NEBRASKA PLAN TROUBLES NORRIS

MCCOOK, Neb., Nov. 5.—(AP)—Senator George W. Norris of Nebraska celebrating his reelection quietly at his home here today, debated whether to attend the opening session of congress or of the state legislature.

He couldn't do both, but that was his own fault. It was legislation of his creation which changed their meeting habits so that both will go into session on January 5.

He said he believed he would attend the birth of Nebraska's new one-house legislature of 43 members, created under a state constitutional amendment he drafted and persuaded the voters to adopt two years ago. The first members were elected Tuesday on a non-partisan ballot, one of the major departures of the new system.

ALBUQUERQUE, N. M., Nov. 5.—(AP)—The senatorial toga of the late Bronson Cutting, placed on the shoulders of Democratic Dennis Chavez by appointment after Cutting's airplane crash death a year and a half ago, remained there today by will of the electorate.

With 761 of the 904 precincts counted, Chavez led his Republican opponent for the unexpired term of four years by more than 19,000 votes while New Mexico's senior Democratic senator, Carl A. Hatch, was returned by an even greater plurality over Ernest Everly.

F. R. WOULD BOLSTER RIGHTS OF STATES

NEW YORK, Nov. 5.—(AP)—The New York Post today said the legislative program of President Roosevelt would be designed not to destroy state's rights but, rather, to spread above state's rights a structure to deal with interstate problems.

"It means, undoubtedly," said the newspaper, "some form of industrial cooperation — not specifically a revival of the NRA and codes, but some system whereby the puzzling problems of distribution can be solved."

COURTS CONFLICT ON INCOME TAXES

SALEM, Nov. 5.—(AP)—Conflicting directly with a recent opinion by the Washington tribunal, the Oregon supreme court ruled today that profits of contracting companies on federal projects were not taxable by the state under the income tax law.

The opinion on two separate suits over work done on Bonneville dam and jetties at the mouth of the Columbia river were written by Justice John L. Rand and reversed the decrees of Judge Robert L. Tucker of Multnomah county.

The cases were brought by Winston Brothers, a Minnesota corporation, joined by Guy P. Atkinson and George H. Atkinson, residents of California, against the state tax commission which had levied income taxes against them.

HAPPY RELIEF FROM PAINFUL BACKACHE

Caused by Tired Kidneys Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. Most people pass about 3 pints a day or about 3 pounds of waste. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging in the backaches, rheumatic pains, lumbago, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.
