Stomach Gas So Bad Seems To Hurt Heart "The gas in my stomach was so bad I could not eat or sleep. Even my head seemed to hurt. I had been taking Adierika. The first dose I took brought me relief. Now I eat as I used to sleep peacefully and feel better." —Mrs. J. E. Miller.

Adierika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adierika gives you a system of thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been the cause of your pains, sour stomach, nervousness and headaches for months.

"In addition to intestinal cleansing, Adierika gently relaxes the heart and eases the heart. Give your bowels a REAL cleansing with Adierika and see how good you feel. Just one good dose relieves GAS and stubborn constipation."

Here Wednesday

Small town life, with its good, its rich human qualities, its friendliness and its bitterness, is brought to the screen of the New Criterion theater tomorrow only with the showing of "Oh! Loves Boy," starring the team of Eric Linden and Cecilia Parker.

The story of a harum-scarum son of a rich father, his marriage to a gold-digging adventuress, and his "about-face" when he discovers the meaning of a real love with the daughter of a poor seamstress.

Wall St. Report

NEW YORK, May 25.—(AP)—The stock market turned in a heavy-footed performance today, losing fractional, 2 or more points.

Touching off selling on the home stretch was a break of wheat in Winnipeg to the full allowed limit, which in turn shook Chicago grains. Although late trading brought general declines, steels were particularly droopy. Wall Street's sharp accent on the probability of higher steel production costs was a factor.

Most of the session trading was leisurely, but the pace quickened toward the close. Transactions approximated 800,000 shares.

That was one tidbit of the day's news about the Chateau de Caude, where the whirl of the lawn mower roared and died in springtime cadence for an hour this afternoon.

At the handle was the Duke of Windsor, the man who once was a king.

Herman L. Rogers, the chateau's American spokesman, gave out something else. He let it be known there would be no entertainment for the wedding guests on the night before the nuptials.

That was in keeping with the quiet tone of the ceremony.

The couple will be married with a double ring ceremony in the music room of the Chateau de Caude, a source close to the household disclosed today.

The rings to bind the troth of the abdicated monarch and the woman for whom he gave up his throne, will be exchanged during the French civil ceremony to be performed by Dr. Charles Mercier, the mayor of Monts, on June 3.

The wedding party, the source declared, will assemble to the music of a wedding march played by the famous French organist, Marcel Dupre, on the organ in the library.

MRS. SIMPSON TO BE A BLUE BRIDE FROM TIP TO TOE

MONTS, France, May 25.—(AP)—Walls Simpson may be a bride in blue from tip to toe.

Pierre, one of Paris' better known coffeeurs, asserted today he had been asked to come to the Chateau de Caude on May 31 to tint the dark hair of the future Duchess of Windsor a dark blue—to go with her eyes and the wedding gown of blue she will wear on June 3.
