## SAVICH AND ESTES GRAPPLE MONDAY

A clean, colorful match seems to be in store for grappling fans next Monday night when Danny Savich, the Sonnenberg ex-football star tangles with the brilliant Toots Estes, former champion of the Hawaiian Islands, in the main event at the Medford Armory.

In the middle go, Cowboy Billy McEwen, who dumped Charley Carr in two straight falls last Monday, faces the Polish Palooka, Joe Smolinski, recovering from a terrific beating handed him by Savich.

Duke Pettigrove, a short, squatly roughneck from New Orleans, will meet the lightning-fast Carr in the opener. Pettigrove appeared here two years ago, and is reported to have got no cleaner fast.

Sometimes called the father of modern baseball, the earliest devotee of the hit-and-run, and tutor of such baseball "greats" as the late John J. McGraw, "Uncle" Wilbert Robinson, and Hughie Jennings, Hanlon died here shortly before midnight last night. He was 79.

## LANDIS CLEARS PATH FOR YOUNG SLUGGER

CHICAGO, April 15.—(AP)—A half dozen major league baseball clubs waded checkbooks today at Tom Henrich, husky young outfielder whose 244 minor league batting average promised future greatness.

Henrich was freed from the Milwaukee club of the American association by Baseball Commissioner Kenesaw Mountain Landis yesterday, in a ruling that carried an implied rebuke to the Cleveland Indians for attempting to "cover up" the player to prevent his advancement to major league surroundings under the draft rule.

## NAZI NEWSPAPERS TWIT AMERICA ON LYNCHING NEGROES

NEW YORK, April 15.—(AP)—The American committee for Christian German refugees expressed surprise today that the Nazi inspired press should have elected to attack a film shown at Riverside church Sunday in the committee's campaign to raise funds for refugees' relief.

"We are not anti anything," Ritchie said. "Ours is a purely humanitarian organization created to raise funds for the thousands of Christian German refugees in all parts of the world who find themselves homeless and without means to provide their own livelihood."

He said the film shown Sunday under the committee's auspices "was not a hate film but simply a frank portrayal of the desperate situation many of these refugees now are in."
