Bend's Lava Bears are definitely slated for Medford on October 20, and the Eugene high Axemen will be in town Thanksgiving. Ashland, Grants Pass and Klamath Falls, southern Oregon conference members, will be played on their own fields, Bowerman said. The Ashland battle will be staged Armistice day.

(By the Associated Press) The battered and cuffed Portland Beavers, 1936 Coast League champions, but now just one jump out of the cellar, hoped for better things today and a little respect from the San Francisco Seals.

While Sad Sam Gibson, pitching good ball to move up into a tie for the leadership of the circuit hurlers, the Seals hammered out 13 hits and blanked the Beavers, 11 to 0, at Portland last night.

### JACK TORRANCE IN DISMAL DEBUT

NEW YORK, April 29.—(UP) Jack Torrance, former world champion shot-putter, last night made a dismal debut in big time pugilism by suffering a technical knockout in the second round of his scheduled six-round bout with Abe Simon of Brooklyn at the Hippodrome.

This battle of the behemoths, in which each man scaled more than 250 pounds, lasted only until one minute and two seconds of the second round.

Referee Arthur Donovan halted the affair after Torrance had been floored three times.

Three left hooks to Torrance's chin accounted for Jack's three trips to the canvas. Each time he crashed to the floor in sections, like a toppling brick smokestack.

Clouds of resin rose as he landed. He was lying outstretched on his stomach when Referee Donovan motioned that the battle was over.

With three weeks of school left, the new vehicle cannot be obtained in time for use this term, and would like to use the present vehicle during the remaining time.
