

**BLIND FISHERMAN GETS FREE LICENSE IN IDAHO**

BOISE, Idaho, May 21.—(AP)—Blind Charles W. Merkle of Piler,

went fishing today with a free license—first issued in Idaho under a new statute which exempts the sightless from paying the regular \$2 fee.

**SCHOOL HEADS CONFER HERE ON REGISTRATION AND RECORD REVISIONS**

A special study of recommendations of the United States department of education as to registers and records used by teachers was made here yesterday by a committee appointed by the state organization of county school superintendents.

The committee, headed by C. R. Rowman, Jackson county superintendent, was named to study and recommend changes in administrative blanks used by teachers. It has been in existence for two years and will probably be continued, Rowman said. D. A. Emerson of Salem, in charge of the administrative forms published by the state, was here to confer with the committee. Superintendents serving with Rowman are Fred Peter-

**EDITORS ELECTED AT HIGH SCHOOL**

Editors of high school publications were announced at the last assembly of the year held yesterday afternoon at the senior high school.

Burton Daugherty, who was an unsuccessful candidate for the post of student body president, was named editor of the Hi-Times and Barbara Hampson will head the Crater staff.

**MANY CONTRIBUTIONS FOR BUST OF MARTIN**

PORTLAND, May 21.—(AP)—Twenty-five counties have contributed toward a fund to place a bust of Governor Charles Martin in the new capitol, J. C. Ainsworth, chairman of a special committee, said today. He did not announce the amount subscribed but said a number of Portland citizens were donating from \$1 to \$5.

**FIRST METHODIST WILL CONDUCT BIBLE SCHOOL**

The Sunday school of the First Methodist Episcopal church, west Main and Laurel streets, will conduct a daily vacation Bible school, beginning Tuesday morning, June 1.

Mrs. Helen High Pierce will superintend the school. A fine corps of teachers and assistants have been secured, according to the pastor, Joseph Knotts.

The school will be held mornings only, from 9:30 to 12, and all children up to high school grade are invited to attend. Those desiring to take advantage of the opportunity should be present the first morning, June 1, promptly at 9:30 o'clock.

**NEED DRIVING PERMIT FOR POWER SCOOTER**

EUGENE, May 21.—(AP)—A power scooter is a motor vehicle and operators must have driving licenses, Otto Gilstrap, license examiner, ruled today.

The issue arose when a 13-year-old boy wanted to rent one of the "puddle jumpers" from a Eugene firm.

**HE FOUND ALL-BRAN BROUGHT REGULAR, DAILY ELIMINATION**

Get rid of half-sick days—with the headaches, the listlessness, the "always tired feeling." Frequently, they come from common constipation... due to meals low in "bulk."

All you have to do is eat a delicious cereal regularly. "Every morning, for years, I have had a good helping of your ALL-BRAN, and it means regular, daily elimination."

Mr. E. N. Kring, 312 E. Hickory St., Fairbury, Illinois.

Kellogg's ALL-BRAN is so much better than drugging yourself with patent medicines.

Within the body, ALL-BRAN absorbs twice its weight in water, forms a soft mass, gently cleanses the system.

Eat two tablespoonfuls daily, either as a cereal with milk or cream or in recipes. Three times daily in severe cases. Sold by all grocers. Made and guaranteed by Kellogg in Battle Creek.

**Three Carloads Borden's Milk**

Evidence of the popularity of Borden's evaporated milk in southern Oregon. Three carload shipments of this well known brand from the Borden company's Albany plant to Mason, Hiram and company, Western States Grocery company and the Pacific Fruit and Produce company, all of this city.

The Borden company is conducting a strong newspaper advertising campaign on Borden's irradiated evaporated milk in the state of Oregon. Coincident with a sales meeting held in Portland on May 8, the opening advertisement appeared in the Journal and certain out-of-town newspapers in Oregon including the Mail Tribune. Large space contracts have been signed to provide consistent advertising support for Borden's irradiated evaporated milk throughout the remainder of the year.

The many beautiful babies in Oregon are the featured theme of the Borden advertisements. Photographs of healthy, well-fed, attractive Oregon babies reared on Borden's irradiated evaporated milk will appear regularly week after week. Useful and attractive store display and advertising materials are being placed with retail grocers throughout the state by the Borden sales organization. A further merchandising service will be published recipes featuring Oregon fruits and berries currently with the crop season.

Albany, Ore., is the location of the Borden milk condensary which supplies Borden milk to the state of Oregon. The Albany plant, situated in the heart of the fertile Willamette valley manufactures the top quality product which bears the Borden name. Ideal dairying conditions and progressive dairymen combine to supply the fine milk which is carefully processed under most modern methods and rigid Borden standards. Borden's evaporated milk is irradiated to increase the supply of sunshine vitamin D, so important to growing children as well as adults.

Manufacturing an Oregon product, the Borden company annually expends within the state of Oregon in excess of a half million dollars for fluid milk, labor, fuels, containers including wooden boxes and general operating supplies.

The current year marks Borden's eightieth anniversary of continuous operation in the milk industry. Throughout the years the Borden company has consistently done its part in developing and extending the use of dairy products thus creating for dairymen a larger market outlet.

Coffee! Serving it should be an event  
 --- not just an incident.  
 Buying it should be a search for the finest flavor you can find.
