

DR. DAFOE GIVES INSIGHT ON LIFE OF QUINTUPLETS

Stares of Thousands Give Tots Subconscious Warning Their Lives Exceptional - Learning Fast

NEW YORK, Nov. 12.—(AP)—The only real preview the Dionne quintuplets will ever have in life will have to be bought. Dr. Alan Roy Dafeo said today.

"Subconsciously they already know they are exceptional," said the grey little country doctor who was lifted to international prominence when he safely delivered and cared for the five babies.

"They can't help knowing it. They see visitors staring at them every day. Half a million there were last summer, in one day over 12,000."

Nevertheless, Dr. Dafeo said, the interest in the children has been, in his opinion, the best boost in our times for child welfare.

Will See First Game Dr. Dafeo, who arrived in New York last night, will be here until Monday or Tuesday. Tonight he will attend the meeting of the pediatric section of the American Academy of Medicine.

He isn't especially concerned about the quintuplets' future, he said in a press interview today. There's time enough later to think of that.

The nurse—they have two—read them old French fairy tales and translations of English tales," Dr. Dafeo said. "Emilie heard the story of Old Mother Hubbard and her dog and couldn't sleep for worrying about the poor dog. So she took her morning bacon, put it in her book against the dog's picture and told the nurse she had fed the dog."

Yvonne Gets Proposal Marie is the most energetic, Dr. Dafeo said. Yvonne has already received a marriage proposal—from an American boy, "Bobbie," who is 12, hopes to be president, and asked Yvonne how she would like to live in the White House. Yvonne hasn't replied.

Tomorrow Dr. Dafeo will visit the stock exchange. He won't visit the Kaspar quadruplets in Allepo, N. J. "A mildew," he said, slipping into poker terms. "There are only four."

Funeral services for Walter Edward Van Rheen who passed away at a local hospital, November 9, will be held at the church in Eagle Point Friday morning at 10 o'clock Rev. Smith of Butte Falls, officiating. Interment will take place in the Antelope cemetery.

Mr. Van Rheen is survived by his parents, Mr. and Mrs. James A. Van Rheen of Eagle Point; two sisters, Mrs. Antone Pauley of Emporia, Kansas, Miss Helen Van Rheen of Eagle Point, Ore.; four brothers, Willard, Ernest and Herbert Van Rheen, of Eagle Point, Ore., and Norman of Raleigh, North Carolina; also his grandfather, Peter Van Rheen of Rantoul, Kansas.

Baby Left by Dog Has Offer of Many Homes

NEW ORLEANS, Nov. 12.—(AP)—There were many would-be foster parents today for the blue-eyed, blond baby boy mysteriously brought out of the piney woods off St. Tammany parish by a dog.

Doctors at Charity hospital said the infant apparently was about eight days old and in good health. It weighed six pounds and three ounces. Most insistent of those seeking the child was Mrs. Louis E. Crawford, wife of a works progress administration employe making \$28.25 a month.

Mrs. Crawford said she ran from the porch of her one-room cabin

home near Pearl river late Tuesday to take the infant from "a great big, brindle dog." She said the animal was carrying it through the woods in his mouth and that the child was wrapped in a coarse swaddling cloth.

Welfare workers brought the baby to the hospital here over the protest of Mrs. Crawford.

"I found that baby," she said. "I saved his life. I'm not going to give him up. I'll move heaven and earth to get him back."

Mrs. Crawford has two sons of her own, one aged four and another two. She said "about 50" other people who saw the baby wanted to adopt it.

the people over the limitation. This will amount to \$2,485,728.85, most of which will be used for higher education units.

\$21,637,912 Needed The budget recommendations call for \$21,637,912 for the appropriation units. This includes the education levy, the federal grant for the new capitol, and an unexpended balance of \$344,364 from the past biennium, leaving a sum of \$17,918,658. From this is taken the \$4,000,510.50 allocated for relief from liquor revenues and the \$50,000 restoration fund.

The revenue for the general fund from the income tax, the titling fees from self-sustaining units and the transfer of the state police, will total \$14,397,687. Appropriation of the recommended \$18,868,177 will leave a balance in the general fund of \$529,510, with the state deficit cleared during the past biennium.

Federal Funds Aid Federal match money, including \$4,762,800 for old age assistance; \$1,125,000 for the state capitol; \$883,200 aid to dependent children and \$727,911 for the state board of higher education will total \$7,722,508.

County match money to be paid will total \$5,339,100 to the state fund, including \$3,000,000 for public assistance, \$2,381,400 for old age assistance, and \$883,200 for dependent children. Wharton points out that should the legislature reduce the old age pension limitation from 70 to 65 years, leaving on all other restrictions, it would require \$1,530,900 more direct appropriation, from the state alone, while the cost to the taxpayers would be double with the county share.
