In Flanders Fields

By Lt. Col. John McCrae
In Flanders Fields the poppies blow
Between the crosses row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders Fields.

Take up your quarrel with the foe;
To you, from falling hands, we throw
The torch; be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders Fields.

An answer to Lt. Col. John McCrae's poem "In Flanders Fields." Sleep on, brave soldiers, sleep, sleep where the poppies grow, Sleep on, brave soldiers, in your places, row on row. The lark's still soaring in the sky, Still bravely singing, soaring high, Away above the cannon's roar, Scarce heard amid the guns as yore Before you slept in Flanders Fields.
The faith with you we've kept and battled with the foe;
On crimson fields by you we've slept, where poppies blow,
The torch you flung to us we caught, With blis'ring hands we've bravely fought
To hold it high to guard you thru the Night,
And at the Dawn to guide you to the Light,
When you awake from Flanders Fields.

NORTHWEST BUSINESS AHEAD OF OTHER AREAS

PORTLAND, May 22.—(AP)—Business in the northwest division is ahead of other sections, J. H. Butler of New York, railway express executive, said today.
Carload shipments to the east have risen rapidly and there will be a brisk demand of cars when Oregon cherries are ready for the market, he said. Oregon strawberries will go direct to the Atlantic seaboard cities this year because of unfavorable crop conditions in Kentucky and Missouri.

Parole Granted.
ROSEBURG, Ore., May 22.—(AP)—Deane Willy, of Bluff, Ore., former resident at Loon lake in Douglas county, was paroled in circuit court today from a sentence of one year in the penitentiary. He pleaded guilty to a grand jury indictment charging assault while armed with a dangerous weapon.

Crutches and Canes Rented

In a minor injury it is not necessary that you buy a pair of crutches or a cane. Just rent them at Heath's, for any length of time. It is a great saving where a crutch or cane is needed for a limited time.

Insulin is \$1.15, at Heath's

One of the largest and most reliable pharmaceutical houses in the United States has recently announced a new use for a well known product. In their literature they make the statement that an acute case of gonorrhea may be cured in three days. The effectiveness of the treatment depends upon the promptness with which the patient reports to the doctor. This is sold only by doctor's prescription. While it is used in most cases of gonorrhea there are types where it cannot be used.
