Poets Discussed By College Club

Members of the Rogue River Valley College Women's club were entertained Saturday afternoon at the home of Mrs. George Ganode, when various poets and their work were discussed by the group.

Miss Annette Gray reviewed "A Poet in America," by Edgar Lee Masters, describing the method by which poets paint word pictures in various subtle ways and illustrated her discussion by reading poems from noted authors.

Miss Grace Chamberlain related anecdotes concerning Robert Frost and Gertrude Stein and Mrs. Opal Wheeler Mooter read her own composition, "I Salute."

New members introduced to the club were Mrs. James Campbell, Mrs. Opal Wheeler Mooter and Miss Hazel Bruner. Refreshments were served by Mrs. R. A. Work as chairman, assisted by Mrs. L. C. Williams, Mrs. J. W. Murray, Mrs. R. E. Reid, Miss Jane Snedcor, Mrs. G. O. Taylor and Mrs. Harry Olson.

Daughters of Nile Plan Contribution

Among business discussed at Saturday's meeting of Zulema temple, Daughters of the Nile, held in Grants Pass were plans for the annual Thanksgiving box to be sent to the Shrine hospital for crippled children in Portland.

Announcement was made that the box will leave Medford Monday, November 23 and those making donations are requested to do so as soon as possible. Contributions may be left at the J. D. Rickert office, 222 East Main street.

In charge of the project are Mrs. O. L. Overmyer, Mrs. R. R. Johnson and Mrs. J. D. Rickert.

Party Postponed By Pythian Club

Announcement was made today that the card party previously planned by the Pythian Sisters club for Thursday evening of this week has been postponed until Friday evening, Nov. 20, because of conflicting dates.

The affair is to take place at the clubrooms in the E.P. hall, starting at 8 o'clock. Auction and contract bridge and pinocle will be played and the public is cordially invited. Prizes and refreshments are being planned by the committee in charge.

Community Club Planning Display

An art display is being arranged by the Talent Community club and has been scheduled for November 18. Those in charge issue an invitation to anyone interested to view the work.

Anyone desiring to exhibit is invited to do so, with the articles to be displayed including fancy work, rugs, quilts, pictures and dishes. Mrs. N. B. Ashcraft is among those making arrangements.

Priscilla Circle Meets Tomorrow

Mrs. Lydia Vincent is to be hostess to members of the Priscilla circle at her Phoenix home tomorrow afternoon, the group announced today. Information concerning transportation may be had by calling 912-J.

Lady Lions Will Entertain Tonight

Beginning the annual activity which leads to the distribution of hundreds of Christmas toys to children of the community, the Lady Lions will entertain this evening at cards in the social hall at the armory.

Varied card games will be played and a cordial invitation is issued to the public. Benefits will go toward repairing and renovation of donated toys sent each year to children in the vicinity.

The repair work and repainting of toys is done by city firemen, with citizens of the community contributing old or discarded playthings. Contributions may be sent to the chamber of commerce or the fire hall.

Double Program For Delphians

A double program, covering both Romanticism in France and the Barbizon school, is being planned for this week's meeting of the Delphian society Thursday at the Girls' Community club.

UNITED STATES

MADRID, Nov. 17.—(AP)—Facist attackers and the government defenders of Madrid threw the full strength of their air force, tank corps and artillery into a ferocious battle for the possession of the capital today.

Four months old tomorrow, the Spanish civil war appeared in its decisive stage.

The thunder of artillery boomed ever louder and the chatter of machine gun fire filled the center of the city as the government militiamen, whipped to a feverish fighting rage, hurled themselves against insurgent armies filtering across the Manzanares river and into Madrid proper.

They turned close range artillery fire on the Moorish and foreign legationaries who held doggedly to their battle-won positions in University City, inside the northwestern limits of Madrid.

In successive waves, facist fighting planes dived over the center of the capital, spilling bombs and killing and wounding an unestimated number of persons.

University City, once called the most up-to-date scholastic group in Europe, was the bloodiest battleground.
