## Cookies

Every time we see cookies we think of  
the cookie jar our mother kept so well  
filled when we were kids. We bet you

years.

## Covered Wagon Bread

Again we suggest this old pioneer loaf of  
bread. No fooling, you will enjoy it with

you never before enjoyed bread.

# To Get EXACTLY What You Want— ORDER YOUR TURKEY NOW!

**W**E have arranged for the first selection from one of  
the larger and finer flocks of Turkeys in the Valley.  
Grain fed, they are in fine condition — all young  
birds—plump and tender.

So that we may have the exact size you want — either  
young hen or gobbler—and give it to you at its best, we should  
have it in the cooler a few days before you cook it. Prices are  
lower and Thanksgiving Turkey should be within reach of all.  
Order now and be sure to get just what you want.

**Special Thanksgiving Service**

## SUPER MEAT MARKETS

Quality Controlled Meats  
**SORRY**

We knew we were considered pretty good  
cooks, but had no idea so many would  
want the roasted and stuffed hens we  
advertised last Saturday for \$1.00.  
Most anyone would have thought 50  
would have been enough, but they were  
gone before the morning was fairly  
started.  
To those who were disappointed we offer  
them again. We tried to get 200 but  
could get but 100—so here they are.

**HENS**  
Stuffed and Roasted  
Average weight four pounds. While  
100 last—  
**\$1.00**
