

MYRNA LOY SAYS HASTY MARRIAGES SELDOM LASTING

Hollywood Crash Rate High for Kiss and Run Romances — Own Marriage Followed Long Courtship

By HENRY SUTHERLAND United Press Hollywood Correspondent. (Copyright by United Press.)

HOLLYWOOD, Nov. 20.—(UP)—Newlywed Myrna Loy looks down her sharply nose at "kiss and run" Hollywood marriages, and says they don't last.

She took the position of defending Director John M. Stahl's re-jiggering the shooting schedule of "Parnell," which played hob with M-G-M prop and set dressing departments.

"All the love scenes were to be shot first," Stahl complained. "Can't do it that way. I've got to see how my characters behave in preliminary scenes. Otherwise we might make an emotional climax which would afterwards look silly."

Tip for Youngsters. "He's right, too," said Loy, who will wotote with muscular Clark Gable in the film.

Loy apparently practiced her preaching, for she trotted around with Arthur Hornblow, producer, two years before "I doing" him this summer.

The crash rate of "kiss and run" marriages seems to corroborate her. Erroll Flynn and Lily Damita are latest on the rocks. Flynn dropped into Hollywood and married Damita on first bounce. It lasted just 18 months.

Key Francis has postponed her European vacation, and it's an odds-on bet Screenwriter Delmer Daves is at least part of the reason. Daves is stuck in Hollywood writing a movie.

Gail Patrick, marooned in Hawaii by the maritime strike, returned to the mainland on a Japanese liner, with Paramount reportedly paying the premium excited of foreign ships hauling passengers between American ports. Patrick was guest of the Maharajah and Maharanee of Indore in Honolulu.

Cutting Room Scraps: Shirley Temple is vacationing in Palm Springs. Clark Gable won the beard battle and will wear no whiskers as Irish Patriot Parnell. W. C. Fields will set up a dinner for fellow patients in Las Encinitas sanitarium Thanksgiving day. Hermes Pan, who directs Astaire-Rogers dancing, has bought a San Fernando ranch. Freddie Bartholomew and Melvin Douglas are back at work recovered from colds. Claudette Colbert suffering a throat ailment. Carole Lombard blew herself to 25 pairs of shoes with a bag and gloves to match each. Lionel Barrymore and Lee Tracy were proposed for the role George Raft quit in "Souls at Sea," but Lloyd Nolan still has the inside track.

ALLEGED FORGER HELD FOR HEARING BY JURY

Jack Lane, 30, of Toledo, Ohio, was being held today for investigation of the Jackson county grand jury on a charge of forgery. He pleaded guilty in Ashland justice court yesterday afternoon and was bound over by Judge L. A. Roberts.

Lane was accused of passing bad checks for small amounts in Medford and Ashland. He was arrested in Ashland while assertedly receiving cash for a \$10 check on the Medford branch of the First National Bank of Portland. The check, police said, was signed by "Mr. James Valentine" and made out to "Mr. Jack Lane."

END THE FEEL-PUNK, DRAG-FOOT DAYS

Dull headaches, poor appetite, sleeplessness are warning signs. You feel low—hate to work. These symptoms may point to constipation due to "low-bulk" meals.

Why throw these days out of your life—particularly when regular habits make you feel so good. Get "bulk" by eating a delicious cereal: Kellogg's ALL-BRAN.

There's nothing experimental about ALL-BRAN. Millions of people have used it successfully. Scientific tests prove it is safe and effective. Within the body, it absorbs moisture, forms a soft mass, gently cleanses the system. ALL-BRAN is guaranteed. Try it a week. If not satisfactory, your money will be refunded by the Kellogg Company.

Just eat two tablespoonfuls daily. Stubborn cases may require ALL-BRAN oftener. Serve as a cereal, or cook into delicious recipes.

What an improvement over pills and drugs. ALL-BRAN is a food—you buy it at the grocery store. Made by Kellogg in Battle Creek.

MR. BRETT SAYS: "Thank you, Mrs. Curtis, I will have another cup of coffee. Ed, I may have the only chess-queen on the board, but with a wife who can make coffee like this, Ed—you've got the queen of them all."

MRS. CURTIS THINKS:

You can't be a queen in your own home without good coffee, because all men like good coffee. As far as I'm concerned, Hills Bros. has always been King of Coffees in my home. And for that matter, in Mother's and Grandmother's, too . . .

Times may change...but fifty-eight years of unvarying quality leadership is your assurance of this: Every steaming cup of Hills Bros. Coffee you sip will give the same enjoyment and delight you found in your very first cup of this coffee. Yesterday, today, tomorrow—the first cup or the hundredth is equally good.

GOOD COFFEE DESERVES CARE IN BREWING The Correct Grind of Hills Bros. Coffee is a standard set by a knowledge of coffee acquired through more than half a century of roasting and packing coffee. The Correct Grind is as fine as coffee should be ground. Finer grinding sacrifices flavor and aroma, as well as keeping qualities after the can is opened. Hills Bros. Coffee should not be reground. The Correct Grind is guaranteed to produce the finest-tasting beverage in any type of coffee-maker. Directions for making coffee by the method you use will be sent on request.
