

### 2 MALE TEACHERS TO LINCOLN AND ROOSEVELT ROOMS

Assignment of two male instructors to Roosevelt and Lincoln grade schools was announced today by E. H. Hedrick, city school superintendent.

They are Linn Mills, for the past year a teacher in the Talent grade school, and athletic coach of Talent high school, and Ray Hunsaker, physical education instructor at Jacksonville junior high school for the past six years.

Both men will take over their new duties next fall, with definite assignment to the specific school to be made later. They will handle departmental work in the fourth, fifth and sixth grades, and have charge of the physical education program in each school.

It will mark the first time in the two schools history that male instructors have been assigned to those grades, according to Hedrick. Last year, physical education classes at Roosevelt were in charge of Guy Davis, janitor and foreman, who asked to be relieved of his duties because of the press of other work.

The physical education and athletic program at the schools will be a continuation of that in the past, Hedrick stated.

Both new teachers are graduates of Southern Oregon Normal school. Mills, in his one year as coach at Talent high school, produced an outstanding baseball club, one that topped the Jackson county class B championship without the loss of a game. His basketball team won the consolation championship of Southern Oregon Normal school's invitational tournament.

Hunsaker developed many fine athletic teams at Jacksonville junior high school.
