FEWER TURKEYS 1937 PROSPECT

WASHINGTON, Nov. 10.—(AP)—Turkey eaters were given cause for thanksgiving today in a government report that more of the birds are strutting around the nation's farms this fall than in any previous autumn.

Compared to beefsteaks and pork chops, the argiculture department added: "Turkey prices probably will be low this year."

The drumstick and gizzard trade was warned, however, that feed scarcity may cut the turkey supply next year. There are now 20,000,000.

There'll be plenty of turkeys on the market this fall, but they'll be smaller and younger than usual, the department predicted.

The outlook for chickens, geese and ducks is similar, the department reported.

BUTTER STOCKS UP SHARPLY ON COAST

SAN FRANCISCO, Nov. 10.—(AP)—Stocks of butter in the hands of Pacific coast dealers at the end of last week were 7,776,820 pounds, compared with 3,926,264 a year ago and 2,393,911 two years ago, the market service reported today.

Prices of all grades, cut ½ cent yesterday, apparently responded to relatively large supplies. Top grade today was 34½ cents at wholesale, while 91 and 90 scores were 33 cents and 89 score 31½c.

Chief increases in supplies were at Los Angeles, Oakland, Portland and San Francisco.

Table Rock Council, R. & S. M., stated assembly, Tuesday evening, Nov. 10th. E. M. WILSON, Secty. L. C. STEWART, Ill. Master.

GENERAL MOTORS IS SANTA CLAUS

NEW YORK, Nov. 10.—(AP)—Directors of General Motors Corp., today declared a "year-end" dividend of $1.50 a share on the common stock, and decided to distribute about $10,000,000 as Christmas bonus to employes.

The year-end dividend, directors said, "represents the best judgment of the directors as to the balance of the estimated earnings for 1936 that may be prudently distributed at this time." On September 12 the regular quarterly dividend of 50 cents and an extra of 75 cents was paid.

A 5-cent an hour wage increase also was announced today by the corporation.

Under the $10,000,000 "appreciation fund," in recognition of efforts by employes, the amount disbursed per individual will be a minimum of $35 and a maximum of $60, dependent upon the employes' rate of pay.

The 5 cent an hour pay increase, it was said, will affect about 200,000 workers.

Jean Arthur, Joel McCrea Coming

Jean Arthur's captivating charm, so much in evidence as "Mr. Deeds" enamorata will sparkle anew on the Craterian theater screen tomorrow when she literally "goes to town" with Joel McCrea in "Adventure in Manhattan."

"Adventure in Manhattan" relates the exciting escapades of a prominent detective story author whoh presumes to predict the theft of various art and jewel treasures. Furthermore, he is assigned by a newspaper to write about these crimes-to-be in a series of special articles. It is then that he meets Jean Arthur, star of a play still in production, and launches the adventures that carry the two through every conceivable romantic and melodramatic complication that two young lovers on Broadway could possibly get into.

SCOUT RALLY IS OPEN TO PUBLIC

Scouts of Medford district will come together Friday evening at the Medford high school gymnasium for the first district Boy Scout rally. Scouts and Scouters must be "on time" in order to win. The rally opens and roll call begins promptly at 7:20 p. m. Each troop will receive 100 points for being 100 per cent on time.

"Fourteen other events will bring total possible points to 3100," according to Frank Hull, district commissioner, in charge of the rally.

Several hundred are expected to attend. Visitors are especially welcome and are asked to vote for their own neighborhood troop as they enter the door.

"There will be no admission charge of any kind and those who have so generously assisted in making the Medford Community chest a success during the recent campaign for funds are especially invited," according to Eugene Thorndike, chest president.

"The Community Chest is anxious to show the people of the district what the character building agencies of the chest are doing," said M. N. Hogan, chest executive committee chairman. "Please accept the informal invitation to an evening of good, clean entertainment."

In Rialto Roles

Claire Trevor and Cesar Romero head the cast of "15 Maiden Lane," which plays at the Rialto theater tomorrow and Thursday on the double bill program with "Down the Stretch" featuring Mickey Rooney, Patricia Ellis and Dennis Moore.

Miss Trevor plays the part of a society girl who goes amateur detective to help her father catch a silk-hatted gang of crooks who are preying on "Diamond Row," the heart of New York's jewel center. Cesar Romero has the part of a fearless thief who outsmarts his competitors by getting on the "inside" of the racket. Miss Trevor sets out to track Romero down, but finds herself in love with him instead. The climax is brought about in a refreshingly new manner.

"Down the Stretch" tells the story of a boy and a horse, considered outcasts by the racing world, and their mad desire to win the Kentucky Derby for the woman who took them in. They win the race, but the suspense they go through in doing so gives the picture what is said to be a more than interesting finale. The new blackface comedian, Willie Best, is included in the cast.

Armistice Day Chicken Dinner will be served at the Knights of Pythias hall by the Zion Lutheran ladies. The price 40c.
