# Symphony Impresses in Third Appearance Here

By Mrs. E. E. Gore

One of the major events of Medford's observance of National Music Week was the concert presented last night at the high school auditorium by the Junior Symphony orchestra, under the direction of John R. Knight. The orchestra was assisted by the Boys' and Girls' Glee clubs of the high school under the very able leadership of Miss Floyd Young.

This was the third outstanding concert presented by this group of young players, the personnel of which includes students from Galice, Grants Pass, Jacksonville, Ashland, Eagle Point, Medford, Talent and Phoenix. Evidently affording students the opportunity to appear before an audience of friends and supporters, these concerts familiarize the young people with good music, and are given as a generous community service.

The young soloists, Marcia Van Dyke, violin, Verlyn Thomas, violin, Leroy Neff, cello, Billie Wilson, French horn, and Mary Sheldon, flute, deserve special mention as also do the piano accompanists, Miss Genevieve Brown, Miss Shirley Riebel and Miss Carlotta Wiseman.

Words of commendation were heard on every side for the enterprise, industry and efficiency of Mr. Knight and also for the co-operative spirit of the musicians playing with the students, and also of the enthusiasm and understanding of the large audience that completely filled the auditorium.

# DEFENSE TO OPEN IN DAMAGE CASE

The defense in the damage suit of Mrs. Gertrude M. Moffett of this city, for \$75,000 against J. J. Hendricks was expected to open this afternoon in circuit court.

George Moffett, husband of the plaintiff testified this morning, and described the events before and after the auto crash, involving two autos and the Hendricks truck, at Verbeia crossing, on the Pacific highway, September 27.

Mrs. Moffett alleges in her suit the auto in which she was a passenger was hurled from the road, and she sustained permanent injuries, resulting among other ailments in the shortening of one leg.

Negligence by the driver of the truck is claimed by the plaintiff. The defense contends the collision was caused by failure of Helmer O. Moen to give proper signals, and exercise due caution while attempting to turn into the Verbeia crossing road.

Card of Thanks. We deeply appreciate the many beautiful expressions of love and sympathy we have received because of the illness and death of our mother and grandmother. We wish also to sincerely thank those who assisted at the services—Mr. and Mrs. M. G. Mordoff, Mr. and Mrs. Chas. Beery, Mr. and Mrs. H. S. Chirgwin, Mr. and Mrs. Jimmy Hall, Mr. and Mrs. Alan Perry, Miss Nelle Mordoff.

Killed By Disc. CORVALLIS, Ore., May 6.—(AP)—Killed when run over by his own disc while working alone, the body of Platt Hathaway of Kiger Island was found in his field Wednesday afternoon. He was believed to have fallen from his tractor.

# HAAB MAY FACE ADDED CHARGES

Additional charges will probably be filed against Elmer Haab, 19 Ashland youth, who with fifteen days of a 90-day sentence for petty larceny to serve, walked away from the county jail last Saturday while acting as a trustee.

Sheriff Syd I. Brown said today, Haab was captured Monday evening by the state police near the state line.

The sheriff said the 90-day sentence had apparently been meted, to give Haab a "break" because of his youth, though three statements admitting burglaries had been made by him. The prowling occurred in the Ashland district, over a year or more.

Portland, May 6.—(AP)—Henry P. Buehner, timberman found dead near Marshfield last week, left an estate estimated at more than \$1,000,000, it was reported today. The petition for probate set the value "in excess of \$50,000."

Haab will be presented to the court for consideration. Under Oregon law it is a felony to escape jail or prison.
