PROVE TO YOURSELF

That the rent you are now paying will install you in a NEW HOME of your OWN

FLOOR PLAN OF HOUSE

The above floor plan shows the convenience of Medford's low cost demonstration home recently completed at the corner of Newtown and Dakota streets. An inspection of the home will reveal how attractive, individual and modern a low cost home can be. Over 6000 of these homes have already been built in cooperation with the national program of the Federal Housing Administration.

Snow Falls, Mt. Hood
GOVERNMENT CAMP, June 19.—(AP)—Five inches of new snow fell last night at timberline on the south slope of Mount Hood and surrounding hills were white with snow today. The snow extended a considerable distance down into the forest but none remained on the loop highway.

Noted Author Fishing.
EUGENE, June 19.—(AP)—Peter B. Kyne, famed author, will fish the McKenzie river Saturday in company with Herbert C. Thompson of Washington, D. C., formerly of Eugene. It was learned here today.

Reddy Kilowatt
YOUR
Electric Servant

On the job day and night, winter and summer, sunshine and storm . . . I am always on time . . . ready to do any job you have for me.

My labor is cheap. So cheap that a few pennies a day pay my wages for refrigeration, cooking, lighting, entertainment and dozens of other things I do in your home. I am Reddy Kilowatt your electric servant. I am the most perfect . . . the least expensive servant mankind has ever known.

You Are Invited
To Attend the
OPENING

Of Medford's New LOW COST
DEMONSTRATION HOME

Sunday, Monday and Tuesday—Corner Newtown and Dakota

We invite you to inspect this house which is a part of the Low Cost Demonstration home program of the Federal Housing Administration.

It may be the very home you've been looking for! We invite you to build one like it now—under the FHA Insured Mortgage System. A reasonable down payment . . . and as much as 80 percent of the total value in monthly payments no more than rent.

We invite you to come in and let Mr. McKay show you how easy it is to own a low cost home.
