California Guests Arrive By Plane

Welcome visitors arriving here yesterday were Col. and Mrs. C. L. Tinker and Major and Mrs. Eric Nelson, of San Rafael, Calif., who came by plane from Hamilton field yesterday afternoon.

Mr. and Mrs. Floyd Hart were hosts at dinner last night for the visitors, other guests being Miss Tommie Thompson, of San Francisco, and Mr. and Mrs. W. H. Fisher. Other affairs are being arranged by Medford friends for their entertainment during their short stay.

Col. Tinker and Maj. Nelson, with several local friends, left this morning for hunting in the Klamath country and the two ladies are remaining here.

Col. Tinker has been a frequent visitor to the valley. This will probably be his last visit here in some time as he has been transferred to Washington, D. C.

Travelers Return After Mexican Visit

Returning home this morning on the Shaasta were Mrs. Alex Sparrow and her daughter, Harriet, who have spent a vacation traveling in Mexico. The two left here several weeks ago for the south, sailing from San Francisco after having been joined in the bay city by Miss Carlita Sheridan of Santa Barbara.

Historical spots and outstanding points of scenic interest in northern Mexico were visited by the trio, whose letters home have revealed much enjoyment of the great beauty and unusual interest seen in the southern republic.

Entertain Club to Service Friday

Fathers of students will be guests of honor Friday night at the annual "Daddies' Night" dinner being arranged by the Lincoln school service club.

Special program arrangements are being made, and will include music by the high school orchestra. Lieut. Roy D. Craft will be the principal speaker and is to describe his stay at the Olympic games in Berlin last summer.

Miss Eleanor Curry is to appear in vocal solos and Mrs. Esther Church Lewis will lead the group in community singing.

All members of the service club and particularly "daddies" are extended an invitation.

Birthday Observed Monday Afternoon

Miss Marian Tilley entertained fourteen friends Monday afternoon in observance of her ninth birthday. Games were played in rooms decorated in green and white and refreshments served following presentation of gifts.

Guests were Beatrice and Milly Baglien, Carole Pace, Delores Cobb, Betty Bulderbeck, Rosemary Marshall, Beverly Jean Whitman, Doris Jean Kyle, Jimmie Scheffel, Robert Norris, Lynn Jenkins, Bobbie Porter, Winston Turnbow and Willy Peoples.

Mrs. Houston Is Dinner Hostess

Among hostesses of the week is Mrs. C. M. Houston, who entertained a large number at dinner at the Hotel Holland last evening. Guests were officers of Reames chapter, O.E.S., of which Mrs. Houston is worthy patron.

Table decorations included a centerpiece of unusual arrangement of fall flowers matched with pastel tapers.

Bridge followed dinner. About twenty-five guests were present.

After Visit South

Returning Monday evening were Mr. and Mrs. William Holloway, who have vacationed in San Francisco. They spent the greater part of last week in the bay city, having gone to attend the opening of the San Francisco-Oakland bay bridge.

The Holloways also saw the Oregon-California and St. Mary's-Santa Clara football games last week-end.

Mrs. Faber to Be Tea Hostess

Mrs. Faber is to be hostess for the silver tea being arranged by members of the Loyalty circle of the First Methodist-Episcopal church for tomorrow afternoon at her home, 907 West Eleventh street.

Hours are from 2 until 5 o'clock. Incidental music is to be part of the afternoon program, according to those in charge. All members and friends of the circle and church are extended a cordial invitation.

Guests From Bay At Scheffel Home

Visitors in Medford are Mr. and Mrs. H. F. Jensen, of San Francisco, who arrived here Sunday morning. They are the house-guests of Mr. and Mrs. Howard Scheffel. Mr. Jensen and Mrs. Scheffel are brother and sister. The visitors plan to remain for two weeks and are being greeted by a number of Medford friends.

Relief Corps to Meet This Week

Announcement was made today of the regular meeting of the Women's Relief Corps to be held Thursday at the armory at 2 o'clock in the afternoon. Those in charge urge all members to be present and issue a cordial invitation to visitors.

COUNCIL TO STUDY EARWIG CONTROL; MENACE SPREADS

(Continued from Page One.)

earwigs, and it is understood that this method is the most effective yet tried.

"The parasites should be a permanent remedy. They won't eradicate the earwigs entirely but will reduce them to the point where they won't be intolerable."

100,000 Flies Needed. "Authorities recommend the introduction of 100,000 of the earwig parasites to Medford. They can be procured in Portland where they are now being raised. The cost of 100,000 is \$2,000. It is planned to place the parasites all over Medford."

C. C. Furnas, presiding in the absence of Mayor George W. Porter, thanked Col. Paine for coming before the council and then referred the matter to the land appraisal and parks committee for study during the year." He suggested that the garden club bring up the subject again prior to the adoption of the 1938 budget next fall.

Miss Jane Snedcor, president of the garden club, said it would be regrettable if another summer of earwig havoc would have to be endured. She asserted that earwigs are being found on lug boxes in the fruit packing plants here and that they are being carried to the orchards where it is feared they will inflict considerable damage.

Club Gets Appeals

Appeals have been made to the garden club, Miss Snedcor continued, and the club in turn seeks the aid of the city and of civic and service clubs. She stated that Mayor Porter had promised the council's help.

"What the mayor said is very true," Mr. Furnas commented. "The council would be only too glad to help in every way possible. At the same time, however, we are bound very closely by the budget law and the new budget has already been published and adopted."

Mr. Furnas then asked the land appraisal and parks committee to make an immediate study and bring in a report at the next meeting. Miss Snedcor has stated that the order for the parasites must be placed soon so that they can be distributed in the spring.

Reporting for the license committee, M. N. Hogan advised postponing action on an ordinance regulating the practice of massage as had been requested by Oscar S. Nissen at the previous meeting. The committee recommendation was approved.

Petition Filed. A petition signed by nine residents on West Jackson street complained

INTEREST SHOWN IN ART EXHIBIT

The Southern Oregon Art exhibit opened with enthusiasm today. There is a very good exhibit of work of local artists in addition to the etchings and imported from Paris and the work of American artists sent from Portland and San Francisco. The American etchings are the work largely of western artists and many of the scenes depicted are from California and Oregon.

There is special interest in the exhibit sent by the Society of Oregon Artists, since many of these are the works of southern Oregon artists. Included in this exhibit are an oil painting, "I Wish I Were a Cloud," by H. T. Bohman, which won first prize at a recent exhibit in Portland, and a still life in oil by E. B. Quigley, which won first prize in the Multnomah county fair and at the state fair in Salem this year.

TOWNSEND CLUBS MEET FRIDAY NIGHT

By Geo. Iverson

This week's Townsend meeting Friday evening in K. P. hall will be in the nature of appreciation of loyal work done by Mr. and Mrs. Morgan who have devoted their talents toward entertaining Townsend meetings in all parts of Jackson county.

There will be a short business session for absolutely necessary business, followed by an hour of entertainment, the radio broadcast and refreshments and dance. The meeting will begin promptly at 7:30 and close with the radio speech and the dance will begin promptly at 9.

This is a joint meeting of both Medford clubs and members are asked to bring a covered dish of something light for refreshments.

All Townsendites should attend every meeting of both clubs as great things are happening and you should be in on them, and while we are putting up the great fight for this cause we also endeavor to have a good time.

By Mrs. W. B. Reynolds

The Townsend clubs of Medford have recently held some very sociable affairs and Friday night will be no exception to the rule, but due to several members of the advisory board of club No. 1, either being ill or out of the city the remaining members of the board decided to postpone the supper and entertainment that was planned to be held in conjunction with Club No. 2 the coming Friday night, until a later date.

What the Girl Scouts Are Doing

(By Dorothy Flynn.)

At the last meeting, Miss Nisson, experienced leather worker, came to help the girls with leather craft, which we are starting next meeting. Miss Nisson gave dimensions, and told us all the necessary articles.

The girls who were not at the meeting and wish to start their leather craft are requested to get one square foot in the case that bill folds are being started. The girls who are making other articles, are to get material sufficient for their pattern. The girls should finish the purses before getting the fasteners.

On Sunday, November 22, the girls who are passing badges, for pioneer-

tion was reported by the hospital today as "good."

Mrs. Waymack was hurt when her auto left the road and crashed into the bank.

ing, are going on a hike to the Apple-gate district. The girls who are going are taking everything they need to pass, and nothing to eat but a candy bar. Every one going must positively be at headquarters by 1:30 p. m. Those who are taking care are reminded to call Ruth Musel, troop leader, if it is impossible to take the automobile.

The troop has planned to make one basket for a poor family on Thanksgiving. As the meeting, each girl was asked what she could bring. All the canned goods that are going into the basket may be brought to the meeting next Tuesday, but all perishables, or food that will dry out, should wait until Wednesday, November 25.

No Gin is like Gordon's

BECAUSE GORDON'S HAS THAT IMPORTANT LIQUEUR QUALITY AND HIGHER PROOF, 94.4

It's easy to understand the great preference for Gordon's Gin. For Gordon's liqueur quality means richer flavor, velvety smoothness. And Gordon's higher proof—94.4—means greater strength, sustained flavor. That's why rickys, cocktails, Tom Collins and other gin drinks never taste thin with Gordon's Gin.
