

SOCIETY and CLUBS

By Janet Wray Smith

State Officer Is Entertained Here

Mrs. Cora Young, of Roseburg, grand guardian of Oregon for Job's Daughters, was a guest of the Medford bethel which met last night at the Masonic hall. Mrs. Young inspected the group, giving instructions and suggestions for conduction of sessions.

An Ashland bethel is being organized in the Lithia city and the Medford girls are to conduct the institution of the new group Friday, October 10. This is considered an unusual honor for the local organization as it is seldom that a bethel is given such an opportunity.

The card party which was scheduled for Saturday, October 10, has been postponed until Saturday afternoon, October 17, it was announced at last night's meeting. The business session was followed by refreshments.

Young Pianist Composes March

At the Saturday morning meeting of the Degree of Honor Juvenile club, Eugene Bennett, club pianist, presented a club march of his own composition which was very well received. Mrs. Ethel Linholm of Portland, state vice-president, who was a guest of the group, suggested that the march be presented at a district meeting to be held in Cottage Grove this week-end.

It is believed by Mrs. Linholm and others in charge of the group that the composition may be adopted as official music for the organization throughout the state. Several Medford members are planning to attend the Cottage Grove session, including Mrs. Hattie Bradshaw, Mrs. E. T. Allen and Mrs. H. G. Wilson. Eugene Bennett will also attend.

Mission Society Plans Discussion

Mrs. Everett Eads heads the committee which is preparing a program on the negro and education for the meeting of the Adult Missionary society of the First Christian church which has been scheduled for Wednesday afternoon at 2 o'clock in the church.

Social arrangements are in charge of Mrs. Ralph Cook and her committee. All members having canned goods for the old people's home are requested to bring them to this meeting by those in charge. All members and friends are extended a cordial invitation to attend.

Rotary Women To Be Entertained

Mrs. C. D. Bean will be a luncheon hostess tomorrow afternoon at her home, 522 South Oakdale. Guests will be Women of Rotary. The affair is to be held at 1 o'clock, according to the announcement. Both new and old members are urged to be present.

Program Completed For Union Session

Plans are being completed for the meeting Thursday of the Women's Christian Temperance Union which is to be held at the First Christian church. New features of the program include a vocal duet by Mrs. John Frees and Mrs. Clarence Pierce and leading of devotionals by Mrs. Gertrude Kirkpatrick. Mrs. Minnie Bryant, new president, will conduct the session and ladies of the hostess church will have charge of refreshments.

Delegates to the state convolve held recently in The Dalles will report on developments and plans presented at that session. Those to appear will include Mrs. Ellen Thrasher, of Grants Pass, president of the Josephine and Jackson bi-county union, Mrs. Rosella Douglass, also of Grants Pass, and Mrs. Minnie Bryant, Mrs. M. Russell and Mrs. Guy Cox, of Medford.

A cordial invitation is issued to anyone interested.

Mrs. Harding Is Guest In Klamath

Mrs. B. G. Harding of this city, newly elected state regent for the Daughters of American Revolution, was entertained last night by Eulonia chapter in Klamath Falls when she made her official visit to that group.

The Klamath group arranged a no-host dinner in Mrs. Harding's honor, which was followed by a business meeting at the home of Mrs. E. D. Lamb, during which Mrs. Harding addressed the group.

A great deal of Mrs. Harding's time during the ensuing months will be taken up in traveling to various chapters in the state in her official capacity. Among the chapters planning entertainment for her in the near future is the Ashland branch, which will be hostess October 16.

Appointments Made At Saturday Session

Appointment of committee heads and members and discussion of plans for the year were principal features of the business session of the Dixie club Saturday afternoon when Mrs. Rawles Moore was hostess to the group at her home, Fairview, on the Old Stage Road.

Mrs. John Peter, new president, conducted the meeting, which included a discussion of subjects of current interest with politics predominating.

The next meeting is to be held at the home of Mrs. John Crews, Rogue River.

Guests of Brommers Returning to Home

Leaving by train this morning were Mr. and Mrs. F. H. Korthauer, of Chicago, who are returning home after a visit on the coast. They arrived here about two weeks ago from San Francisco to be the guests of Mr.

and Mrs. Carl Brommer. Mrs. Brommer and Mrs. Korthauer are sisters.

The visitors plan to stop a short time in Eugene where they will be the guests of Mr. and Mrs. Arthur Small. Mrs. Small was formerly Miss Louise Brommer, daughter of Mr. and Mrs. Earl Brommer.

Two Guests at Reynolds Home

Among Medford visitors are Mrs. Edna Pearson and Mrs. Ernest Wyatt, of Eugene, who arrived here from the north yesterday. They are houseguests of Mr. and Mrs. J. F. Reynolds.

The visitors motored to Crater lake today. Numerous trips are being planned for them, as well as entertainment in the city.

Lady Lions To Lunch Tomorrow

Members of the auxiliary of the Lions club will be entertained at luncheon tomorrow at the Hotel Medford at 1 o'clock. All members are urged to be present. Reservations may be made at the hotel or by calling 948-R.

DAMAGE CASE IS FIRST TO TRIAL FEDERAL COURT

First session of the federal court term for the Southern Oregon district opened today with the scheduled arraignment of five defendants on counts charging liquor violations involving Indians, and routine matters.

The first case scheduled for trial is the civil suit of Walter L. Small, a resident of California, against the Oregon Caves Resort company for alleged personal injury damages and medical fees. Small alleges that in the summer of 1934, while on a tour of the caves he stepped in a hole and was injured.

Two trials of assault, involving Klamath reservation Indians are also scheduled to be called. David Copperfield is alleged to have attacked Walter Riddle with a knife as the result of a feud. Ted Captain, another Indian, faces trial for allegedly shooting at but not hitting another.

Naturalization proceedings scheduled for the present federal court term have been postponed until Friday, November 13, owing to conflict with a federal election law prohibiting the holding of naturalization hearings 30 days before an election.

The officials and aides attending the federal sessions are: United States Attorney Carl G. Donaghy and deputies, Attorneys Mason Dillard and Glenn Foster.

United States Marshal John T. Summerville, former Medford resident, and Miss Dorothy Alder, secretary, and Deputy Marshal Gene Narreagan of this city.

Chief Clerk Arthur S. Kenyon, Fred Norman, bailiff, and Miss Adeline McIntyre, secretary to the court.

The term of federal court is expected to last the better part of two weeks.

DICTATORSHIP AND COMMUNISM ALIKE ASSERTS SPEAKER

Dr. Harris Tells Republican Gathering of Personal Experiences in European Countries; Points Dangers

Asserting that although no one will accuse President Roosevelt of being a communist he is nevertheless surrounded by new deal reactionaries and leftists, Dr. Ernest Lloyd Harris described the horrors of communism and dictatorship as he has seen them in European countries during the past 45 years, to Jackson county Republicans at the high school auditorium last night.

Dr. Harris, who stated that he has known Lenin, Trotsky, Dolfuss and many other radical leaders intimately, described revolutions and communist and leftist activities in Russia, Turkey, Austria and other countries which have seen uprisings of the radical sort. "I was in Petrograd for the six days in October, 1917, which saw the assassination of the czar and his family and the massacre of hundreds of others. I saw the Red Square in front of the Kremlin literally red with blood. I saw the blood of the royal family spattered where they were shot down. In fact, the bones and ashes of the czar and his wife and children were given to me to carry out of Russia. I took them with me in a small trunk on a train and handed them over to Miles Lampson, then British minister to China, when they are now. I do not know."

Results Alike

In his opinion, Dr. Harris stated, there is no essential difference in the net results of communism and dictatorship, one being the dictatorship of the proletariat and the other of one man or group of men. Both, Harris said, lead to loss of liberty for the individual and rule by violence. "Some say," Harris continued, "that democracy is dead. Democracy is very much alive today. In England and in America. And it is alive because of the constitutions, written and unwritten, of these two great countries."

"At the present time our liberties and rights are being by almost identically the same trials existing for the American people at the time our constitution was formed."

"I do not accuse President Roosevelt of being a communist. But the men of the new deal surrounding

the president, such as Felix Frankfurter and Rexford Tugwell, leave no doubt as to their beliefs. Tugwell has said many times that he wishes the American people would study Russia. Well, if that's what he wants I wish they'd take some of this AAA money and send Tugwell to Russia where he can study the country for the rest of his life."

Describing a visit to his home town in Illinois last December, Harris voiced his belief that the old community spirit of self-reliance and reverence of American ideals is dead.

Hopes America Spared

Attacking Earl Browder, communist candidate for president, Harris pointed out that Browder has never denied that he is under the direction of the Third International, communist organization in Russia which takes as its creed the more violent doctrines of the early writings of Karl Marx. "I have seen the bloody and violent deeds of destruction perpetrated in the name of communism and I pray to heaven we may never see them here. Every experiment in social democracy has led to communism or dictatorship."

Harris' address contained numerous allusions to his life in Europe and his acquaintanceship with many prominent figures in recent history.

Aimee Girds for Battle to Finish With Own Child

LOS ANGELES, Oct. 6. — (AP) — Aimee Semple McPherson buckled on armor over her evangelical robes today for what her attorney said was "a fight to the finish—with her own child."

The blonde pastor is at war over control of Angelus Temple, which she founded more than a decade ago. A courtroom, it was indicated today, may soon be the arena of war. At least two suits attacking Mrs. McPherson's so-far supreme voice in temple affairs were under consideration.

Confined to the Hermosa Beach home of her grandmother, Mrs. Minnie (Ma) Kennedy, in a distraught condition, Roberta Semple, daughter of the evangelist, announced through her attorney, Stanley Arndt, she might ask judicial protection of her rights, in the religious institution.

Another ally, Jacob Meidel, dismissed temple attorney, also admitted he might file a breach of contract suit.

Meidel was "fired" at a midnight directors' meeting Saturday when the evangelist and her son, Rolfe McPherson, voted themselves a quorum in Roberta's absence and hired Willard Andrews to handle temple legal affairs.

"Mrs. McPherson has been intimidated, threatened and blackmailed for the last time," her new attorney declared. "This time she is prepared

to fight to the finish. While she regrets that the war will be sanguinary—with her own child—the only course ahead of her is protection of the organization which has consumed the best years of her life."

Teamsters Union Blights Portland

PORTLAND, Oct. 6.—(AP)—The teamsters union was blamed by Horace Meeklen, president of the Industrial Relations association, for what he termed a "strange hold" on the transportation business of Portland.

Meeklen, addressing the association yesterday at its annual meeting said: "Most of the unions are disposed to be law abiding, but the

cancer in the labor temple is the teamsters union. The teamsters and the longshoremen are in a position except for constituted authorities, to tie up transportation of the city."

MESSAL TO FACE GRAND JURY QUIZ

A charge of operating an auto without a driver's license, will be filed today, District Attorney George A. Coddling said, against Lester Messal, 28, of Lake Creek, employed recently in a Klamath county mill. Messal, the authorities assert, was driver of the auto that hit and killed Everett Thompson, Talent resident, on the night of Sunday, September 13, as Thompson was walking down the Pacific highway.

Messal will be held to await action of the next grand jury, now scheduled to convene for the October term of circuit court October 26.

At the time of the accident Messal was under suspension of his driver's license for a six month's period for conviction of reckless driving in this city.
