

### WORK IS STARTED TO EXTEND FIELD FOR GIANT PLANES

"Work has started on the extension of our main northwest-southeast runway and when it is completed we shall have a total of 5400 feet," Tom A. Culbertson, municipal airport manager, stated in a report submitted last night to the city council.

"We have plenty of space for present-day airplanes, but the planes of the future will undoubtedly require a greater landing area," the report continued. "United Air Lines has announced purchase of several new Douglas transport planes, which will have a cruising speed of 190 miles an hour, while carrying 24 passengers. They will have a wing spread of 95 feet.

"These planes are merely a forerunner of the enormous ships now in process of construction. Several prominent airplane factories are building four-motored giants which will soar across the skyways while carrying more than 40 passengers and a crew of five. Equipped with all the advantages of home, these new planes will probably be put into service within the next 18 months."

Municipal airport was utilized by 273 planes in October, Mr. Culbertson's report showed. These were classified as follows: United Air Lines, 188; United States army, 57; private, 22; and United States navy, five.

### BRITES INDICTED IN TRIPLE SLAYING

YREKA, Calif., Nov. 5.—(AP)—An indictment charging John and Coke Brits, brothers, with the slaying of three men, was returned by the Siskiyou county grand jury today.

The brothers were charged with killing Deputy Sheriff Martin Lange and Joe Clark, and Captain Fred Seaborn of Vallejo at Horse creek, near here, on the morning of last August 30.

The court set November 9 for arraignment and Sheriff W. G. Chandler was ordered to have the Brits in court at that time.

The shootings occurred when the officers, accompanied by Seaborn, went to arrest the brothers on assault charges. Hiding from poses in the face of lynching threats, the brothers finally surrendered three weeks later to District Attorney James Davis and were taken to Polson prison for safekeeping.

### Harpo Out of Character In Choice of Helpmeet

HOLLYWOOD, Calif., Nov. 5.—(AP)—On the screen he chases blondes, but in real life—well, Arthur (Harpo) Marx has married a brunette.

On September 26, sans curly wig and harp, the movie comedian made Susan Fleming, dark-haired dancer in the last Ziegfeld Follies, his bride. His departure from bachelorhood was disclosed last night in a telegram thanking President Roosevelt for an autographed picture.

"I'm in line for congratulations, too," wrote the youngest of the Marx brothers, "having been married since September."

Virtually speechless—with happiness, he said—Harpo asserted he couldn't remember the town where his wedding took place, but it was somewhere in California. He was more positive about the date and his plan to move into a new Beverly Hills home with his wife next week.

The couple was seen together frequently in the last two years, but announced no engagement.

The comedienne on a marriage license application because "no one ever thinks of me as Arthur."

Mrs. Marx was happily confident that their marriage would be a success. So was Harpo.

"He just acts crazy in the movies," she said.
