# HOW TO GET EXTRA VALUE IN A STRAIGHT WHISKEY

A STANDARD measure of value in a straight whiskey is proof... the strength of the whiskey. Just as "100% wool," "100% pure silk" is the measure of good fabrics, so 100 proof is "tops" in straight whiskey value. Some folks think that a 100 proof straight whiskey just can't be as smooth, as mellow, as they like a whiskey to be. We believe... and its phenomenal sale certainly proves... that Old Mr. Boston Straight Whiskey is an exception... a 100 proof straight whiskey that is as smooth as any whiskey you ever tasted. That is why so many people now buy Old Mr. Boston 100 proof Straight Whiskey—not once but again and again.

Buy a bottle of Old Mr. Boston 100 Proof Straight Whiskey tonight. Taste a full, ripe flavor that lingers pleasantly without a trace of "bite" or harshness. Then recall how little you paid for this treat because of the extra value of full 100 proof.
