ARHLAND, Oct. 30.—(Sp.)—Paving crews for the Mountain States Construction company completed their work of laying 25,000 square yards of concrete in the Bellview district Wednesday, and work on the gravel shoulders was begun Thursday. The paved stretch, the first section of the new Skitjoui highway, will be open to travel in about 10 days. It consists of 650 feet of pavement 40 feet wide near the Normal school, and the balance of the 1.86 miles is 22 feet wide.

Gravel shoulders will be six feet wide on each side, giving the highway a maximum width of 34 feet. This work is expected to be completed within two weeks.

### Pomona Grange

Gertrude Haak.

A very interesting meeting of Pomona Grange was held in Talent, October 24. The comfortable, well-lighted and tastefully decorated hall together with the commodious dining room where a wonderful dinner was served by the hospitable Talent Grange ladies, added much to the pleasure of the all-day session.

A large group was in attendance as was expected, as this was the day for the biennial election of officers. The following officers were elected: Roscoe Roberts, Roxy Ann, master; W. G. Howe, Gold Hill, overseer; Olive Floyd, Phoenix, lecturer; J. D. Brown, Griffin Creek, steward; Charles Elmore, Applegate, assistant steward; Nora Wait, Live Oak, chaplain; W. E. Davies, Eagle Point, treasurer; Gertrude Haak, Eagle Point, secretary; Tom Stanley, Lake Creek, gatekeeper; Sylvia Croft, Gold Hill, Ceres; Ellene Inlow, Bellview, Pomona; Reva Henspeter, Jacksonville, Flora; Mrs. W. W. Robison, Talent, lady assistant steward; and three members of the executive committee were John

Holt, Sams Valley; Perry Wait, Live Oak, and O. C. Maust, Central Point.

Through the solicitation of the Jackson county Grange agricultural and marketing committee and the Klamath county Pomona executive committee, Henry Conger of Jacksonville Grange was appointed by Ray Gill, state master, to a position on the State Grange agricultural committee to represent southern Oregon.

It was voted to urge the county court to make reasonable appropriation in the budget for the eradication of serious weed pests in the county.

The state officers' conference with local Grangers will be held at the Jacksonville hall, December 11. In the evening will be State Grange meeting drills. Further particulars will be given later. It is hoped many Grangers will enter this contest.

Next regular meeting of the Pomona will be held at Central Point, December 12 at 8 p. m., when officers will be installed.

Finals in the county contest for opening and closing ceremony, together with officers' drill, will be held at Jacksonville, November 28 at 8 p. m., unless it is found that not more than two Granges will be entered

for the State Grange officers' seating drill contest. In such case the finals will be held at Jacksonville, December 11, and be judged by state officers. Later notice will be given on this.

Mrs. Susie Maust, Mrs. Nora Wait and Mrs. Gertrude Haak are arranging for a suitable prize for county contest winners.

State Grange is also offering some very fine prizes for winners in seating drill contest and in subordinate Grange attendance.

Since the State Grange by-laws state that all subordinate Granges shall elect officers on the first regular meeting of November, and install in December, the county installing officer urges that Granges make arrangements for installation as soon as possible. December is a very busy month, both in home and Grange dates. The Pomona has decided that there will be no joint installation of all Granges in the county this year, due largely to the increased number of Granges to be installed, so arrangements should be made for smaller group installations as much as possible. From three to four Granges in a group will necessitate four or five separate installations and this

### WILLAMETTE, LOGGERS WILL CLASH TONIGHT

SALEM, Oct. 30.—(AP)—The Willamette university Bearcats have a handful of records to defend tonight when they lineup on Sweetland field against the dangerous loggers from the College of Puget Sound.

A win will put the team one step nearer the northwest conference championship and give it its 17th consecutive league triumph.

The loggers were the last team to stop Willamette, winning in 1933.
