 There is a very good reason why practically everyone uses Mail Tribune classified ads and uses them often. Splendid results at small cost tell the story. Let these ads help you.

**S. P. WALKOUT SET FOR 6 P. M. FRIDAY**

**News Behind The News**  
 By PAUL MALLON  
 Copyright, 1937, by Paul Mallon  
 WASHINGTON, April 14.—The supreme court today told President Roosevelt how to do it, in fairly clear words of no more than three syllables, it furnished the missing formula of how to accomplish a new order without amending the constitution or packing the court.  
 Mr. Roosevelt was heard by one of his friends to say prior to the decision that if the Wagner act was upheld he could accomplish about 85 per cent of what he was trying to do. Some say 95 per cent. At any rate, it should be enough, or more than enough, in the first flush opinion of those whose opinions usually count.

Close listeners thought they detected a somewhat impatient tone in the voice of Chief Justice Hughes as he rendered his broad new interpretation of interstate commerce. He seemed to say that if General Johnson and Donald Richberg had used a little careful judgment all this trouble might not have arisen; if Richberg had picked an NRA test case against a large corporation instead of the sick chicken case, he might have won it. If Johnson had restrained his labor regulation to substantial business, he might have won approval by the court as well as the country.  
 In other words, Mr. Hughes seemed to say that what the new order needs and has always needed most is some careful lawyers and cautious administrators.  
 It is now being facetiously said Mr. Hughes will retire from the court of necessity and write the laws for the new order so there will be no doubt about them.  
 This interpretation is being challenged by new orderers, who insist the decision reflects only a change of mind by the court—the baptism of the court in the waters of public

**MACK LILLARD BUYS VALENTINE DWELLING**

Jimmie Valentine, owner of Valentine's cafe, announced today the sale of his home at 1619 East Main street, at present occupied by Mr. and Mrs. Raymond R. Reter, to Mack Lillard, wrestling promoter. The transaction involved \$5,000, the previous owner stated.  
 Mr. and Mrs. Lillard, who have been dividing their time between Medford and Klamath Falls, will take possession of their new home June 1, Valentine said.  
 The house was purchased by Valentine about three years ago shortly after it was built. It is a six-room, completely modern dwelling of English type.

**HERSHEY STRIKE ENDS; SELECT UNION LATER**

HERSHEY, Pa., April 14.—(AP)—The Hershey chocolate strike is ended. Hundreds of men and women workers returned today to the 17-mile stone factory. For the first time in 12 days they were not jeered by pickets.  
 An agreement was reached last night by which nearly 3,000 employees would vote whether they want the Local Workers club or the United Chocolate Workers, affiliate of the committee for industrial organization, to act as a bargaining agency.

**SIDE GLANCES**  
 by TRIBUNE REPORTERS

Helen Canfield receiving credit (or blame) for making a golden pear tree of tremendous artistic value which in truth she bought in a Frisco store for the chamber of commerce, she being the target for an appalling amount of setting on account of the chamber's error in attributing the workmanship to her.  
 John Boggs of Jacksonville wondering what to do with a stray goat that already has eaten his rubber boots and rose bushes.  
 J. Farrell Howe laughing with great gusto at jokes told by R. W. Doe, former Safeway manager here and now high in the company's councils.  
 Mayor Geo. W. Porter of Medford and Mayor T. S. Wiley of Ashland being the thick and the thin of it in being introduced at a Lions lunch.

**8,500 EMPLOYEES TO QUIT UNLESS DEMAND IS MET**

**Brotherhood Vice-President Announces Notification of Company — Government Mediator Doubts Strike**

WASHINGTON, April 14.—(AP)—President Roosevelt named today a three-man board to investigate disputes between the Southern Pacific company (Pacific Line) and the Northwestern Pacific Railway company and certain of their employees.  
 The board is to report to the president in 30 days.  
 The president appointed to the board Dr. Deater Keizer, president of Reed College, Portland, Ore.; G. Stansfield Arnold, San Francisco lawyer; and Charles Kerr, Washington, D. C. lawyer.  
 The president acted under the railway labor act authorizing him to create such a board when a dispute between railroad managements and employees is not settled by the national mediation board.

SAN FRANCISCO, April 14.—(AP)—C. V. McLaughlin, vice-president of the Brotherhood of Locomotive Firemen and Enginemen, announced today that 8,500 Southern Pacific employees would strike at 6 p. m. Friday unless a satisfactory settlement of their demands was reached before then.  
 A. D. McDonald, president of the Southern Pacific, said it was expected that President Roosevelt would create an emergency board under the railway labor act, to deal with the emergency.  
 McLaughlin said he and C. H. Smith, vice-president of the Brotherhood of railroad trainmen, had notified Southern Pacific officials of the impending action.  
 "The men will quit the service Friday at 6 p. m. unless a satisfactory settlement is reached before that time," McLaughlin declared.  
 "We have notified Southern Pacific officials by letter."  
 "About 8,500 engine, train and yard service employees would be involved," Dr. William M. Larson, federal mediator, previously had declared he doubted the strike would be called.

**14-INCH SNOWFALL REPORTED AT LAKE**

A severe storm which brought 14 inches of snow to Crater Lake national park in 24 hours, was reported in a radio broadcast from park headquarters today. The fresh fall brought the ground cover of snow at headquarters to 145 inches, greatest depth this year.  
 Precipitation for the 24 hours was 4.19 inches, believed to be the greatest since park records were kept, said David H. Canfield superintendent. The precipitation, he pointed out, was of cloudburst proportions. The storm had abated this morning.  
 No damage was reported but roads in the park were made excessively slushy and the road to the lake rim was closed. It was expected that the rim drive would be reopened by tonight. Men were put to work shoveling snow from the tops of buildings as the moisture-laden weight presented a danger of collapse. Mr. Canfield said.

**SWEENEY IS DEPUTY IN ROYAL MASTERS**

PORTLAND, April 14.—(AP)—The grand council of Royal and Select Masters elevated D. Bruce Stuart of Corvallis to the post of Most Illustrious Grand Master at their annual meeting here.  
 Other new officers include R. E. Sweeney, Medford, deputy grand master; P. A. French, The Dalles, grand marshal; Ed Snodgrass, La Grande, grand steward; and Otto W. Zimmerman, Baker, grand sentinel.  
 Name Guard Captain.  
 ROSEBURG, Ore., April 14.—(AP)—R. L. Irving, who has been serving a first lieutenant of the Roseburg national guard company, has been elected captain, to fill the place made vacant by the recent resignation of Captain V. J. Micelli. Holding a first lieutenant's commission in the officers reserve, Irving enlisted with the Roseburg company as a private in 1929.

**Responsibility of Citizen Changed Since Cain's Day**

PORTLAND, April 14.—(AP)—Good citizenship begins when a person, answering Cain's question, "am I my brother's keeper?" replies, "I am my brother's keeper." Dr. Frederick M. Hunter, chancellor of higher education, told a thousand delegates to the 98th convention of the Oregon Congress of Parents and Teachers last night.  
 It is used to be, Dr. Hunter remarked, that a person was a good citizen if he kept out of trouble and especially was a fine character if he left something for his family when he was gone. But the time has come when good citizenship embraces the responsibility of adding to the welfare of the community.  
 Citizens must educate themselves to control their prejudices and the home and the school is the means of doing it, he said. "We must teach our young people to vote not with the emotions aroused through pressure groups and by demagogues but by intelligent thinking and knowledge of facts," the chancellor counseled.  
 "A home cannot be a good one until we make a partnership" out of it and remove father from the status of treasurer, Mrs. John E. Hager, Twin Falls, Idaho, associate editor of the National Parent-Teacher magazine, said.  
 "The work that each one (in the home) is called upon to do should be looked upon as a blessing and not a doom," she said.  
 Saying the home was not enough in itself to create the proper environment in a community, she declared that a new kind of citizenship is needed, "a citizenship with an attitude of responsibility for one's own acts."

**Medford to Observe 30th Infantry Day April 20**

**Accused Kidnapers End Hunger Strike After Seven Days**

BAKER, April 14.—(AP)—Clifford Ray Tiffany and George Melvin Coffin ended their hunger strike in the Baker county jail last night after Coffin had fainted, asking a deputy for soup which was at once furnished.  
 This morning the two, who face charges of jail breaking and kidnaping a local taxi driver at the point of a gun the night of April 4, breakfasted on mush, milk, toast and coffee. They asked for a broom and for hair cuts, appearing in much better humor than in recent days when they had objected to being confined in a small cell.  
 They went without food for seven days.

**APRIL RAINFALL AMONG HEAVIEST RECORDED HERE**

By the Associated Press.  
 Rivers of western Oregon, fed by torrential rains for two days, menaced the Willamette and Rogue valleys today with flood conditions. Weather prospects were that the situation would become more dangerous.  
 Low pressure areas off the coast and scattered storms prompted the weather bureau to forecast a continuation of rains, although the expectation was they would be lighter and cooling temperatures were in the offing, indicating a slower melting of the snow pack.  
 Storm warnings were hoisted again along the coast, with a 38-mile wind blowing at the mouth of the Columbia river.  
 A sudden rise in temperatures and clearing skies today followed spring storms as Rogue valley residents contemplated minor damage from wind and rain Monday and Tuesday.  
 Rainfall last night amounted to .33 of an inch and continued showers were forecast this morning for tonight and tomorrow. Lower temperatures were expected tonight. In only 8 years of the 27 that weather bureau records have been kept here has precipitation during the month of April exceeded that of the present month so far. Total monthly precipitation was reported this morning as 1.77 inches. Highest ever set for April occurred in 1916.

**FRANKLIN STENDS KEEP TEAM TITLE**

CORVALLIS, April 14.—(AP)—Franklin high school, Portland, successfully defended its team shorthand championship in the annual contest held at the state college campus last year, a compilation of scores revealed today.  
 Trailing the victor in order were Salem, Dallas and Eugene.  
 The Franklin team, instructed by Edith Tibbitts, Helen Byland, Joan Hawson and Mabel Schwarz. They averaged 98.6 per cent accurate in the hundred-word-a-minute dictation for five minutes.  
 The Salem team, composed of Esther Riedesel, Gertrude Froelich, Dorothy Lotz and Urselotte Fulmer, averaged 92.5.  
 The gold medal for the highest individual score went to a Seaverton girl, Miriam Doty, who missed perfect by four-tenths of one per cent.  
 Miss Tibbitts had the same average but her transcription was slower. Miss Fulmer received honorable mention.

**Fish Lake Frozen Anglers Are Told**

Olen Arnsperger said this afternoon that he had been swamped with hundreds of queries by fishermen, relative to conditions at Fish Lake, and his response was able to reply:  
 Fishermen can travel by way of Butte Falls to within six miles of Fish Lake and will have to walk the rest of the way.  
 Fish lake is still frozen over and fishing will have to be done through holes in the ice.

**17 PAIR TWIN LAMBS IN WILLIAMS CREEK FLOCK**

Seventeen pair of twin lambs were born in one day recently in the small flock of sheep belonging to Mrs. Roy Lofland. The band numbers between 30 and 35 sheep.  
 Mrs. Lofland finds the small flock a satisfying source of pin money and a highly prolific business, she says.

**Autolot Killed**

KLAMATH FALLS, April 14.—(AP)—David Hanover, 29, of Hager, was killed early today when the car he was driving sideswiped a truck on a curve and plunged into a ditch on the Weed-Klamath Falls highway 26 miles north of Weed.

**LOWER TAX TAKE FORCES CURB ON FEDERAL SPENDING**

**Roosevelt Tells Government Agency Heads to Trim Payrolls Immediately — Income Tax Disappoints**

WASHINGTON, April 14.—(AP)—The administration, faced with failure of tax revenues to reach estimates, began tightening federal purse strings today.  
 President Roosevelt instructed heads of all government agencies to effect an immediate curtailment of expenditures for the remainder of the fiscal year.  
 Secretary Wallace promptly announced 850 workers would be removed from the agricultural adjustment administration payroll at the end of this month.  
 Mr. Roosevelt's order yesterday said that expenditure cut would be necessary to prevent the deficit from being far greater than the \$2,652,454,000 estimate.  
 Substantial Cuts seen.  
 Treasury officials said they did not know how much could be whittled from projected expenditures, but asserted substantial cuts probably could be effected.  
 There was conjecture over whether other department heads would follow Wallace's lead in slashing employment rolls.  
 The agriculture chief said the 830 AAA employees to be dismissed had been making payments to farmers under the original crop control law. A staff of 120 will be kept to finish this work.  
 The president will send to congress next week revised budget estimates for both the 1937 and 1938 fiscal years, together with his estimate of relief needs for the latter.  
 Led by Senator Byrnes (D-S. C.), some prominent Democratic senators are proposing a cut in relief spending. Byrnes is surveying the financial situation.

**CONCERTED ACTION IN PEAR CAMPAIGN IS URGED BY DOE**

Concerted action of all business elements in putting over special sales campaigns designed to help farm and orchard producers was advocated today by R. W. Doe, executive vice-president of Safeway Stores, Inc., who came here from his Oakland, Cal., office to address a luncheon meeting of Rogue valley business men and women. The luncheon was held in the Hotel Medford under sponsorship of the Lions club.  
 Mr. Doe dwelled especially upon the current national sales campaign to reduce surplus stocks of canned pears and declared that the widespread advertising being carried out in connection with the drive would make Americans more pear conscious than they had ever been before.  
 "There is nothing altruistic in this campaign," Mr. Doe asserted. "It is good business. It is good for us, it is good for the producers and it is good for you. The prosperity of all of us depends upon the prosperity of the agricultural producer. Anything that helps the grower helps us all. This campaign is practical farm relief."  
 Pointing out that no guarantee is given that these campaigns will stimulate commodity prices, Mr. Doe said that such drives in the past had nevertheless raised prices paid to the growers. He pointed to last year's campaign designed to reduce excess stocks of canned California peaches. A surplus of 5,000,000 cases, he recalled, was reduced below a normal minimum and for the following crop growers received \$90 instead of \$110 for their peaches.  
 The pear campaign, he stated, is intended to reduce surplus stocks of 3,000,000 cases and he declared that the number of cases which will be sold throughout the nation will be amazing.

**SIX CASES SMALLPOX NOW IN QUARANTINE**

Dr. L. D. Inskeep, city health officer, reported today that there were six cases of smallpox now in quarantine in Medford, bringing the total since the first of the year to 20.  
 That number was far below the cases in quarantine at the same time last year. Dr. Inskeep stated, when around 90 persons were quarantined.  
 "Most of the cases now and since the first of the year are among those who did not avail themselves of vaccination last year," the health officer said. "Because of the many who were vaccinated last year," he added, "there should be few cases this year."

**Arch Masons Select L. M. SNOW AS LEADER**

PORTLAND, April 14.—(AP)—The 77th annual state session of Royal Arch Masons elected L. M. Snow, Portland, most excellent grand high priest to succeed Ernest P. Bands of Oregon City.  
 Other officers: Clarence R. Wheeler, Egin, grand king; Frank A. French, The Dalles, grand scribe; Herbert L. Toney, McMinnville, grand treasurer; D. Rufus Cheney, Portland, grand secretary; and Arthur Molesworth, grand chaplain of the host.

**Regimental Band Concert Evening of April 20 Will Be Blossom Week Feature**

Music will help carry out the spring walk in the Rogue river valley's first annual "pear blossom week." April 18 to 25, it was announced today by Raymond R. Reter, general chairman in charge of the Crater City sponsor of the celebration.  
 The 75-piece band of the 30th infantry regiment will give a concert in city park adjoining the library on the evening of April 20, Mr. Reter said. The regiment will spend the night here on its march from San Francisco to Fort Lewis, Wash., where it will participate in massed maneuvers.  
 The park will be especially decorated for the occasion. A bandstand will be erected Saturday under the direction of Fred W. Scheffel, city superintendent, and truckloads of pear blossoms will be used in decorating the park. Mr. Reter stated.  
 The bandstand will be made into

**Gives Talk Here**

R. W. Doe, executive vice-president of Safeway Stores, Inc., at the Oakland, Cal., headquarters who addressed a Lions-sponsored luncheon meeting of Rogue valley business men and women in the Hotel Medford this afternoon.

**CANADIAN MAYOR DEMANDS U.A.W.A. SYMPATHY STRIKE**

**Ultimatum Sent Head of American Auto Workers Union in Detroit by Oshawa, Ontario, Executive**

TORONTO, April 14.—(AP)—The young mayor of strike-bound Oshawa and the premier of Ontario stepped suddenly and forcefully into the General Motors of Canada strike today—the mayor to flatly demand United States strike support for the 3700 Canadians who are out; the premier to demand that two of his disident ministers resign.  
 Dapper Alex Hall, mayor of the town which is the scene of the motor strike, sent by telegraph and mail an ultimatum to the head of the United Automobile Workers of America in Detroit, demanding that U. A. W. A. workers in the United States strike unless a Canadian agreement between General Motors and its workers is effected by the week-end.  
 Otherwise, he declared, he would tell Canadian workmen next Monday night to go back to work and abandon the union idea; that the international union is "not playing the game" and that the workers are being "fooled and hoodwinked."  
 On the other side, Premier Mitchell Hepburn of Toronto demanded the resignations of two of his ministers who have disagreed with him in his outspoken opposition to John L. Lewis unions entering Canada.  
 Mayor Hall, in his ultimatum to Homer Martin, president of the U. A. W. A., declared he could "not bear to see Canadian workmen loving while American workmen are gaining."  
 "Such conduct," he added, "negatives the strength of any international union."  
 A few hours earlier, Hugh Thompson, C. I. O. organizer at Oshawa, had quoted E. C. Hall, vice-president of the U. A. W. A., as saying that if General Motors shipped United States-made cars to England to fill Oshawa orders, there would be new all-out strikes in Detroit.

**GOVERNOR LAUDS CHIEF OF POLICE**

SALEM, April 14.—(AP)—Digressing for a brief moment from paying tribute to Thomas Jefferson, Governor Martin lauded last night the work of state departments and commissions in keeping Oregon in fine condition.  
 Responding to the address of Mayor Joseph K. Carson, the executive declared that all his appointments had been Democrats except the head of the state police.  
 "Under no circumstances," he said, "would I replace that fine man, Charles P. Pray, who has done so much to maintain peace and order in this state. I don't care what his politics are."  
 The governor and mayor were the main speakers at the Marion County Democratic society's Jefferson Day banquet which was attended by prominent local and state Democratic leaders.

**Gosslin Accused Of Dictating To Young Bourbons**

SALEM, April 14.—(AP)—The asserted "dictatorship" of W. L. Gosslin, secretary to Gov. Martin, will be the focal point of a battle among Young Democrats at their annual convention at North Bend next Saturday, Walter L. Toose, Jr., Portland, said today.  
 Toose, a candidate for the presidency of the organization, on a visit to the governor today, said the administration of the governor would not enter into the controversy.

**LEADERS OF NEW DEAL REVAMP STRATEGY IN VIEW OF COURT ACTION**

WASHINGTON, April 14.—(AP)—Administration leaders, long insistent that the judiciary reorganization bill had precedence over wage and hour legislation, reconsidered their strategy today in the light of the supreme court's Wagner act decision.  
 President Roosevelt's advisers expected to complete soon a new set of recommendations on minimum wage and maximum hour standards. These may be transmitted to congress regardless of the court bill's status.  
 Whether wage and hour or similar proposals would get floor consideration ahead of the judiciary measure appeared to depend on how soon the senate judiciary committee ends its hearings.  
 Chairman Ashurst (D-Ariz.) said the committee would consider when to close testimony at an executive session Saturday.

**SIT-DOWNERS EVICTED AFTER HAND-TO-HAND BATTLE WITH POLICE**

DETROIT, April 14.—(AP)—Using tear gas bombs, police raided the Yale & Townes Manufacturing Co. plant here today and began the forcible eviction of 160 sit-down strikers, most of them women. Hand-to-hand fighting with police broke out and several lead weights were thrown.  
 The entire neighborhood was hazy with smoke and tear gas fumes. Some of the 200 police and sheriff's deputies fell back for a time and then approached the factory from the rear.  
 After a few minutes, police started leading out strikers and placing them in patrol wagons.  
 Some strikers caught tear gas bombs before they exploded and tossed them back at the police.

**ARCH MASONS SELECT L. M. SNOW AS LEADER**

**CITY TO WELCOME 1400 SOLDIERS ON TREK TO FT. LEWIS**

**Baseball Game in Afternoon, Band Concert in Evening, Dance at Night On Program — Day Proclaimed**

**Proclamation**

Whereas, the 30th Infantry, U. S. Army, will encamp at the Jackson County Fairgrounds in Medford, April 20, while en route from the Presidio of San Francisco to Fort Lewis, Washington; and whereas the movement of an entire regiment through this city will constitute one of the biggest peace-time movements of troops here since the World War; and whereas the people of Medford and southern Oregon have been invited to inspect the regiment at its overnight encampment; and whereas the city of Medford will be host to the 75 officers and 1400 men of the regiment during their stay here; I therefore proclaim Thursday, April 20, 1937, as "30th Infantry Day" in Medford, and urge the people of this city to show evidence of their hospitality by a display of flags on that day and by attending the concert and public inspection of the regiment.  
 GEORGE PORTER,  
 Mayor of Medford.

**SHADE OF THURSTON FAILS TO KEEP PACT MADE BEFORE DEATH**

COLUMBUS, O., April 14.—(AP)—In the chill gloom of Greenlawn cemetery abby, Claude D. Noble tearfully gripped a symbolic wand yesterday as he tried—and failed—to communicate with the spirit of Howard Thurston, the great magician who died exactly one year ago.  
 Noble, Detroit magician and an executor of Thurston's estate, knelt with the dead showman's brother, William Thurston, before the crypts where the body lay.  
 For five minutes, not a sound was uttered. Then Noble held before him the foot-long wand, and, intoning the Lord's prayer.  
 At exactly 12:31, the moment when Noble said Thurston died a year ago, the kneeling man spoke hoarsely: "My dear friend, Howard Thurston, memory of the pact you and I made many years ago. I hold this wand before me, and beseech you, God willing to strike it from my hand."  
 For a long minute Noble knelt in silence, but the wand did not fall. "I am sorry, but not disappointed," said Noble. "Neither Howard nor I believed in spiritualism, but he was deeply interested in trying to discover true phenomena."  
 "Mine was the last of 24 pacts he made with friends and relatives, and all of them failed."  
 "The pact is over, but I'll try again next year, and the next, just to make sure."

**Baker Joins State Air Circus Plans**

BAKER, April 14.—(AP)—The Baker chamber of commerce directors last night voted to sponsor an air circus here July 5 during the annual mining jubilee. They will send their \$1000 guarantee to the treasurer of the committee at once. It is understood here that ten Oregon cities will have the circus.  
 LONDON, April 14.—(AP)—Commissioner John McMillan who began his Salvation Army career in Canada 50 years ago, will become chief of staff of the organization, second only to General Evangelina Booth, at the end of this month.
