

Medford Welcomes District 36 Convention Of Lions International

CITY PLAYS HOST TO 3-DAY MEETING BEGINNING TODAY

Prescott Park Will Be Dedicated This Afternoon—Carnival Tuesday Night To Be Conclavé Climax.

Medford today welcomes the 14th annual convention of district 36 of Lions International.

The convention opens this morning with registration at the Hotel Medford. It was anticipated that between 500 and 600 delegates and their families would attend the convocation of the district organization and its auxiliary.

One of the convention's most important ceremonies will be the dedication of Prescott park on Roy Ann at 4:30 this afternoon. The park was sponsored by the Medford Lions club as a memorial to George Prescott, member of the club who was killed in carrying out his duties as a peace officer. The dedication ceremonies will be held in the mess hall of the Prescott CCC camp.

To Unveil Monument After an address of welcome by Mayor George W. Porter, the dedication address will be given by A. E. Reames who will represent Gov. Charles H. Martin. A monument bearing a bronze plaque will be unveiled. Climax of the three-day convention will be the carnival to be held in the Medford armory at 7:30 Tuesday night. The public is invited and an admission will be charged to cover expenses.

Features of the carnival will be a stage production, the Gay Nineties, and a recital by the combined Medford and Klamath Falls Gleemen under the direction of James Stevens. Jacqueline McKee, the 13-year-old Klamath Falls prodigy, will be guest soloist. Miss McKee has already established a reputation as a soprano of extraordinary talent.

Sparkling Fares The Gay Nineties is described as a rollicking farce that has won acclaim in the larger cities of the Pacific coast. The cast has been featured on several west coast radio station programs.

A unique display arranged for the carnival is a replica of Bonneville dam which is being furnished by the Portland club. The exhibit is valued at \$5,000.

Other attractions include the games and concessions that are usually associated with carnivals. Main business session of the convention will be held at 9:45 Tuesday morning in the Rialto theater. At that time election of new officers will be held and next year's convention city selected. District 36 embraces the state of Oregon.

Today's program opens at 3:30 with a concert by the Elks band in city park to which the public is invited. Everyone is invited also to the Prescott park dedication. The convention proper will open at 10 o'clock Monday morning in the Rialto with J. Verne Shangle, Medford club president presiding. The session will be addressed by Ralph H. Kietzing of Salem, district governor. An address will also be given by Richard J. Osenbaugh of Denver, Colo., immediate past president of Lions International.

Speech to Speak A governors' banquet will be held in the Masonic temple at 7 o'clock Monday evening. Lion Earl Snell, secretary of state, will be the principal speaker. At 9:30 a governors' ball will be held at Dreamland.

Many side activities have been planned for the visitors, including golf matches, fishing parties and sight-seeing trips.

The auxiliary convention will follow closely the Lions program some of the events being joint affairs. In addition the Lionesses will be entertained at tea, card parties and other social events.

Officers of the Medford club are J. Verne Shangle, president, L. J. Knox, secretary-treasurer. Auxiliary officers are Mrs. Charles J. Pritchett, president, and Mrs. R. M. Marti, secretary.

New O.N.A. Battery SALEM, June 19.—(AP)—The Oregon National Guard will have a full complement of field artillery Monday for the first time when headquarters company of the 162nd infantry at Hillsboro becomes battery E of the 218th field artillery. RED CROSS WATER SAFETY CAMPAIGN AT NAT JULY 5-14

Advanced swimmers will be taught how to effect rescues in the annual Red Cross water-safety campaign to be held at the natatorium July 5 to 14. It was announced yesterday by Miss Marjorie Kelly, life saving chairman.

The training, Miss Kelly explained, includes the proper approach to avoid being caught and also the most effective release methods in case the victim does grab the rescuer. The swimmer will be shown also how to submerge with the subject, breaking under water whatever hold has been obtained, she said. Other technique will be demonstrated and lessons will be given in methods of resuscitation, she added.

Swimming will also be taught and all persons four years old or more are eligible to join the classes which will be divided according to age groups and ability. Miss Kelly said. Registrations should be made at the Natatorium immediately, she stated.

Elmer Holstrom of Corvallis, an experienced teacher, will be in charge of the classes. He will be assisted by senior and junior life savers of the county. The assistants were asked by Miss Kelly to communicate with Mrs. William Prohm-mayer by telephoning her at 543-X.

The senior life savers who will assist are Leland Bagley, Patay Brock, Evelyn Coats, Lewis Conger, Bob Fowler, George Hardesty, Charles Santo, Herb Harper, Josephine Hunter, Lowell Kuehule, Eugene Monaco, Donald Neilson, Gage Sanden and George Watann.

Junior life savers are Curtis Bachelder, Josephine Bullis, Raymond Crosby, Gerald Fowler, Delmer Wright, Donald Horner, Coleen

SNOWSLIDES HALT SEARCH RENEWAL

SALT LAKE CITY, June 19.—(AP)—Menacing snowslides forced postponement today for the second time this month of a mountainside search for the bodies of seven persons who died in an airplane wreck last December. Department of commerce and Western Air Express representatives agreed continued search would needlessly endanger lives of workers. Meanwhile searchers discovered why the bodies

were not found with the wreckage—the bottom of the cabin had been ripped out. The plane struck on Hardy Lake ridge, 25 miles southeast of Salt Lake City, bounded over the ridge and down a 1,000-foot cliff, then dived into snow that had choked a canyon bottom to a depth of more than 60 feet. A melting sun exposed the shattered cabin three days ago. Snow was shoveled out of it to disclose seats, doors, blankets, hats, a woman's dress, a stewardess' kit—but no bodies. Then it was noted the floor was gone.
