

SOFTBALL SEASON TICKET SALE TO START TOMORROW

Under the direction of Russ Acheson, member of the Medford high school coaching staff, sale of season tickets for 180 softball games of the Medford Softball association will start tomorrow morning. They will sell for \$1 and will enable holders to view 45 nights of softball, four games a night, under the new arc lights being installed on the high school football field.

The goal of the ticket drive, according to City School Superintendent E. H. Hedrick, is 1500 tickets before June 7, night of the softball association's grand opening. Four games a night will be played on the two diamonds, with each of the two leagues producing a pair of outfits.

Teams to see action on opening night will be selected from the four clubs selling the most tickets before June 7. Adding to the gala occasion will be the high school band and girls, drum corps and a public address system that will keep the spectators informed as to the progress of the games.

During the season, all children under 14 years old will be admitted free to games, provided they procure a pass from Hedrick before the opening night.

Actual installation of lights started Saturday with the setting up of the eight poles that will carry the powerful lights. All work will be completed in time for the opening.

Rest-room facilities will be available for the spectators, Hedrick announced.

Colorful Weddings Chosen This Year

NEW YORK — (AP) — Bridal and wedding party ensembles veer toward the elaborate and colorful this season.

Pastel colors in garden flower shades are popular selections for bridesmaids, who carry colorful old-fashioned bouquets of garden flowers. (Budget bride please note.)

Turquoise is a favorite. One recent bride had all six of her bridesmaids dressed in that color. Each bridesmaid carried an armful of yellow tulips.

Bridesmaids in another group wore white bouffant dresses with wide red sashes.

The 1937 June bride still chooses the traditional white satin or chalk white French slippers for herself. (Several of the newest crepe slippers are cut on Valkyrie lines.) But her bridesmaids are selecting the newest of the colorful spring and summer shoes, many of which have open toes and are made of lilies-of-the-valley and mounted on bamboo sticks are the latest news in bridal bouquets.

Society Planning Lawn Party Soon

Members of St. Ann's altar society who were to be hostesses at a card party Friday evening will instead entertain at a garden party next week, it is announced.

The Friday evening affair has been cancelled and members are arranging a lawn-bridge at the home of Mrs. H. A. DuBouque. A definite date and time for the affair will be announced later, those in charge state. The event is planned for the early part of next week.

Circle Meeting Set for Thursday

Members of the Victory circle of the First Baptist church will be entertained at the home of Mrs. L. S. Stenerson on the Jacksonville highway Thursday afternoon at 2 o'clock for Bible study.

Mrs. E. N. Warner will conduct the study. Other circles are extended an invitation and anyone interested in the study is urged to attend, those in charge state.

AMERICAN TENNIS TEAM GIVEN EVEN DAVIS CUP CHANCE

NEW YORK, June 1.—(AP)—The impression prevails in expert tennis circles today, following America's 8-0 rout of the Australian Davis Cuppers at Forest Hills, that Uncle Sam's young racquet swingers have at least an even chance to recapture the famous tennis trophy at Wimbledon in July.

They may need a few more "breaks," such as the illness that cut the threat from Australia's attack, but the combination of red-headed Don Budge, mighty little Bryan (Bixy) Grant and husky Gene Mako, Budge's doubles partner, looks like this country's most formidable challenge in at least five years.

Budge, in his third Davis cup campaign at the age of 22, is the spearhead of the drive, but from the way Grant performed in his first two "big time" tests it appears the great red-head will have unexpectedly strong support.

Selected to play in the zone finals for the first time, Grant came through magnificently. Yesterday, by scores of 6-0, 6-2, 7-5, Grant whipped the great Jack Crawford just as decisively as his teammate did two days previously.

Meantime, Budge disposed of 18-year-old Jack Bromwich, 6-2, 6-3, 5-7, 6-1.

Christian Church Sponsors King of Kings Movie Here

The famous motion picture of the "King of Kings" will be shown in the Senior high school Wednesday and Thursday, June 2nd and 3rd at 8 p. m., sponsored by the First Christian church.

The "King of Kings" is an elaborate and reverent attempt to tell the greatest story in the world.

The film drama opens with the brilliant scene in the house of Mary and Joseph, and here the elaboration of luxury is used to mark the contrast with the Magdalen's shame and repentance when she finds herself face to face with Christ. She has gone to Him to win back her lover Judas the betrayer. She remains to become the most faithful and devoted of His followers.

The miracles, the gentle care for children and for the needy are shown in picture after picture. There is dramatic force in the driving of the money-changers from the temple where our Lord appears as a strong man filled with righteous resentment. And as the drama reaches its climax in Gethsemane, in the meeting with the Sanhedrin, in the halls of Pilate's palace and finally on Mount Calvary.

Immense pains have been taken to make each character vivid and individual. Thus Peter, destined to be the leader of his party after his Master's death, is shown as a gigantic, impulsive fisherman, tender of heart but infirm of purpose until the bitter trial of the night when he betrayed his Master three times. The boy Mark is eager, inquisitive, tremendously interested. Matthew is the man of affairs, who, even when called to higher things, does not quite lose a certain shrewdness. And the Virgin Mary is a figure of infinite dignity and love, and in the end, of awful sorrow.

All girls expecting to attend the Girl Scout summer camp this season are requested to register at the local office no later than June 8, the committee in charge states. Camp will open June 11 and continue to June 25. Only a limited number will be admitted each week.

After June 8 registrations will be open to Girl Scouts of Grants Pass, Wolf Creek and McLeod districts. The committee is desirous that every girl wishing to go may have the opportunity and this is possible only if reservations are made as soon as possible. It was pointed out.

Mrs. M. Collier of Portland will again direct the camp, this being her fourth season as Medford director.

As camp capacity is limited to 60 girls per week to avoid overcrowding, preference will be given in order of registration, the committee states.

Mrs. Mabel Sims, local director, asks that registrations be made during specified office hours, 2 to 4 p. m. each day and that the west entrance be used by those registering.
