BROAD PACIFIST MOVEMENT AIM OF PRESBYTERIAN CH.
COLUMBUS, O., May 29.—(AP)—A new and broader pacifist movement was launched in the Presbyterian church in the U. S. A. today in the face of disapproval of an amendment to delete sanction of war from the church confession of faith.
Dr. Graham Hunter of Fullerton, Cal., widely known as a peace advocate, introduced an overtone proposing elimination of all sanction of war from the catechism as well as confession of faith.
The amendment would strike from the confession these words: "Christians . . . may, lawfully under the New Testament, wage war."
A group headed by Dr. Clarence E. McCartney immediately announced it would oppose the Hunter overtone, which was referred to the committee of bills and overtone.
No action on the overtone is possible at this assembly. A special committee would have to be named to consider it, and then sent to the Presbyteries for approval.
The assembly sent down to the Presbyteries for consideration a proposal for a calendar of 13 months of 28 days each, but sent it to the 276 Presbyteries for study before adopting it as a recommendation of the entire church.
Designed so that Easter would fall on the same day each year—April 8—the calendar was offered in the routine report of the general council and approved by a vote of 450 to 295.
Dr. C. E. McCartney of Pittsburgh moved for reconsideration, explaining that he had received numerous protests to the adoption of such a calendar. His motion that the Presbyteries be given the proposal for further study then was carried.

EMPLOYES KANSAS CITY LARGE HOTELS IN QUICK STRIKE
KANSAS CITY, Mo., May 29.—(UP)—Employees of most of Kansas City's large hotels went on strike at 6 o'clock (C.S.T.) tonight in protest against the discharge of two maids allegedly for their union activities.
The strike call, issued by Ed S. Miller, president of the joint executive board of the hotel workers, would affect butlers, waiters, waitresses, cooks and some other hotel employees.
Thomas C. Burke, president of the Kansas City Hotel association and manager of the Baltimore hotel, one of those affected by the strike call, said the action "came out of a clear sky."
He said no union representatives had approached him with a proposal for wage increases, shorter hours or union recognition, and if they did he would be glad to refer it to the association for consideration.
Miller said the strike was called because Mrs. Myrtle Duncan and Mrs. Esther Duncan, employees of the Hotel Pickwick, were discharged after they had joined the union, an affiliate of the American Federation of Labor.

GEORGE TRIED TO GIVE ROYAL RANK TO MRS. SIMPSON
King Blocked By Powers That Forced Abdication—Tourists Flock To Monts.
WASHINGTON, May 29.—(AP)—Congressional leaders expressed doubt today that the proposed "agricultural adjustment act of 1936" would be enacted at this session, but predicted passage of the "ever-normal granary" program.
They said the granary proposal of Secretary Wallace escaped criticism directed against other features of the broad farm program drafted by the American Farm Bureau Federation.
President Roosevelt told reporters he would like to see congress pass legislation embracing the granary system. It would provide for storing up surplus foods of bumper-crop years for use in lean years.
Chairman Jones (D-Tex.) of the committee suggested retention of the present soil conservation program, under which \$500,000,000 annually is paid farmers using soil-building practices. He would add to it the granary proposal.

SPORTS OREGON CAPTURES BASEBALL TITLE
EUGENE, May 29.—(AP)—The five senior members of Oregon's conference championship baseball team celebrated the end of their collegiate careers by leading Howard Hobson's nine to a 10 to 8 victory over Oregon State here today.
The veterans had plenty of support from the other members of the team in their swamping victory of the Beavers. Oregon State tallied first in the opening inning when Orell and Takamin singled, both advanced on a passed ball and Orell scored on Kappel's long outfield fly. The Beavers' other two countera came in the seventh on Ed Dooley's single and Fred Steller's long triple.
Younce, State hurler, had only two innings of peace before the Webfoot bats began to pound him. Ten batters faced Younce in the third and found him for three singles, a double and a home run, the Oregon team scoring five runs.
Today's game ended the season for both teams.

WASHINGTON, May 29.—(AP)—President Roosevelt departed late tonight for a two or three days' visit at his mother's home at Hyde Park, N. Y.
The president has not seen his mother since his 55th birthday at the White House on January 30. She hurt an ankle in a fall sometime ago, but has recovered to such an extent that she is planning a trip abroad this summer.
Before he left, the president and Mrs. Roosevelt entertained at the White House about 50 members of the Roosevelt Home club from Dutchess county, N. S.
Last night the first lady and 19 of the guests danced the Virginia reel at the annual White House party for Washington newspapermen and their wives.
