union will represent employees in collective bargaining. Pittsburgh headquarters of the union announced a telegram had been sent to Eugene Grace, president of Bethlehem, making the proposal.

Peace Vote Stymied
The union stipulated that if the union wins the election, the company should agree to a written labor contract—the prime point at which independent steel companies have balked.

Purnell vetoed for the moment, at least—the back-to-work plan submitted by Ray L. Thomas, who said he was a spokesman for 10,000 non-striking steel workers in the Mahoning valley.

Purnell declined to give the workers' delegation any answer except that he would move "as rapidly as possible" to obtain promises of "protection" from civil authorities for men who want to go back to work.

He would not attempt a re-opening, he said, until he had received such assurances.

At Warren, Ohio, another tense point in the Mahoning valley steel area, Judge Lynn B. Griffith ordered the Republic Steel company to bring into court any records showing how much has been spent for machine-guns, tear-gas bombs, labor "spies" and company unions.

The judge made his ruling at the start of the third day's hearing on Republic's petition for an injunction to curtail picketing.

A.F.L. Protest
At Ambridge, Pa., a spokesman for an American Federation of Labor union asserted in a protest to President Roosevelt and Attorney General H. C. Cummings that C.I.O. pickets prevented A.F. of L. workers from returning to their jobs.

The protest followed yesterday's clash at Ambridge when scores were beaten in a free-for-all between 500 C.I.O. pickets and 80 A. F. of L. members attempting a back-to-work movement.

Here in the Mahoning valley—where the long "pencil" stacks of the mills have remained smokeless against the industrial skyline since May 16—more than 30,000 men are idle.

About 20,000 have been out of work in Youngstown alone.

The Johnstown explosion came, resulting in little damage, on the heels of a volley of words from two Big Guns of steel. Only a few hours earlier there had been oral blasts from Tom Girdler of Republic and Purnell.

"Communist" was the way Girdler labeled John L. Lewis' C.I.O. Purnell was not so outspoken.

Governor Martin L. Davey, undismayed by the failure of his peace conference yesterday, called upon Girdler and Purnell to meet with him tomorrow.

There was little prospect, however, that either Girdler or Purnell would accept the governor's invitation.

BENCH CANDIDATE UNDER CRITICISM

WASHINGTON, June 16.—(AP)—Copies of a pamphlet criticizing Claude McCulloch, democratic state committeeman of Oregon and prominently mentioned for a federal judgeship, reached the hands of senators who will pass upon the appointment.

The document bore the signature of Grace M. Charlton, Tillamook, Ore. It described him as the attorney for a power company and criticized his alleged relationship with the spruce division in Oregon.

ZONTIANS FAVOR JUNIOR SYMPHONY

Further plans for sponsoring the Junior Symphony movement in this community were made by Zontians at their regular business meeting held Monday evening at the studio of Mrs. Effie Kurtz.

A committee previously appointed to confer with John R. Knight, director of the symphony, furnished detailed information to the club. The benefits of this musical organization were stressed by Mrs. Ethelwyn Hoffman, presiding officer.

A most inspiring talk was given by Mrs. Zoe Hurd regarding the history and significance of the American flag. The program was concluded with two piano selections by Mrs. Hurd and Mrs. Kurtz.

Mrs. Blanche Runcles Frisbie and Mrs. Grace Holmes, newly elected members of the club were present.

Monday, June 28 was announced as the date of the next luncheon.

GUILTY PLEA BY MURPHY BANDITS

GRANTS PASS, June 16.—(AP)—Pleading guilty on arraignment yesterday in justice court, Roy Edwin Hobdy (charged under the name of Earl Clark Hobdy) and his companion, Donald Richard Valentine, pleaded guilty to charges of burglary not in a dwelling and were bound over to the grand jury under bail of \$3,000 each.

District Attorney Orval J. Millard said he had informed a postal inspector at Eugene following admission that \$12.65 had been taken from the Murphy postoffice as well as two bags of merchandise from the Gilmore store in which the postoffice is located.

BLUM MINISTRY RIDES OUT STORM

PARIS, June 16.—(AP)—Socialist Premier Leon Blum's government rode out the worst crisis in its year old history today and won the chamber of deputies' approval of its demand for extraordinary financial powers.

Just when communist dissension within the ranks of Blum's own followers seemed to presage the cabinet's resignation, the break was repaired. Communists said the authority would be used "to tap the working classes."

The victory came in the lower house's approval 348 to 247, of a bill authorizing it to take whatever financial action it saw fit between now and July 31, without waiting for parliamentary sanction.

STEINER PRAISES GOVERNOR'S WORK

SALEM, June 16.—(AP)—Dr. R. E. Lee Steiner, who resigns July 1 after more than 30 years as superintendent of the Oregon state hospital, wrote Governor Martin today a letter asserting the governor was a "friend in the interests of the patients and taxpayers."

"As administrator of this institution," Dr. Steiner wrote, "I wish to say that we have never had a better friend in the interests of the patients and taxpayers than you have been. It is with regret that I am leaving your service but I shall always be filled with gratitude in remembering your kindness."

Dr. Steiner has been a state employee for 40 years and will be succeeded by Dr. John Evans his first assistant who has been connected with the hospital for 32 years.

GLAD BULB SHOW AT PASS IN JULY

Southern Oregon growers will sponsor their second annual gladiolus show at Grants Pass July 30 and 31.

Last year's initial exhibit, sponsored by growers affiliated with the Grants Pass Gladiolus society, gained nationwide attention in the trade, this district being one of the country's largest producers of corms and blooms. Last year's crop was estimated at \$250,000.

This year's show will be in two divisions, one of general exhibits to be judged by the public on the opening day and the other of individual spikes and baskets of each variety.

VARYING WEATHER HITS FRUIT CROP

PORTLAND, June 16.—(AP)—Widely varying weather conditions have created an equally variable condition among fruit crops of the northwest this spring. The U. S. department of agriculture said today.

Although blossoms were promising in most areas, pollination and the set of the fruit proved disappointing generally because of unfavorable weather conditions and thrip damage to prunes proved severe.

Some frost damage occurred to Oregon apple orchards. The general peach outlook was described as "not promising," while the pear crop may prove about average. Generally sour Oregon cherry prospects are somewhat better than the sweet cherry outlook and considerable late frost damage occurred.

PORTLAND: HOPE OF STRIKE END WANES

PORTLAND, June 16.—(AP)—Jack Schlaht, head business agent for the teamster's union here, blasted hopes today that a settlement which resulted in the reopening of five Seattle wholesale warehouses would also end a strike of warehousemen of the International Longshoremen's association at the Meier & Frank department store.

"The Portland strike is different," said Schlaht.

"It does not have the sanction of the Portland labor movement and is therefore illegal." The strike here grew out of a dispute between the teamsters and I. L. A. over which group controlled the warehousemen. The council sided with the teamsters.

NEW MATMEN DUE IN ARMORY RING

New faces will appear in the Medford armory arena next Monday night. Promoter Mack Lillard announced today while still figuring on the complete lineup.

Newcomers will be Dale Haddock of Los Angeles and Frank Stojack, former Washington State football star. Haddock, Lillard said, is a fast but slightly villainous grappler weighing about 180 pounds and built something like Sailor Dick Trout. Stojack, weighing over 200 pounds, has just turned professional, reports say, and has already become one of the best drawing cards in the game.

He twice played in the annual East-West Shrine football game in San Francisco, and received all-American mention at guard while playing for the Cougars.

Other grapplers to appear on the card will be the Black Dragon, Pete Belcastro, Frankie Taylor and Monte LaDue. Matches will be announced tomorrow.

Cowboy Dude Chick is leaving southern Oregon this week for a four-month tour of the east. Lillard announced. Sailor Dick Trout is also being away to Washington for an extended spell and Smolinski the villain who was beaten to a pulp by Belcastro Monday, inferred to Lillard that he wanted no more of this wrestling business as displayed heretofore. He will return to California.

Frankie Taylor, because of his great showing against Chick Monday when he gained one fall over the champ, will be retained for at least two more weeks, the promoter said.
