

Cornhuskers Trample Oregon State 32 to 14 in Wide Open Fray

BEAVERS UNCORK PASSING ATTACK IN FINAL PHASE

Nebraskans Record Fifth Consecutive Victory Over Oregonians—Rally Adds Zest To Wild Game.

(By Joseph Flinzy)
 PORTLAND, Ore., Nov. 28.—(AP)—Out of the plains of Nebraska came the Cornhuskers to defeat the Oregon State Beavers 32 to 14 today in a wide-open game on chilly, Multnomah field.

It mattered little that the mid-western university team made but 7 first downs to Oregon State's 15. Too many of their first downs were touchdowns to give statistics a chance.

It was the fifth consecutive time the Oregon Staters have attempted to down the Cornhuskers and failed. The Beavers have disappointed fans a half-raising finish, however. With the score 22 to 0 against them in the final quarter, they slam-banged their way to two touchdowns.

Halfback Francis, Nebraska's candidate for all-American honors, scored the first touchdown, aided by his backfield teammates, Cardwell and Douglas. The Huskers marched from the Oregon State 46 to the 7. Francis was over three plays later.

Again in the first period, the Nebraskans rambled to the Beavers' 30. Francis went to the 25 on a fake reverse and then tossed a pass to right end McDonald who caught the ball on the 6 and stepped over for the score.

Joe Gray, Oregon State's red-headed halfback, fumbled to present Nebraska with its third scoring chance of the opening period. Right end Yelkin recovered and quarterback Howell packed the ball through the scattered Beaver line to the 11. A moment later Francis threw a touchdown pass to halfback Douglas. The fullback made good on the try for point for the first time in the game.

Score Twice In Third

The situation looked hopeless for the Beavers when Nebraska scored two more touchdowns in the third. A long pass, Howell to McDonald, sent the Cornhuskers to the Beaver 15, and substitute quarterback Phelps passed to McDonald for another six points. Francis converted Nebraska's final score was the most spectacular play of the game. Halfback Cardwell on the first play after receiving a punt ran 58 yards through a broken field to the goal.

With the score 32 to 0 against them, the Beavers opened their now-famous passing attack. The combination was Joe Gray to Bob Mountain. Gray threw to Mountain on a play which took the ball to the 10. Tasko one. Big Elmer Kolberg plunged over and Hutchins converted.

With less than five minutes to play, the Beavers continued to rifle passes and smashed and ran to the Cornhuskers' 27. Gray dropped back and threw a bullet-like pass to Mountain who received it over the goal line. Hutchins converted from placement for the 14th point.

Death Takes Hero Of Baseball Poem Casey At The Bat

SYRACUSE, N. Y., Nov. 28.—(AP)—Robert Casey, 78, reputedly the hero of the ballad "Casey at the Bat" died today.

Casey, noted as a hitter, was playing with the Detroit club of the old National league in 1885 and came to bat with the bases loaded in a crucial game.

He struck out, tradition has it and gave Ernest L. Thayer, a newspaperman, the inspiration for the poem "Casey at the Bat."

Thayer, however, made the setting of Casey's downfall in a baseball "flatbush" called "Mudville."

MANERO LEADING FIELD IN \$5,000 AUGUSTA TOURNEY

AUGUSTA, Ga., Nov. 28.—(AP)—Stucky Tony Manero, of Greensboro, N. C., put on a spectacular exhibition of short-mating today to lead the field in the \$5,000 Augusta open golf tournament. He had a total of 140 through 36 holes of the 72-hole affair.

The United States champion, playing masterfully over the hazardous country club course, clipped two strokes off regulation figures with a neat 70 to match his one-under-par 70 of yesterday over the Forest Hills layout.

As the field of 214 competitors was cut down to 66 money-seeking professionals and 15 amateurs for the final half of the event, Manero held a two-stroke lead over his nearest rival, slender Byron Nelson of Ridge-wood, N. J.

Scores of 152 were needed to get in the last 90 holes and among the more prominent players who failed to gain the ranks were Harold McSpadden, Winchester, Mass.; Gene Sarazen, Brookfield Center, Conn.; Roland McKenzie, Washington; Herman Barron, White Plains, N. Y.; and Ed Dudley of Philadelphia and Augusta.

Two veteran shot makers whose names rank well up in golfing's noted list—Horton Smith of Chicago, and Jimmy Hines, of Garden City, L. I.—were three strokes back of pace-setting Manero with 35-hole totals of 143.

Dennore (Denny) Shute, of Boston, recently-crowned champion of the professionals in the Pinehurst battle, put together rounds of 73 for a total of 144 and fifth place in the half way standstill.

Qualifiers included Neil Christian, Yachima, 140, and Emory Zimmerman, Portland, 140.

SEATTLE, Nov. 28.—(AP)—Five University of Washington men were named on the all-Pacific Coast conference football team selected today by George M. Varnell, sports editor of the Seattle Times and a conference field official.

Southern California gained two places and Stanford, California, Oregon and Washington State one each.

Varnell named the following: Clark, S. A. F. O. D., and Johnson, Washington, ends; Bond, Washington and Bork, Oregon, tackles; Starzewski, Washington, and Radovich, Southern California, guards; Herwig, California, center; Goddard, Washington State, quarterback; Cain and Haines, both Washington, halfbacks; and Schneider, Southern California fullback.

SEABISCUIT SETS NEW MARK IN BAY BRIDGE

SAN MATEO, Cal., Nov. 28.—(AP)—Mrs. Charles E. Howard's toy colt, Seabiscuit, won the Bay Bridge hand-icap, with Uppermost second, five lengths behind. Velocity was third.

The winner covered the mile in 1:36, a new record for the course and the third of the meet on successive Saturdays. A fifth of a second was shaved off the time made just a week ago by Uppermost.

Seabiscuit paid \$250, \$3.00 and \$3.20 on mutuels; Uppermost \$3.40 and \$2.80, and Velocity \$3.60 to show.

BASKETBALL CALL SET FOR MONDAY AT MEDFORD HIGH

Bowerman Will Watch Work-outs First Week To Pick Talent—Team To Be Hewed Of New Material.

First call for basketball will be issued Monday by Coach Bowerman, with workouts scheduled for the first week without any play assignments, so that he can pick the material for the squad, he said last night.

Practically all of last year's first team graduated or graduate at mid-term, so the 1936-37 team will be made up of practically new men. Despite that handicap Bowerman said he believed it likely that his team would be a better outfit than last year's, principally because the men will be taller.

Lewis, Baker, Dickinson, VanDyke, Lindley and Waller were lost through graduation, because Bowerman has ruled against mid-term seniors playing this year. Several men will be eligible until mid-term, but their graduation would wreck the squad for later games and Bowerman does not want that prospect to face.

Those who will be back from last year's squad will be Hayes, Laney, center, Crow, Wilson, McKee, Childers, Werner and Barker. There are several good men coming up from the Junior high group of casaba hurlers, and several promising aspirants from gym classes who have not played regular basketball at all, Bowerman said.

The first regular drill, when play assignments will be given and the first scrimmages held, will probably start on Monday. The basketball schedule has not yet been completed, but will probably include games with outstanding teams over the state.

COUGARS TO POINT FOR GONZAGA TILT

PULLMAN, Nov. 28.—(AP)—With only a three-day rest after the 40-0 trouncing at the hands of the Washington Huskies, the Washington State Cougars will open a final week's training grind Monday for the Gonzaga game December 6 at Spokane.

Coach O. E. (Babe) Hollingbery said the Cougars emerged from the Seattle game with punctured pride as the only injury, and he predicted the squad would be recovered fully next week.

Hollingbery's comment on the Thanksgiving day game was that "the university would have liked any team in the nation that day."

"It just seemed that Washington could do nothing wrong," he said. "They pulled tricks plays as slick as a whistle, outplayed us in the line; were better at blocking, and demoralized at tackling."

ROSE NAMED KING OF AUTO RACERS

WASHINGTON, Nov. 28.—(AP)—Mauri Rose of Indianapolis tonight was awarded the national automobile racing championship for 1936 by the contest board of the American Automobile Association governing body of the sport.

Rose, first American to finish in the inaugural George Vanderbilt cup classic at the new Roosevelt raceway October 12, led the list with 1020 points.

Tazio Nuvolari, Italian speedster, won the Long Island event, which gave him 600 points and fifth place in the AAA rating.

Lou Meyer, of Huntington Park, Calif., winner at Indianapolis this year, took second place in the national ratings with 1000 points. He has held the national championship three times.

Third place went to Ted Horn, of Los Angeles, who finished second at Indianapolis. He had 823 points.

THREE Pondered FOR BID TO BOWL

SEATTLE, Nov. 28.—(AP)—The University of Washington's opponent for the Rose Bowl football classic at Pasadena New Year's day will be announced next week.

Ray Eckmann, director of athletics, who has the job of selecting a team to represent the east, made this announcement tonight after commenting that Louisiana State's 32 to 0 victory over Tulane today, was "most interesting."

Eckmann said he will leave for the south tomorrow with a staff of four assistants and will announce the opposition in Los Angeles late next week.

"I cannot say anything now, other than Louisiana State, Alabama and Pittsburgh will be three of the schools given consideration," said Eckmann. "L.S.U. did a good job, didn't it? Very decisive, I would call it."

They planned to continue with their college careers. (Associated Press Photo)

JOURNEY TO ROSE BOWL MILE, 375 YARDS LONG

SEATTLE, Nov. 28.—(AP)—The rocky road to the Rose Bowl was just one mile and 375 yards long for Washington's Pacific Coast conference football champions.

Coach Jimmy Phelan's cleated warriors covered 1,795 yards on the ground in their seven conference and two non-conference games this season, and added 378 from passes for a grand total of 2,173 yards. This was 1,033 yards more than their opponents could muster.

The season's composite "yardstick" gave the Huskies the edge in all departments except kickoffs.

They collected 98 first downs and yielded 41, the line allowing but 22 from scrimmage. Washington completed its 1,756 yards from 447 scrimmage plays, averaging a neat 3.70. The nine opponents gained 695 yards in 274 tries, for an average of 2.54 a play.

TOUCHDOWN BY NAVY SINKS ARMY BEFORE 102,000 SPECTATORS

PHILADELPHIA, Nov. 28.—(AP)—It was the navy by a touchdown—and a courtmartial.

As a record eastern football throng of 102,000 spectators shivered and resigned themselves to the bleak prospect of a scoreless tie, the shell-shocked middlemitten rode out of the grey gloom of gigantic municipal stadium today to set a decisive break on illegal pass interference and ride it and the army mule to a 7 to 0 triumph, with only three minutes of the hectic battle left to go.

The break, like so many that have decided big games and caused heated arguments this year, capped a 73-yard march that brought victory to the middlemitten and left Henry Sullivan, youthful cadet from Louisville, Ky., the "goat" of the game.

For it was Sullivan, by quirk of fate, who was adjudged guilty of illegal interference on a 17-yard pass gave the middlemitten the ball on the 32-yard line, first down, from which point Bruce Schmidt, of St. Joseph, Mo., took the pigskin over after three terrific blasts at the heroic but battered Army line.

Ingram, son of a famous navy family, added the extra point from placement.

15 GOLFERS WIN TURKEY AWARDS

The annual Turkey Tournament at the Regus Valley golf course Thanksgiving day saw 15 men get close enough to the blind bogey, which was 70, to take home birds. Two divot trimmers pulled the blind bogey on the nose, H. C. Okey and Howard Pollock turning in even 70s.

Three golfers made 71's, J. V. Watson, F. H. Reum and Orin Schenk. Hobart Price, George Nelson, Dr. F. O. Hunch and D. R. Wood had 72's. Harold Johnson, Leo Glascock, Charles Cloy, Sr., and Dr. C. C. Goldsberry each netted 73's. Sixty entered the tournament.

It was announced yesterday that the P.A.T. tournament, underway for the last several weeks, would be completed during the week.

79-YARD RUN GIVES COLUMBIANS 7-0 WIN OVER STANFORDITES

NEW YORK, Nov. 28.—(AP)—Co-captain George Pury's 79-yard run back of the opening kickoff gave Columbia a 7-0 victory over Stanford on the frozen snow-swept gridiron of the polo grounds today.

Using only 14 men as they did in the Rose Bowl three years ago, the Lions also duplicated the score of that memorable New Year's day battle in the mud.

Just as "Rose Bowl Al" Barabas was the hero for Columbia in Pasadena, so was Pury, last of a famous Lion football family, the solo star today.

He drove straight down the gridiron untouched before most of the 20,000 shivering fans had reached their seats, and he cooled the last of Stanford's numerous desperate passes in the closing moments.

Stanford power, boosted in gum soled basketball shoes and equipped with chemical hand warmers, carried the show from the half time intermission to the beginning of the final quarter.

Stanford threw 32 passes, but completed only four while Columbia which relied most of the season on the passing of Sophomore Sid Luckman, tossed only eight, but completed three and outgained the Indians, 65 yards to 59, overhead. Neither team was able to fashion any effective running attack on the frigid turf. Stanford outyarded the New Yorkers 120 to 86.

LOUISIANA TRIMS TULANE 33 TO 0

BATON ROUGE, La., Nov. 28.—(AP)—Louisiana State university retained its southern title for another year and bolstered its Rose Bowl bid today by stampeding through Tulane, its old football foe, 33 to 0, before a crowd of 48,000 that smashed the southern grid attendance record.

It had set itself the task of running up a score in line with the 31-7 count Alabama, its rival for Rose Bowl honors, ran up on Tulane, and natty called the shot, scoring on speed and pass plays.

The former southern attendance record was 46,880 at the 1935 Duke-N.C. game.

METHODIST-CHRISTIAN WAGE SCORELESS TIE

DALLAS, Texas, Nov. 28.—(AP)—Two mud-caked kicking artists, "Slingshot Sam" Baugh of Texas Christian and Bob Finley, bulky Southern Methodist fullback, slammed a soggy football back and forth in a scoreless thriller before 18,000 drenched fans here today.

On the short end of three-to-one odds, the Methodists fought the favored Christians to a standstill.
