HUSKY TILT HIKES WEBFOOTS' HOPES

EUGENE, Ore., Nov. 3.—(AP)—Apparently successful in the season-long search for backfield punch, an improved and confident Oregon team nursed some well-founded hopes of slipping over a win against U. C. L. A. at Portland Saturday and grabbing the first conference triumph of the season.

The team that out-gained and out-passed the conference-leading Washington Huskies returned to practice with new knowledge of its own strength.

One youngster, playing heretofore as a reserve, will go into the varsity backfield. He is Dave Gammon, the sophomore triple-threat, who replaced the veteran Dale Lasselle. No other change is likely in the backfield unless Coach "Pink" Callison decides the injured Tom Blackman, fullback, is ready to work again.

Oregon's defense has been strong all year, but until the Husky battle the Webfoots didn't know they could run, pass and punt with any degree of effectiveness.

WIN OVER MONTANANS EARNS BEAVERS REST

CORVALLIS, Ore., Nov. 3.—(AP)—Coach Lou Stiner expressed his appreciation for the first major victory of the year by giving his Oregon State varsity a complete rest.

While the regulars enjoyed a vacation following the win over the sturdy Montana Grizzlies, the reserves did double duty. Coach Stiner said his team would have a good chance to upset the undefeated Washington State Cougars Saturday at Pullman if he can develop reinforcements.

When the first string returns to practice, it will work against Cougar plays brought back by Scout Jim Dixon.

SPORTSMAN REPORTS GOOD CHETCO FISHING

E. W. Gould, former well-known Medford sportsman, now living in Brookings, telephoned to the Mail Tribune this noon to say the fishing in the Chetco river is now good and he wants his fishermen friends in Medford to know it.

"I fished this morning with a group of friends," said he "and we got the limit. Tell the boys over there about it. Now is the time to come over."

INDIANS REVITALIZED BY DEFEAT OF UCLANS

PALO ALTO, Calif., Nov. 3.—(AP)—With new hope through their 19 to 6 thumping of U. C. L. A., Stanford's Indians pointed for the top today—determined to knock the conference-leading Washington Huskies from their high perch Saturday.

Coach Claude E. "Tiny" Thornhill, reporting all his players in good condition, promised the huskies "a rough afternoon."

MAT RUFFIAN JACKSON DEFEATS WALTER ACHIU

PORTLAND, Nov. 3.—(AP)—Bull-dog Jackson, ruffian of the wrestling arena, gained two out of three falls from Walter Achiu, Chinese, in a main event match here.

Whitely Wahlberg defeated Dark Beret in the windup. In the preliminaries Jack Terry stopped Jack Lipscomb and Bob Castle got a draw with Dick Trout.

BOWLING

George Eads continued to lead all Elks bowlers last week, with an average of 197 for 12 games played, a total of 2346 pins. Roy Pruitt was close behind with an average of 186 for nine games played.

Friday night the Knock Knockers knocked over the South Paws 8-1, to assure themselves third place in team rating for the week.

Individual scores for the week, team ratings, and individual showings in Friday's game are given:

Name	Games	Total	Average
Eads	12	2346	197
Pruitt	9	1676	186
Murray	6	1061	177
J. Gill	9	1539	171

G. P. CLAIMANT OF FOOTBALL CROWN

GRANTS PASS, Nov. 3.—(AP)—Grants Pass high school today apparently became a "left-handed" football champion of the southern Oregon conference.

Principal J. F. Swigart said he had been informed by Medford school officials that they were forfeiting all games so far played because a player had been found ineligible. Medford two weeks ago crushed the local team 31 to 7.

Grants Pass won both its other conference games, from Klamath Falls which defeated Medford last week, and from Ashland which last week defeated Grants Pass in a non-conference game.

WHITMAN PROVES POWER IN TRIMMING LINFIELD

WALLA WALLA, Wash., Nov. 3.—(AP)—If there has been any question of Whitman's championship bid in the northwest conference it was pretty definitely squelched with last night's 28 to 0 lipping hand of Linfield.

The Missionaries, undefeated, but held to a tie by College of Idaho, pushed over three touchdowns in a wild, fourth quarter scoring spurt.

FLORIDA PAPERS WIN AD CONTRACT TAX TEST

TALLAHASSEE, Fla., Nov. 3.—(AP)—Florida newspapers won a supreme court decision today exempting their advertising agreements from a state documentary excise tax.

The court said the agreements were "mere commercial conveniences" and did not fall within the limits of the 1931 act which imposed a tax of 10 cents from each \$100 involved in the promissory notes, mortgages and other instruments.

Cows Heavy Drinkers

SALEM, Ore.—(UP)—A cow will drink 1 gallon of water daily during the five-month period from May until September, according to the United States department of agriculture. At that consumption 200 cattle would drink nearly an acre-foot—928,800 gallons—of water in that time.

WEATHER AIDING UMPQUA FISHING

ROSEBURG, Ore., Nov. 3.—(AP)—Unusual weather conditions are giving Umpqua river sports fishermen unprecedented fall fishing. Lack of rain, leaving the water clear, has prolonged fly fishing, and fine catches of steelheads have been reported from the North Umpqua during the past few days.

There is a large run of salmon trout in the river and large catches are being made on bait, fly and spinner.

Limit catches of silver-side salmon are being reported from Tidewater, with a few stragglers being taken by trollers as far upstream as Roseburg. The salmon, fishermen report, will not be caught in any great numbers upstream until a rain brings fresh water to the stream and causes the run to start for the upper spawning beds.

ROOSEVELT HOLDS SLIGHT MARGIN IN STATE OF KANSAS

An unbroken front in the solid south these claims were not shaken by the first tiny community in that section to complete its count. Martin Station, Ala., gave Roosevelt 11, Landon 0.

Campaign Whets Interest.

But with 55,427,000 voters registered and the nation's interest whipped up by a tense, months-long campaign that ended only last night with eleventh-hour appeals by President Roosevelt and Governor Landon, the experts warned that conclusive returns may be much later than usual. They cited the mountainous stacks of ballots in prospect, and the fact that New York, which usually goes as the country goes and formerly has cleaned up its tally early, has extended the poll-closing time three hours, from 6 to 9 p. m. E. S. T.

Led by the presidential nominees, who arranged to cast their ballots early, the voters repaired to 122,000 polling places to say whether they favored Roosevelt or Landon. In some states, the voters had to wait for hours for their ballots to be counted. In other states, the voters were allowed to vote by mail.

But this was not all the sovereign citizens had to decide. At stake were the vice-presidency, the governorships in 33 states, 35 seats in the senate, the control of the house of representatives; thousands of lesser state office holders, and a large number of questions of state policy, submitted to the electorate in referenda.

NEW MEXICO PUTS GUARDS AT POLLS

LAS VEGAS, N. M., Nov. 3.—(AP)—Nearly 200 National Guardsmen went on duty today in normally Republican San Miguel county, called out by orders of Democratic Governor Clyde Tingley.

The militia bore orders from Adjutant General B. C. Charlton to "maintain strict order and preserve peace at the polls." They were stationed at all but two polling places in the county.

There was no report of violence. Special deputy sheriffs were warned to surrender their arms to the guardsmen. Reports from outlying precincts and in the city and town of Las Vegas said that this was done without disturbance.

New CCC Truck Signal Arm

G. P. CLAIMANT OF FOOTBALL CROWN

All Medford district CCC trucks are being equipped with rear end signal devices to lessen the hazard of rear-end collisions. Joe Manus, chief mechanic, designed the signal arm. In the group above are, left to right, Stanley Ramer, Warrant Officer Charles Jerabek, Walter Smith and Manus.

OREGONIANS STAGE EARLY POLLS RUSH IN RECORD BALLOT

(Continued from page One.)

line or mark ballots on walls or open tables. It was estimated around 25 per cent of Marion county registrants indicated their preference before 11 a. m.

Marshfield reported the heaviest vote on record. Ten per cent of the registration voted the first hour and a half.

More ballots were cast in the first hour at Klamath Falls than usually were turned in by noon. One thousand voted in the first two hours and in some quarters a 75 per cent vote was predicted, compared with 45 per cent in 1932, and 26 per cent last spring.

Twenty per cent of the registration appeared at the Grants Pass polls by 11 a. m. Local and county contests in Josephine county lent added impetus to the turn-out.

At Roseburg it was indicated around 80 per cent of the Douglas county registration would vote. Voting at noon was far ahead of the corresponding time in previous election.

Polls were crowded at Eugene. Around 26,000 of Lane county's 32,873 registrants were expected to appear.

Baker Officials Swamped.

Baker and Pendleton in eastern Oregon also reported probably unprecedented morning voting. Election officials at Baker were swamped. A 70 per cent vote was predicted. Pendleton reported 13,000 out of 13,003 registrants probably would cast their ballots.

The story was almost the same in scattered information from other parts of the state.

About 20 per cent had voted in Burns by 11 a. m., and forecasts ran as high as a 95 per cent vote.

At least 6000 votes were expected in Deschutes county, for the largest turn-out in history. Morning voting was heavy at Bend.

Oregon City reported an 80 per cent vote anticipated.

Balloting in Union county reached approximately 33 per cent of the voters in some precincts at noon. LA
