant catcher, and Dickey was replaced by a pinch runner, Bob Seeds. Powell came up with a fly to Moore and Seeds blew the Yankees'

last chance when he tried to steal second after Lazzeri had taken two strikes.

# FIRE PREVENTION WEEK OCT. 4th - 10th

In 1934, the United States lost \$262,548,122.00 through fire disasters, a large part of which could easily have been on the protected list. But money loss is not all. Yours could easily be one of those possible to save by proper caution and preventative measures. October 4th through 10th is Fire Prevention Week. Guard your home and family from the ravages of fire. Be careful—be cautious, and prevent fire by eliminating its causes.
