NEW PRODUCT AIDS HEALING

During the World war the medical corps found that soldiers' wounds that had become infested with maggots were free from infection and healed very rapidly. At the time the theory was that the maggots ate and destroyed the dead tissue.

Since then it has been found that it was not the maggots that accomplished the cleansing of the wound, but a secretion from their bodies. This secretion is now grown and processed on a commercial scale and it is being used on slow healing wounds and ulcers with very remarkable success.

Visiting Mother - Miss Edna Mae White is visiting her mother, Mrs. E. J. White of Phoenix. Miss White will be here for a week or ten days. She is completing her nurse's training at Vancouver, Wash.

Specimen on Way - A specimen of ferruginous sandstone is en route to the Jackson County Chamber of Commerce from the University of Mississippi, according to word received this morning. The sandstone is to be included in the all-state gem and mineral display being arranged by the chamber.

Back from South - Attorney H. B. Duncan returned yesterday from San Francisco, where he attended the Golden Gate bridge fiesta. Mr. Duncan walked and drove across the new span and said he was greatly impressed by its novel features. He left for the south by motorcar more than a week ago and transacted business in Sacramento, Stockton and San Francisco.

Camp Meets Tonight - Medford camp of the Royal Neighbors of America will meet at 8 o'clock tonight in Knights of Pythias hall, Fifth and Grape streets. Practice will be held in the degree work included in the local unit has been invited to put on for the Grants Pass camp in Grants Pass next Wednesday evening. The Grants Pass meeting will be in compliment to Mrs. Lenora Broil of Ashland, deputy who will leave this month to attend the grand camp in Denver. Because of the importance of the session, all officers and members were requested to make a special effort to attend tonight's meeting.

On Flight North - Late arrivals at Medford municipal airport yesterday included Maj. John Corkille, who was en route from Hamilton field, Cal., to Seattle in an army Douglas basic trainer. He continued north as soon as his plane had been serviced.

Undergo Operations - Mrs. William G. Stone of Ashland underwent a major operation at the Osteopathic hospital last night. Lee Matney underwent an emergency operation for the removal of his appendix. Both patients were said by hospital attendants today to be recovering satisfactorily.

On Navy Leave - Wallace R. Ludwig, son of Mr. and Mrs. Carl R. Ludwig of 511 Austin street, and Wilbur L. Hober, son of Mr. and Mrs. Samuel Hober of South Grape street, have been visiting at their homes here, having been granted a week's leave of absence from duty with the United States navy. Both enlisted in the navy here on January 14, 1936, and both are serving in the engineer's force on the cruiser Minneapolis. Their ship is now at San Francisco, having participated in the Golden Gate bridge fiesta. During their 17 months in the navy the youths have done considerable traveling. They have been to the Panama Canal Zone, Hawaiian Islands and all the large ports of the Pacific coast. They have crossed the equator and have been duly initiated into the regal realm of King Neptune. Both declared they like the naval service. They returned to their ship last night.

Wall St. Report NEW YORK, June 3. (AP)—Late but feeble rallying tendencies appeared in today's stock market with selected motors, rails, rubbers, aircrafts and specialties favored.

The recovery pace dragged notably and few issues were able to show gains of more than a point in the final hour. There was a wide assortment of small losers and many of the leaders were virtually unchanged.

Dealings were not much ahead of yesterday's small-like session, which was the most apathetic in two years. Transfers were around 600,000 shares.

WAKE UP YOUR LIVER BILE - Without Calomel - And You'll Jump Out of Bed in the Morning! Will Rogers

THE liver should pour out two ounces of liquid bile into your bowels daily. If this bile isn't flowing freely, your food doesn't digest. It just stays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks pink. Laxatives are only makeshifts. A more logical movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two ounces of bile flowing freely and make you feel up and up. Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills. Some, stubbornly refuse anything else. See
