THOUSANDS IN OREGON, WASHINGTON AND CALIFORNIA RELIEVED OF BLOATING GAS AND SLUGGISH STOMACHS Demand for S. L. K. Surpassed Pacific Coast Druggist Expectations

Over eighty-thousand Pacific Coast people have secured Williams S.L.K. Formula during the last few months. Hundreds of letters have arrived praising the company for such marvelous relief.

Suffers Many Years Here is one of the many letters sent in by Mr. H. T. Disney, 518 Mary St., Medford, Oregon. "For a number of years I had suffered from the terrible agonies of gaseous stomach and bloated. I had indigestion and was afflicted with constipation. After eating, my stomach would trouble me for hours. I was unable to sleep. I tried almost everything for relief. I noticed an advertisement of Williams S.L.K. Formula. I noticed from the ad that it cost me nothing if it didn't help me and that alone was proof that the company was on the up and up. I purchased a bottle, after taking the first bottle I felt greatly relieved—I slept much better. I have now taken four bottles and believe me I can certainly vouch for S.L.K. for I have certainly had relief. I feel greatly indebted to the Williams' Laboratories for the benefits this great medicine has brought me."

No Secret to S. L. K. Williams S.L.K. Formula is nothing but a doctor's prescription for relief. Gas, Foul Acid Stomach, Pelton-Clogged Bowels and Stagnant Kidneys—Nerve Exhaustion from such irritating conditions, and Blood Tonic. The ingredients are plainly printed on the label. Ask your druggist what these ingredients are. He will tell you and he will tell you what S.L.K. should do for you. If you are listless, tired, and worn out—actually so sick you can hardly keep going because of poisonous impurities resulting from a stagnant bowel condition, if your appetite is gone and you are suffering from awful biliousness, tormenting sick headaches, and skin eruptions resulting from sluggish action of your stomach and bowels, if your kidneys are sluggish causing frequent night rising, try Williams S.L.K. Formula. See for yourself. It helps to relieve these conditions because it acts as a stomachic, tonic, diuretic, corrective, and laxative.

Medford Woman Is Relieved of Pain "During the influenza epidemic at the time of the World War I was one of those stricken. I have never felt 100% since that time. I had no appetite, I was troubled with gas and bloated, and sluggish stomach. I became weak. I really needed a tonic to build me up and something to relieve my sluggish condition. My husband had clipped an advertisement
