

PLANS COMPLETED FOR SCOUT JAUNT TO NATIONAL CAMP

Applications Must Be Filed at Headquarters by May 15 — Jamboree Itinerary Lists Sightseeing Tours

"All Boy Scouts accompanying the Crater lake area council contingent to the national jamboree to be held in Washington, D. C., next month must file their preliminary application at Medford headquarters by Saturday, May 15," Larry Schade, council president and jamboree committee chairman, said today.

Others on the jamboree committee are Seth M. Bullis, Medford district chairman; Frank J. Van Dyke, Ashland district chairman; G. Howard Grover, Grants Pass district chairman; George Luttrell, northern Siskiyou district chairman, and L. N. Lorenzen, southern Siskiyou district chairman.

Leadership for the contingent will include Scout Executive Irving P. Beesley as jamboree director. The following Mr. Schade said, have indicated a desire to attend and have been approved by the jamboree committee as prospective scoutmasters and assistants for the Medford district: Frank Hull, Jr., F. K. Deibel, Paul Mengat, Joe Naumes and Archie Steward. For the Grants Pass district: W. J. Moyer, district commissioner; E. Grant Davis and Vernon Trimble. Ashland district: W. Ausland. North Siskiyou district: F. J. Jones. South Siskiyou district: "Happy" Richardson, district commissioner. Others scouts interested were asked to consult local headquarters or any member of the jamboree committee.

Scouts will all receive an invitation within the next day or two from their scoutmasters explaining in detail the features of the jamboree, what they will see, the leadership, the itinerary and plan of the local council, Mr. Schade related.

The boys will leave Medford Sunday evening, June 20, and travel in Pullman cars to San Francisco where they will spend a day seeing the new bridges, Chinatown, Golden Gate park and other points of special interest. Their next stop will be in Salt Lake City, Utah, where they plan to swim in Great Salt Lake. After sight seeing tours through the Mormon tabernacle and the city they will leave by way of the Royal Gorge over the high mountain passes of the Rockies into Pueblo and Denver, Colo.

After sightseeing, the contingent will continue to St. Louis for another swim and tour before crossing the Mississippi and proceeding to Cincinnati. The group will arrive in Washington June 27. Prior to the opening of the jamboree they will conduct their required 3-day preliminary training camp during which time the detailed organization of the contingent will be perfected. During the following 10 days of the first national jamboree ever held in America, the boys will be the guests of President Roosevelt who has extended an invitation to every registered member of the Boy Scouts of America. Extensive sightseeing in Washington, including a special trip to Mt. Vernon, will be part of the program.

It is estimated that more than 25,000 scouts will represent every part of the United States at the jamboree. More than 25 foreign countries have registered contingents so that the jamboree will have a world aspect.

Immediately following the jamboree on July 8, the local boys will entrain for Philadelphia and after visiting Independence hall and the Liberty bell, among other points of interest, they will take a special side trip to Atlantic City for a swim in the Atlantic. Next they will visit New York and spend several days taking in the "high lights" of the city of interest to boys. They will go from New York to Albany, Buffalo and Niagara Falls where they will see the famed attraction.

The world's largest industrial plant and the famous Greenfield Village will be the next stop at Detroit. Then in Chicago the group will visit points of interest before leaving for St. Paul, Minneapolis and Seattle, spending time enroute for sightseeing. They will return via Portland to Medford on July 21.

Jamboree committee said that "this entire experience under capable and dependable leadership with at least one approved adult to every 10 scouts and with personal insurance, tentage, beds and bedding, laundry, food, side trips, sightseeing, hotels and all may be had at the special and nominal rate of \$165. It would cost twice as much to see half as much if it were not for the special fares and prices being given to the Boy Scouts."

UPSET PUTS END TO CANOE TRIP

THE DALLES, May 7.—(P)—Following a narrow escape from drowning in the Columbia river east of The Dalles, Harold B. Martin, 23, of Delano, Cal., has abandoned, temporarily at least, his projected canoe trip up the Columbia to Lewiston, thence down the headwaters of the Missouri river in Montana to the Mississippi and down that river to New Orleans.

The first indication of the mishap was the discovery of a bedding roll and canoe paddle in fishermen's nets below Celilo Falls. Sheriff Sexton was called and started a search of the river bank, guided by a diary found among the blankets.

Martin was finally found on an island in the Columbia river near the mouth of the Deschutes where he played a "Robinson Crusoe" role for seven hours. He had discarded heavy outer garments before the canoe overturned at "Hell's Gate."

Elephants are said by scientists to have inhabited the earth at least 50,000 years before man, and dinosaurs are believed to have lived 30,000,000 years before the elephant.

Recipe for Refreshment

FOR real refreshment reach for a "Steinik" Brown Bottle of Schlitz Beer. Brewed to mellow-ripe perfection under Precise Enzyme Control... with added health benefits of Sunshine Vitamin D... Schlitz brings you winter and summer uniform deliciousness.

You don't have to cultivate a taste for Schlitz. You like it on first acquaintance... and ever after.

FATHERS FORUM TO BE HELD AT EXTENSION MEET

"The Privileges of a Father" will be topic for discussion Tuesday, May 11, at 8 p. m. in the courthouse auditorium. The meeting is being held under auspices of the extension service, and discussion will be led

by Mrs. Maud Morse extension specialist in parent education and child development. Arrangements for the meeting are being made by Mabel C. Mack, Jackson county home demonstration agent.

Have you had any questions in your mind as to what a family has a right to expect of a father, or what a father has a right to expect of his family? Do you know how good a father you are? Come to the meeting and take stock of yourself as a parent, in the plea of Mrs. Mack.

The meeting is open to anyone interested. The topic is one which will be of special interest to men. Mrs. Morse plans to present some "dons" by fathers for fathers and some "dos" by fathers for fathers.

"Husbands, bring your wives. Wives bring your husbands. We've neglected father long enough. Fathers have much to offer parent education. Parent education discussion groups hold surprises a store for fathers," says the announcement.

There will be group singing and a stimulating presentation and discussion of the subject.

As a special feature, there will be an exhibit of homemade games for the family, and of furniture that was refinished at the school held recently. Parent Education Study club members will be hostesses. Refreshments will be served.

Painting Dilemma Solved
PASADENA, Cal. (UP)—This city's name will not have to be shortened.

When the Pasadena Junior chamber of commerce decided to advertise the city for the benefit of aerial tourists by painting the name of the city on a 100,000 square foot space, it failed to reckon with the paint. It got as far as "Pas" when the paint was exhausted. Rather than shorten the name of the city municipal authorities devised into the city's store of paint and donated enough to complete the name.

Slips That Fit by KICKERNICK
\$1.95 Panna. Crepe. Satin \$3.95.
