

ENTERTAINMENT PLAN DRAWN FOR PORTLAND GROUP

Plans for entertainment of the group of Portland business executives who will be in Medford Wednesday, October 14, were virtually completed today, it was announced this morning by C. D. Bean, chairman of the retail merchants' committee of the Jackson County Chamber of Commerce.

The group will arrive in this city at 8:30 a. m. Wednesday and will be met by a committee of retail merchants. At noon a forum luncheon will be held, at which time a local speaker will make a short talk regarding the resources of this section. The Portland speakers who will make short talks will be A. C. McHicken, chairman, trade and commerce department, Portland Chamber of Commerce; E. Don Ross, president, Irwin-Hodson company, and J. C. Zancker, president, Electrical Products corporation.

It is expected that many of the visitors will play golf during the afternoon, and no official program is scheduled for the evening as it is believed that many of them will be entertained by their individual friends.

According to Portland Chamber of Commerce officials, the purpose of the tour is to enable the Portland group to make a study of recent developments in this section. The group will stay in Medford overnight and proceed to Klamath Falls the next day.

The luncheon at the Hotel Medford is open to the public and reservations can be made by telephoning the chamber of commerce.
